Jesus' Blood and Righteousness Brian Vickers, 2010-10-26 The question of whether Paul teaches that Christ's righteousness is imputed to the believer has been debated for roughly four hundred years. Some of the questions that arise are: What is the connection between Adam and the rest of the human race? How did Christ fulfill the role of the second or new Adam? How can the ungodly stand before a righteous God? In *Jesus' Blood and Righteousness*, Brian Vickers investigates the key Pauline texts linked historically to the topic of imputation. Though Vickers spends a good deal of time on the particulars of each text, he keeps one eye on the broader biblical horizon; like any doctrine, imputation must be investigated exegetically and synthetically. This book, and its conclusion that the imputation of Christ's righteousness is a legitimate and necessary synthesis of Paul's teaching, is a valuable contribution to the ongoing debate on imputation.

Nazarene Commentary Mark Heber Miller,2010-11-13 At my birth in Norfolk, Virginia September 24, 1938 my mother June prayed I would become a teacher or minister. Now at 72 years of age - after 45 years as a pastor, teacher and missionary - I can thank her for her prayers for they were fulfilled beyond her most hopeful dreams. I look back on 60 years of Biblical studies beginning when I first completed reading the King James Bible at the age of 12. I have been in love with the Scriptures - and reading/writing in general - and always wanted to publish a new edition of the New Testament.

Paul's Understanding of the Church's Mission Robert L. Plummer,2006-06-01 Did Paul expect his churches to engage in evangelistic activity which mirrored his own? Or have modern readers of the Bible wrongly projected Paul's apostolic passion upon the communities that he founded? Such is the charge of several recent authors, and if their thesis is correct nothing could have larger implications for how the modern church engages in mission. In this book, Robert L. Plummer engages in a careful study of Paul's letters to determine if the apostle expected the communities to which he wrote to engage in outward-directed missionary activity. Plummer helpfully summarizes the discussion to date on the debated issue, judiciously handles contested texts, and provides a way forward in addressing this critical question. While admitting that Paul rarely explicitly commands the communities he founded to evangelize, Plummer amasses significant incidental data to provide a convincing case that Paul did indeed expect his churches to engage in outward-directed missionary activity. Throughout the study, Plummer progressively builds a theological basis for the church's mission that is both compelling and distinctively Pauline.

Blessed Are the Poor in Spirit Evangelist John Henry Manigo,2015-08-21 One book or three books: My main interesting is to help deaf, hard of hearing, hearing people understand the Word of God and to apply to their own life with God's help. It also gives us as well to the hearing people who need encouragement, help and inspire in the Word of God and that the Word of God is for them to receive His Word by faith. My main reason of writing the Trinity to show the example of

God, Jesus and the Holy Spirit as one and believe that God is One. I also write Trinity for various reasons and put down Bible verses to help match the Old Testament and New Testament that speak the same thing to show them the Bible in fact is real. God's Word is very real. I write the main points because I have heard in the past about their belief, their teaching, their faith in God, and I am willing to write down what they say and that the Bible has all the answer to our need and purpose. I have studied the Bible for forty-five years seeking answers and be able to explain better from God's teaching; from God's Word. Whenever I hear people talk about their faith in God, I write down Bible verses to help inspire their life positive. It would help all of us to grow in grace through our Lord Jesus Christ. He has the answer to all of our problem, My main points is to help them know that they can be saved through Jesus Christ by faith in Him alone. Only Him shall we be saved. Be Blessed!!!

Evangelist John H. Manigo I Corinthians 6:19-20

Their work clarifies matters of history, culture, geography, literature, and translation, enabling people to listen more carefully to the text. This unique commentary is the perfect resource for clergy and church school teachers who seek a reference tool midway between a study Bible and a multivolume commentary on the Bible.

The Gospel According to Paul Graham H. Twelftree, 2019-11-20 Paul's gospel is misunderstood. Paul's gospel is seen as his message, perhaps an empowered message; he saw it differently. His gospel can be many things: tradition about Jesus, Jesus Christ himself, the ministry of Jesus, the replication of the ministry of Jesus, God's salvific drama, the salvation experience of people, a message, and something that can (and should) be embodied or lived. And the gospel does not come to people in Paul's preaching. He says it comes or takes place in both his message and the miraculous. Without the involvement and acts of God (in the miraculous), for Paul, there would have been no gospel, only preaching. It is not that the miraculous was simply a proof or demonstration of the gospel; it was integral to it. In the gospel's coming or establishment, it is clear that, at heart, the gospel is God's salvation—the presence of God himself—in Christ, experienced in the symbiotic relationship between Paul's message about God's Son, Jesus Christ, and the activity of God in the miraculous. Not surprisingly, then, Paul rarely talks of preaching the gospel. He sees himself as "gospelling."

Jews, Gentiles, and the Opponents of Paul B. J. Oropeza, 2012-02-24 B. J. Oropeza offers the most thorough examination in recent times on the subject of apostasy in the New Testament. The study examines each book of the New Testament with a fourfold approach that identifies the emerging Christian community in danger, the nature of apostasy that threatens the congregations, and the consequences of defection. Oropeza then compares the various perspectives of the communities in Christ in order to determine the ways in which they perceived apostasy and whether defectors could be restored. In this second volume of a three-volume set titled *Apostasy in the New Testament Communities*, Oropeza focuses on the Christ communities of the undisputed and disputed Pauline Letters.

The Self-emptying God Peter J. Colyer, 2014-10-17 Christ emptied himself, we read in Paul's letter to the Philippians - words that are probably part of an early Christian liturgy. In this book, Peter Colyer examines in detail the concept of the self-emptying (kenosis) of Christ and of the ways in which this understanding of the historic figure of Jesus Christ has been extended to the whole being of God. The sections of the book deal with: the need for compatibility between theological and scientific views of the natural world; the increas...
