Sarah Fields

We Were Here Matt de la Peña, 2010-09-14 Newbery Award-winning author Matt de la Peña's *We Were Here* is a fast, funny, smart, and heartbreaking novel [Booklist]. When it happened, Miguel was sent to Juvi. The judge gave him a year in a group home—said he had to write in a journal so some counselor could try to figure out how he thinks. The judge had no idea that he actually did Miguel a favor. Ever since it happened, his mom can't even look at him in the face. Any home besides his would be a better place to live. But Miguel didn't bet on meeting Rondell or Mong or on any of what happened after they broke out. He only thought about Mexico and getting to the border to where he could start over. Forget his mom. Forget his brother. Forget himself. Life usually doesn't work out how you think it will, though. And most of the time, running away is the quickest path right back to what you're running from. From the streets of Stockton to the beaches of Venice, all the way to the Mexican border, *We Were Here* follows a journey of self-discovery by a boy who is trying to forgive himself in an unforgiving world. Fast, funny, smart, and heartbreaking...The contemporary survival adventure will keep readers hooked.-Booklist This gripping story about underprivileged teens is a rewarding read.-VOYA A furiously paced and gripping novel.-Publishers Weekly A story of friendship that will appeal to teens and will engage the most reluctant readers.-Kirkus Reviews An ALA-YALSA Best Book for Young Readers An ALA-YALSA Quick Pick for Reluctant Readers A Junior Library Guild Selection

Young Adult Literature and the Digital World Jennifer S. Dail, Shelbie Witte, Steven T. Bickmore, 2018-04-26 This book considers the practical intersection between digital media and young adult texts. In these books, teachers and teacher educators offer practical examples for engaging students with crafting critical responses to young adult literature through digital spaces. It examines how teachers can use these spaces to help students encounter, evaluate, and engage in the world in which they live. Young adult literature offers a vehicle through which students can discuss and explore the world in a more removed manner, while digital media offers a paradigm for helping students craft multimodal responses that extend beyond the traditional literary essay. This intersection asks teachers to consider how they are asking students to interact with the

texts they read. It asks them to invite students to enter and contribute to broader conversations through the production of their own texts. This book illustrates pedagogical principles in practice, showing what is possible in literature study in classrooms.

Summary of We Were Never Here Alexander Cooper, 2021-09-18 Summary of We Were Never Here - A Comprehensive Summary Andrea Bartz is a Brooklyn-based journalist and author of the forthcoming thriller We Were Never Here. Her debut thriller, The Lost Night (Crown, 2019), was an LA Times bestseller, and her sophomore thriller, The Herd (Ballantine, 2020) was named a best book of the year by Marie Claire, Crime Reads, Good Housekeeping, and other outlets. Her work has appeared in The Wall Street Journal, Vogue, Cosmopolitan, Women's Health, Martha Stewart Living, Elle, and many other outlets, and she's held editorial positions at Glamour, Psychology Today, and Self, among other titles. The book opens with one of the characters, Kristen, killing a man while she's on vacation with her best friend, Emily. Kristen claims it was in self-defense, but the incident is oddly similar to something that happened the last time they were vacationing together just last year. As a result, Emily starts to question her friendship with Kristen and what exactly happened that night. When I started the book, I realized on some level that the premise of it didn't really grab me to begin with, but I gave it a shot anyway since I've been pleasantly surprised by some of Reese's book club picks in the past. By about halfway into the book, however, the plot still hadn't moved past the point described on the cover blurb (basically what I summarized above), and I was getting a little bored. There's also somewhat of an element of ridiculousness to the whole book, but to be honest that's not what really bothered me. Instead, a bigger issue is that fairly early on in the book, it's clear what's really going on and there aren't really

many surprises from there. The plot ends up playing out in a fairly predictable way, and I struggled to stay interested in it. There's some attempt by the author to psycho-analyze these characters, but I didn't find it all that satisfying.
