

More Than Just A Pretty Face

A.D. Ellis

More Than Just a Pretty Face Syed M. Masood,2020-08-04 Perfect for fans of Becky Albertalli and Jenny Han, this sweetly funny coming-of-age story is about falling in love, family expectations, and being a Renaissance Man. Danyal Jilani doesn't lack confidence. He may not be the smartest guy in the room, but he's funny, gorgeous, and going to make a great chef one day. His father doesn't approve of his career choice, but that hardly matters. What does matter is the opinion of Danyal's longtime crush, the perfect-in-all-ways Kaval, and her family, who consider him a less than ideal arranged marriage prospect. When Danyal gets selected for Renaissance Man, a school-wide academic championship, it's the perfect opportunity to show everyone he's smarter than they think. He recruits the brilliant, totally-uninterested-in-him Bisma to help with the competition, but the more time Danyal spends with her...the more he learns from her...the more he cooks for her...the more he realizes that happiness may be staring him right in his pretty face. In this young adult debut full of depth and heart, author Syed M. Masood will have readers laughing, sighing, tearing up, and shouting YES! at the top of their lungs.

Hello Avatar B. Coleman,2023-12-05 An examination of our many modes of online identity and how we live on the continuum between the virtual and the real. Hello Avatar! Or, {llSay(0, Hello, Avatar!); is a tiny piece of user-friendly code that allows us to program our virtual selves. In Hello Avatar, B. Coleman examines a crucial aspect of our cultural shift from analog to digital: the continuum between online and off-, what she calls the “x-reality” that crosses between the virtual and

the real. She looks at the emergence of a world that is neither virtual nor real but encompasses a multiplicity of network combinations. And she argues that it is the role of the avatar to help us express our new agency—our new power to customize our networked life. By avatar, Coleman means not just the animated figures that populate our screens but the gestalt of images, text, and multimedia that make up our online identities—in virtual worlds like Second Life and in the form of email, video chat, and other digital artifacts. Exploring such network activities as embodiment, extreme (virtual) violence, and the work in virtual reality labs, and offering sidebar interviews with designers and practitioners, she argues that what is new is real-time collaboration and copresence, the way we make connections using networked media and the cultures we have created around this. The star of this drama of expanded horizons is the networked subject—all of us who represent aspects of ourselves and our work across the mediascape.

Rise of the Mages Scott Drakeford, 2022-02-08 “This book commits almost every crime against heroic fantasy that I can imagine ... and I have not been able to put it down.” —Glen Cook, bestselling author of *The Black Company* A young warrior and his improbable band of allies face impossible odds as they seek to rescue his brother from the servants of the Fallen God. Emrael Ire is a student of war with lofty ambitions, despite being so poor his boots are more hole than leather. He and his talented younger brother Ban work hard to build themselves a better life at the Citadel, a school that specializes in both infusori Crafting and military arts. Their lives are upended when the power-hungry Lord Governor of the neighboring province invades the school with the help of a sinister sect of priests devoted to the newly awakened Fallen God of Glory. Many of the infusori Crafter students are captured—including Ban. Though Emrael stands little chance against the Lord Governor and his armies, he’s desperate to save his brother—even if that means accepting the help of allies with uncertain motives, or becoming a practitioner of a forbidden magic. There is nothing he won’t sacrifice to save his brother, but what happens when the cost of success is not his to pay? Every Woman's Dream Dwain K. White Sr., Dwain K. White, 2010-12 Summary The inspiration for this book was derived from a message first delivered on Mothers Day from the Pulpit of Christ Temple Christian Fellowship. The message focused on the love and commitment of a faithful woman and her expectations for the same from her spouse. The response from the women in attendance was overwhelming. Building upon the outline of the original message is research gained from counseling sessions, one on one interviews, and the undisputed source for truth, The Holy Bible. I now submit to you the passion that is universal to all women. It is the one thing that remains immutable since the dawn of creation and has since fueled the flames of fantasy, romance, and desire for all those in search of it. It is timeless, and gives no respect to age, ethnicity, or culture. It is incontestably the one thing that resides at the very core of Every Woman's Dream, True love. About The Author Dwain K White Sr. has been preaching the gospel of Jesus Christ for the past fifteen years and has been pastor of

Christ Temple Christian Fellowship (formerly Christ Temple Baptist Church) located in Baltimore, Maryland since 1999. He and his wife Diane currently reside in Reisterstown, Maryland with their three sons. Pastor White is not only a preacher, but an accomplished musician, writer, arranger, and producer with two CD's to his credit (Hymnology - by The Upper Room Players, and The Power Of God - by Maximum Glory). He has also worked with countless artists, groups, musicians, choirs, and Grammy Award winning writers, but preaching and teaching the gospel is where he remains most passionate. Pastor White has now reached another milestone in his life. The intensity of his preaching and teaching is strikingly vivid in this book (which is the first of many to come).

Memoirs of a Beautiful Disaster Ashley Simmons, 2021-04-07 This book is my story and journey from dealing with many things in life we sometimes don't like to speak on but live with, this is my transition from strife to triumph. Although I am still a work in progress I am loving the growth of who I am becoming, learning to not let life not break me but make me stronger and wiser. I hope that this book can too help others whom may have possibly gone through similar issues or if they just need some motivation to dust yourself off and readjust your crown.

A Few Thoughts From Dad Kip Jackson, 2022-12-20 As a normal overcommitted father of an active, intelligent, and beautiful daughter, I, too, often didn't get around to saying many of the things that really needed to be said or the many things that I really didn't know how to say. Even those things that were important to talk about but I just could never find the right time to talk about them. Then there are those things that I really tried to talk about but for some reason I realize I didn't communicate it well enough. So I hope this book will help to pick up those pieces or make up for those deficits and give you some insight into the heart of your father and why we do the things we do. I pray this will end up being a treasure for you as you get to know a side of your father that maybe you didn't know before. I hope it will be an encouragement for you to know just how much I really have always loved you even when I didn't know how to say it or didn't do a good enough job at showing it. I hope it will become a practical resource or a reference manual for you as you live your life and if you need to know what to do in certain circumstances or what we as a family believe or have done in the past. I hope it might even be a means of finally answering that number one question you and your siblings always had as you were growing up, WHY! It might even give you an opportunity to stop and have an occasion for a good thought or memory. Then, too, if this ends up having a bigger value than just me taking time to talk with my daughter and it lives beyond to my grandchildren or if it turns out to be a help to other fathers to share those important points of love and concern for their daughters, that will just be

amazing. That would then go on to prove that we fathers have more in common than we might have first thought. All of us struggle with knowing what and how to say what needs to be said to that little girl who, since the first moment we saw her, has had her little fingers wrapped so tightly around our heart--the one we would so quickly give our life for but have such a hard time trying to communicate that with. To my daughter, please read this one section at a time, as if you and I were sitting down and I just said, By the way, I've been wanting to talk to you about... Then read one section at a time, and please hear my heart and how much I love you in each thought. Then using the margin on each page or you might want to use a journal to write down questions, thoughts, memories, or any song that that section might bring to mind. That way you can go back and think about it later or pray about or maybe we can discuss them further when we go through each section together. If this was to be helpful for another father out there, I could see you using it as a devotional to go through with your teenage daughter (on through adulthood), and then you could personalize those memories I have into one that would be meaningful for you and your daughter, or you could read it together over the phone or rewrite a section at a time in a letter, changing it to be what you would say to your daughter. As you are going through this, read the passages; laugh at the funny stories; read the quotes, the antics, the poems; and listen to the songs that are mentioned. It's all part of trying to communicate the What, How, and Why we do what we do, as well as the way we believe. So take whatever time you need to go through all my thoughts and feelings, page by page, point by point; and I hope and pray that my heart will be heard clearly through all that is said. If you were to ask me what this was all about or how I would summarize this book, I would have to say it is a father's attempt to communicate to my grown daughter how much I Love you, I Believe in you, and I want you to be safe. It's also a means of sharing my heart and soul with you and trying to explain why I do and believe the way I do. All of this is in the hopes that you will not just understand but also take to heart the beliefs, whys, and hows that make our family, I believe in many ways, unique; that by having a real living and growing relationship with Jesus Christ as the center of everything; and just knowing that He loves you so much too. I love you, Dad 5
