Rules for Radical Christians Nelson R Foster,2019-10-04 This book is a brutal expose’ of religion’s failure to keep and preserve our Godly American culture and the unconventional answer to restore the cultural soul that is rightfully ours to maintain. It exposes the history and spiritual influences behind the decline and the process Christians can follow to reverse that decline. Liberals may claim that they are godless Atheists, but the truth is, they are following the doctrines of Lucifer and following a game plan taught by followers of Lucifer. We are losing a spiritual battle by fighting with the tools of the flesh: logic, reason, emotion, science, and the law. We are bound to lose. We need to learn the rules and methods that have been proven to work spiritually against a ruthless spiritual opponent. Liberals know full well that they are fighting for the soul of our nation. We need to realize that the soul they are fighting for is the complete corruption and loss of the Godly soul our founding fathers tried to establish for our nation. It not only presents the problem but also provides the solution to our problem and the promise that the problem of ungodliness in our culture can be reversed. Godliness can be restored. We are also fighting for the soul of our nation. It is NOT the same soul that the Liberals are trying to preserve. They have corrupted our nation by deception. We can restore the national soul they corrupted with the truth.

Defining Life by Your Dreams Not Difficulties George, Becky Gilmour, 2015-08-27 Your life can be determined by your dreams or difficulties—your choice. Most people put up with their difficulties because they are more real than their dreams or the pain of the status quo is less than the pain that accompanies change. But, you do not have to be the victim of your circumstances! When the chains of the past are broken, we are free to pursue our future and to look forward to what God has for us. It is our desire that the principles and stories revealed in this book will help you move from your past to your future and from your difficulties to your dreams.

My Journey Is My Life Nwaoha Ugochukwu C., 2019-04-23 My Journey Is My Life: Living to Fulfill a Purpose tells the inspiring story of author Nwaoha Ugochukwu C., who grew up in a remote village in Nigeria. In his own words: My Journey Is My Life is based on a true-life story and my life experiences in general. It was written to teach others that the things that cost no pain provide lesser gains, while things that cost more pain provide larger gains. Where there has been little sweat, there will be little sweet. The experiences and activities in my life's journey, if not for God's intervention, were beyond what words could explain, cruel and nearly unimaginable. Frankly, throughout this period what life gave me was more than terrible and frightening pictures, so I thought the only thing remaining for me to do was depart from this world. But I refused to die like a coward, who dies more than ten times before his death. Seeing what this life was all about, it must be believed that it was by the will of God that I was saved. And to give God all the glory, I will employ the word of God from the Bible as I describe my survival efforts. "For they got not the land in possession by their own sword, neither did their own arm save them; but thy right hand, and thine arm, and the light of thy countenance, because thou hadst a favor unto them" (Psalm 44:3). "In the

journey of life, when fear is set aside, greatness can be achieved in adversity.”

The Doors that God Opens Dr. Elizabeth Small, 2019-03-19 The Doors that God Opens tells the story of a woman, who from at birth displayed resilience, strength, and determination. However, she didn’t do it by herself, even though she didn’t know it yet, God was truly her compass and guide. She had the unconditional love not only from God but from her mother along with the faith and prayers of her grandmother enabling her to learn, develop, and apply these traits to overcome so many obstacles and adversities. Despite being abused as a baby, getting pregnant at 16, and losing her best friend, Dr. Small didn’t let that become her story. She used her the support system, on earth and in heaven and gave her life to Christ and let God guide her life. She also used her resilience, strength, and determination with all the lessons she learned along the way from her family, the military, and more to open the doors that God had for her and truly live the life that God planned for her bringing her to places that she couldn’t even dream of as a child. No matter where or how you start if you can use resilience, strength, determination, and most importantly God, then there is no limit to where you can go.
