The Unfakeable Code® Tony Jeton Selimi, 2021-04-12 Meticulously researched and written by Tony Jeton Selimi, 'The Unfakeable Code®' explores the fierce scientific, psychological and spiritual impact of wearing 'masks', feeling stuck, powerless, out of control, and being a people pleaser, disengaged and unproductive at home and work – a growing problem in an uncertain world affected by the Corona Virus Pandemic which will leave behind a cosmic trail of mental health issues and a significant rise in unemployment. Empowering readers to redefine themselves and overcome the adversity, anxiety and stagnancy likely blighting their lives, Selimi truly breaks new ground in a volume that gives you the clarity, the hope, and the code to continue to evolve into the authentic, unfakeable leader you were born to be. The Unfakeable Code® offers a fresh and robust five-step methodology for business, personal or professional transformation. It assists in upgrading your psychology and harmonising body-mind-heart intelligence so it can deal with any form of anxiety, conflict, and stress. Throughout the book, Tony J. Selimi shares inspiring actual client stories who have used the five-principles to successfully liberate themselves from the emotional baggage and distress by fully completing the five-step method. It's also been a hit among critics, too, with one recently writing, The worldview developed here transcends science, dogma, and belief, giving readers a new code to reconnect with their true, authentic individual and the Divine within that knows how to take back control, lead authentically and live freely on your terms. Brian Tracy, Author, Chairman and CEO of Brian Tracy International, quotes, This is an inspiring, enjoyable, fast-moving book that shows you how to unlock your full power for unlimited success. Marie Diamond, Global Transformational Teacher, a star from The Secret, describes it as A life manual that assists you in understanding how the Law of Attraction works, and it gives you valuable insights into the science of healing and changing your mindset that will transform your existence. The Hon Richard Evans, CEO ACE Modular Construction, depicts it as A fascinating read and easy to apply to everyday life, and a great book to return to time and time again. The five freedom, experience, and power-enhancing principles will help you build a deeper awareness of all that you are and are not. I recommended it to academics, business owners, leaders, and anyone working in the human development field. Read it cover to cover, over and over, and you too will broaden and deepen the proficiency of your leadership by presenting your most authentic self in every decision you make.

Valerie William Semo,2015-03-13 Valerie, a third book of poetry by Laurel Highlands Author and Poet William C Semo.

When you ask what inspires poetry, it is the friendships of one's life. In this book a dedication of poetry to an old friend who recently passed, one who stood by him and believed in him through his many life struggles. Their friendship, unconditional, always pure and spiritual with a sweet I love you. in parting with one another. It is the kind of poetry she liked, the kind she would read. Whether I would hand it to her or just leave it at her doorstep. The kind that I carry with me in my moleskins and whose meaning carries with us all into the hereafter. It is about her and many other things because the heart is all that matters in the end. -William C Semo

Beauty and Light (Nefes Yayinevi) Cemalnur Sargut, As a female Sufi teacher, Cemalnur Sargut commands a loyal and active worldwide following, especially in Turkey. Her career as a scholar and Sufi leader represents an important case study in the dynamics of contemporary global Sufism. This volume represents the first text in English translation that brings together some of her major discourses and teachings as presented to her students through the genre of oral discourses. More specifically, the discourses that form the core of this book were collected through oral interviews with Cemalnur conducted by her students as part of a weekly program aired on a national Turkish radio station. The original Turkish transcription on which this English translation is based is titled Dinle (Listen), and was published in 2012 by Nefes Press. Cemalnur has been actively training disciples and students in the teachings and practices of the Rifa'i Sufi order for the last forty years. While her oral and written discourses are widely available in Turkish, they have until now remained inaccessible to an English language audience.

Solo Passage Glenda Goodrich,2025-07-30 In her search to find healing and meaning in midlife, Glenda Goodrich undertakes a series of wilderness quests into the backcountry of Oregon, Washington, and California to discover what the natural world has to teach her about life, death, happiness, spirituality, and forgiveness. This book chronicles the sacred ceremonies that connected Goodrich to the land, wove her into nature's web, and transformed her from a woman who worked to please others into a woman who forged her own path. It is a brilliant collection of adventures—the touch of coyote

fur, a snake's kiss, a ceremonial blood offering—and a profound reflection on the healing and restorative power of nature.

Addiction—God'S Healing Duly Noted, 2018-02-21 I was just your run-of-the-mill alcoholic who God saw fit to rescue! For close to forty years, I struggled with addiction, and as time went on, it always got worse quicker and got more intense after any period of clean time. It was not until this unprofessional writer put God like I never had him before in my life and also after a proven twelve-step program that I was able to get and stay sober one day at a time. I was bankrupt in all ways financially, emotionally, mentally (at times I couldn't remember my name), and almost spiritually. I turned a perfectly good life into a perfect mess by choice. Why? I ended up at a few homeless shelters. Family and friends were asking (begging) me to get out of my hometown, Buffalo, New York, because I was going to die as the whole city turned into a people, places, and things place that people are warned about in recovery. Today I tell God, people at recovery meetings, family, and friends, I have the best life of anybody I know, and I believe it! God gets and deserves all the glory, all the honor, and all the praise that my family and friends give to me. God blessed me with one grandchild (daughter) and another one on the way. At recovery meetings, they say, Rarely have we seen a person fail who has thoroughly followed our path. That is so true! According to Matthew 6:33, Seek first the kingdom of God and His righteousness and all these things will be added onto you. Thank you! God bless you! Glenn

The Idiot's Guide to Magic Louise Kennedy, 2019-03-15 If you picked up this book hoping to learn how to pull a rabbit out of a hat or master random tricks and illusions, then you're going to be disappointed. This book leads you on a journey into the unknown—but not one revolving around sleight-of-hand games. Rather, it's a quest to learn all that we are meant to come here and realise. It seeks to discover what all religions and spiritual systems have at their core as well as what all wise people have sought throughout the ages: self-knowledge. Realising that you're responsible for what you create, how you perceive things, and what happens to you is tremendously liberating. If you can come to that realisation, you'll be equipped

to create a new and more rewarding life. Join the author as she looks back at pursuing truth as a professional singer, spiritual healer, intuitive coach, and student of the occult, yoga, reincarnation, spirituality and more in *An Idiot's Guide to Magic*.

Dynamics in the History of Religions Between Asia and Europe Volkhard Krech, Marion Steinicke, 2011-11-25 The conference volume of the Bochumer Kolleg "Dynamics in the History of Religions between Asia and Europe" outlines the thesis that religion is not a homogeneous cultural phenomenon, but a dense network of diachronically and synchronically differing traditions.
