SA Adler

I'll Walk with God Sheet Music ,1995-02-01 (Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part, as well as in the vocal line.

I Walk Through the Valley Bruce C. Zorns,2013-04-30 "Greetings...you will report to the local board," said the letter to the 31-year-old father and husband, drafting him into the Army in 1944. There followed boot camp and bitter combat in Europe. Wounded, the author spent three days suffering on a frozen battlefield before being captured, hospitalized and then incarcerated by the Germans. Liberation, healing and reunion with loved ones took a long, long time.

Fighting the Devil Cliff Compton,2007-07 There's a battle going on. It's true that the devil wears a suit and tie, but don't be fooled, if you watch him long enough, his pants will catch on fire. There's a battle going on. There's an angel sitting on one shoulder and a demon sitting on the other, and the one speaks soft and sensibly, the other plays an electric guitar and screams into your ear. And we all look good on Sunday morning, but sometimes our suits get rumbled and wrinkled in the course of the week, and temptation isn't just an apple on the tree anymore. It's a constant companion, and the road to heaven has more potholes than any preacher will admit to, but that does not change anything. Right is still right, and there's a battle going on. Fighting the Devil is one man's trek through the jungle.

Nothing but Love in God's Water Robert Darden,2017-04-28 Volume 1 of Nothing but Love in God's Water traced the

music of protest spirituals from the Civil War to the American labor movement of the 1930s and 1940s, and on through the Montgomery bus boycott. This second volume continues the journey, chronicling the role this music played in energizing and sustaining those most heavily involved in the civil rights movement. Robert Darden, former gospel music editor for Billboard magazine and the founder of the Black Gospel Music Restoration Project at Baylor University, brings this vivid, vital story to life. He explains why black sacred music helped foster community within the civil rights movement and attract new adherents; shows how Martin Luther King Jr. and other leaders used music to underscore and support their message; and reveals how the songs themselves traveled and changed as the fight for freedom for African Americans continued. Darden makes an unassailable case for the importance of black sacred music not only to the civil rights era but also to present-day struggles in and beyond the United States. Taking us from the Deep South to Chicago and on to the nation's capital, Darden's grittily detailed, lively telling is peppered throughout with the words of those who were there, famous and forgotten alike: activists such as Rep. John Lewis, the Reverend Ralph Abernathy, and Willie Bolden, as well as musical virtuosos such as Harry Belafonte, Duke Ellington, and The Mighty Wonders. Expertly assembled from published and unpublished writing, oral histories, and rare recordings, this is the history of the soundtrack that fueled the long march toward freedom and equality for the black community in the United States and that continues to inspire and uplift people all over the world.
