Jericho James David W. Bailey,2016-08-04 Jericho James: Happy, Go Lucky is a book about a man leaving his hometown of Parkersburg, West Virginia, in to gold fields of California in the year 1876 in the backdrop of the Battle of Little Big Horn. The antics between him and his horse, Lucky, is quite humorous. He also befriends a sergeant major who belongs to a troop of cavalry who saves Jericho from an Indian attack.

Ain't Scared of Your Jail Zoe A Colley,2012-12-16 Imprisonment became a badge of honor for many protestors during the civil rights movement. With the popularization of expressions such as jail-no-bail and jail-in, civil rights activists sought to transform arrest and imprisonment from something to be feared to a platform for the cause. Beyond Dr. Martin Luther King Jr.'s Letters from the Birmingham Jail, there has been little discussion on the incarceration experiences of civil rights activists. In her debut book, Zoe Colley does what no historian has done before by following civil rights activists inside the southern jails and prisons to explore their treatment and the different responses that civil rights organizations had to mass arrest and imprisonment. Colley focuses on the shift in philosophical and strategic responses of civil rights protestors from seeing jail as something to be avoided to seeing it as a way to further the cause. Imprisonment became a way to expose the evils of segregation, and highlighted to the rest of American society the injustice of southern racism. By drawing together the narratives of many individuals and organizations, Colley paints a clearer picture how the incarceration of civil rights activists helped shape the course of the movement. She places imprisonment at the forefront of civil rights history and shows how these new attitudes toward arrest continue to impact contemporary society and shape strategies for civil disobedience.

A la California Albert S. Evans,1873 Albert S. Evans (1831-1872) was a New Hampshire-born California journalist, serving as correspondent for the New York Tribune and Chicago Tribune. *À la California* (1873) is a volume of reminiscences and anecdotal history published after Evans's death at sea. He begins by taking his reader on a tour from the Sierra Morena through the San Andreas Valley, south to Pescadero and Santa Cruz, up the Napa Valley and Mount St. Helena. He offers several chapters on San Francisco, with special attention to the legends of the Barbary Coast and Chinatown and tales of miners in the Gold Rush.

Sitting Bull's Boss Ian Anderson,2000 James Morrow Walsh can rightfully be called the original Mountie. In late 1873 he

led the first troop of scarlet-coated policemen toward the great Canadian prairie. In the summer of 1875 he was assigned to construct Fort Walsh in the Cypress Hills above the Canada-U.S. border. Below the border, or medicine line as the Sioux Nation knew it, 15,000 Native Americans were drawn a year later to the camp of Sitting Bull on the Little Bighorn River. By 1877, newspaper headlines from Chicago to New York tweaked the curiosity of millions by referring to Walsh as Sitting Bull's Boss. The years leading up to those headlines and the times that followed were the most dramatic era in the history of the west.

BURN Torie Grace,2019-01-08 This book is a standalone, complete story. No Cliffhangers. HEA. Multiple POV. The Nevermore Series This series is set in the mountain town of Nevermore, WY. The town has an obsession with Hockey and everyone who lives there is Kinky. You would think a small mountain town would be peaceful and drama free. But, it's not. Love is never easy, and in Nevermore; Kinky love is harder still. And just like my other books, there is, Kinky, Hot, — Well, you know. It started with: "I hate you." It moved to; "— me harder!" Will it all end in flames? Taylor was a normal vanilla girl. So, when she was forced to stay in the kinky town of Nevermore it was a nightmare come to life — Until she laid her eyes on Marcus. He had pitch black hair, emerald green eyes, and a body built for sin. The problem? He was a Dom and she wasn't a sub. He also hated her with a burning passion. Marcus was in lust from the first glance. Then when he found out Taylor was there to spy on them; Lust burned to ashes and turned to distrust and hate. He knew he should stay away from her, but at every turn, this sweet temptation was thrust into his arms. He knew he should fight. But should he fight to keep her? Or keep her away? Although it is standalone, it is Book Two of the Nevermore Series. Each book within this series is standalone, with no cliffhangers and can be read in any order. But, it is recommended that you read from 'One' onwards as characters in earlier books are mentioned in later books and knowing their backstories will add to your reading experience and enjoyment. All books are quick love and HEA. Due to the content, this book is intended for adults 18 years and older.

Scared Money James Hime,2014-04-22 When the CIA comes knocking at ex-Texas Ranger Jeremiah Spur's door, asking for a favor, he's not that interested in helping. At least, not until the agent mentions that the man-Benjamin Farkas-who needs help requested Jeremiah specifically because he knew Jeremiah's father. Since Jeremiah hasn't seen his father since he was a little boy, this piques his interest, and he reluctantly agrees to travel from his ranch in tiny Brenham, Texas, to the big city-Austin-in order to investigate the disappearance of an accountant, who has vanished along with \$10 million of his boss's money. The fact that Farkas was once a CIA-trained button man makes him uncomfortable, but the question of his father's connection means he can't say no. At the same time, Deputy Sheriff Clyde Thomas-a black man in a rural Texas jurisdiction who worked with Jeremiah on the last murder case to hit Brenham-is looking into the shooting deaths of a local drug dealer and his girlfriend, a violent and nasty crime for the usually quiet town. Clyde's working theory is that it's a message in a battle over drug territory, but there are a lot of questions. It seems unlikely that Captain Spur's case and Deputy Thomas's case are related. But in all things criminal, even in sleepy Brenham, Texas, things are rarely what they seem. Scared Money-explosive, sharp, taut, and atmospheric-is the second book to feature Jeremiah and Clyde, after James Himes' acclaimed first novel, The Night of the Dance, which was a finalist for the Edgar Award for best first novel of the year.
