Owned by the Boss | Forbidden MM Office Romance J.K. Jones,2025-11-22 Politics is brutal—but nothing prepared me for him. My name is Slade Harrington, and I'm watching my re-election campaign go up in flames. The press hates me, my numbers are tanking, and I'm one scandal away from political extinction. That's when Kieran Blackthorn walks in—cocky, ruthless, and the kind of man who chews up people like me for breakfast. He's the campaign fixer no one likes to talk about. And I hate him on sight. But one kiss—sharp, hungry, and completely out of control—changes everything. Now I'm caught in Kieran's game. A world of whispered commands, leather, power plays, and surrender. He doesn't just want to fix my campaign—he wants to break me down and rebuild me. Piece by piece. I should walk away, but the deeper I fall into his control, the more I wonder if I ever truly knew what I wanted... until now. He's dangerous. I'm desperate. And together, we're one spark away from setting fire to everything. Warning: This is a 75K MM BDSM political enemies-to-lovers romance.

Communication Alternatives in Autism Edlyn Vallejo Peña, 2019-09-20 Ten autistic self-advocates share their experiences with alternative forms of communication such as rapid prompting method (RPM) and facilitated communication (FC), both highly controversial. Their narratives document the complexities that autistic individuals navigate--in both educational and community settings--when choosing to use approaches that utilize letter boards and keyboards. While the controversies remain--RPM requires further scientific study, and FC is subject to criticism about confirmation bias--these individuals share powerful stories in the context of aiming for disability rights. The book concludes with a chapter about best practices for educators, particularly for schools and colleges that have students who use these communication methods.

Hope, Utopia and Creativity in Higher Education Craig A. Hammond, 2017-01-12 Reappraising ideas associated with Ernst Bloch, Roland Barthes and Gaston Bachelard within the context of a utopian pedagogy, *Hope, Utopia and Creativity in Higher Education* reframes the transformative, creative and collaborative potential of education offering new concepts, tactics and pedagogical possibilities. Craig A. Hammond explores ways of analysing and democratising not only pedagogical conception, knowledge and delivery, but also the learning experience, and processes of negotiation and peer-assessment. Hammond shows how the incorporation of already existent learner hopes, daydreams, and creative possibilities can open up new opportunities for thinking about popular culture and memory, learning and knowledge, and collaborative communities of support. Drawing together theoretical and cultural material in a teaching and learning environment of empowerment, Hammond illustrates that formative articulations of alternative, utopian futures, across sociological, humanities, and education studies subjects and curricula, becomes possible.

Enriching Christian Doctrine and Character Ph. D. Michael J. Akers, Akers, 2009-03 God exists as God the Father, God the Son, and God the Spirit. We are God’s people who relate to God in each of these manifestations. Thirteen key topics have been selected that cover basic Biblical doctrine on these four descriptors of whom God is and who we are as His children. Each of the fifty-two Biblical topics contain sufficient Scriptural references to enable the reader to fill an entire week looking up each Scripture and learn more deeply about what it is being taught from God’s Word.. Each study contains questions for discussion somewhere in the text or as a separate list and concludes with at least one memorable quote. May each person spending time with this material be blessed by what the Holy Spirit does through these words of learning. May you not only learn a great deal, but also apply what you have learned in serving the Lord by serving others.

Speed Bumps and Roundabouts: Lessons I’ve Learned on the Journey Pip McCracken, 2014-01-31 Why didn’t life work out as I planned? My plan was great! I would grow up with a loving family. I would have many friends to make pinky promises with. I would get top grades through school and be popular to boot. I would study for a degree I was passionate about, and I would meet . . . “The One” (sigh) . . . we would get married and have children who looked and behaved like baby angels. Oh, and I’d live happily ever after, of course. Was that too much to ask? I didn’t plan for my parents to divorce. I didn’t plan to change schools because of bullying. I didn’t plan for university to fill me with doubts about whether I was good enough. I didn’t plan to be single at 28. I didn’t plan to run away to the other side of the world. But look where I’ve ended up. Life is never the smooth and straightforward journey we expect. Along the way, things slow us down and turn us around. *Speed Bumps and Roundabouts* is a story of those things: Hope. Vulnerability. Apathy. Gratitude. Beauty. Boundaries. Waiting . . .

The journey is worth it, the scenery can be captivating, but we'll never know unless we keep going . . . over the speed bumps and around the roundabouts.

Courage for the Journey Wendy Weikal-Beauchat,2013-09-16 COURAGE FOR THE JOURNEY assembles a collection of wisdom to ignite courage, hope, and strength in those caught in the inevitable storms of life. In his 1965 masterpiece I Had Trouble in Getting to Solla Sollew, Dr. Seuss observed, And I learned there are troubles of more than one kind. Some come from ahead and some come from behind. Adversities arise in all shapes and sizes. The death of a loved one, divorce, business failure, job loss, health issues, and natural disasters are only but a few examples. None of us is immune from the life events that can shake or even obliterate our foundations. Personal disasters leave us dazed and shell-shocked. We find ourselves standing in the rubble of our lives, wondering how to move forward and what to do next. Winston Churchill asserted, If you are going through Hell, keep going! This is sage advice for anyone in distress. The question is how, when you have totally lost direction, do you keep going? When fear, discouragement, failure, loss, and regret have taken firm root in the gardens of our heart, mind, and soul, how do you vanquish them? During adversity, attitude will always dictate outcome. The key to overcoming any obstacle is to tune out the negative noise of the storm and society in general. The positive emotions of courage, faith, hope, perseverance, and peace contain far greater power than negative emotions. COURAGE FOR THE JOURNEY explores strategies for: Finding courage and faith in place of fear Finding hope and perseverance in place of discouragement Finding opportunity and choice in place of failure Finding clarity and accepting change in place of loss Finding recovery, reinvention, and peace in place of regret
