

La Razon Populista Laclau

Jonathan Mendilow,Éric Phélippeau

Crítica de la razón populista Miguel Wiñazki,2016-01-01 Desde las misiones jesuíticas hasta el papa Francisco, la Crítica de la razón populista atraviesa el desborde de Malvinas, la ruta del dinero kirchnerista y el narcopopulismo creciente. ¿Vivimos bajo el imperio de la razón populista? Miguel Wiñazki, coautor del impactante best-seller La Dueña, le pone nombres y apellidos a la historia: Chávez, Evo, Correa, Cristina, el papa Francisco... Y realiza un recorrido escenográfico: empieza con un domingo de sol en Tecnópolis, el corazón artificial de la Patria Populista, con cuatro cuerdas de cola de espera para subir a un avión que promete volar y no vuela, y un San Martín que insulta al espejo porque no puede pintarse con un delineador sus patillas negras, desnudando las desventuras de las bambalinas de la teatralidad, mientras miles de chicos y adultos saltan y bailan al ritmo de la Marcha de San Lorenzo. Según el autor, el populismo es uno de los eufemismos de la corrupción. El narrador exhibe, en una suerte de diario de viaje, imágenes profundas, dramas colectivos, fiestas populares que permiten comprender lo que los manuales academicistas ignoran. La brújula para ver la verdad detrás del palabrerío es la descripción de la ruta del dinero, que desbarata la antinomia Pueblo-Antipueblo tan pregonada de forma altisonante. También devela las instituciones ahogadas bajo el dominio de una persona que gobierna dirigiéndose de manera directa y constante al pueblo para afirmar: El Estado soy yo. En su polémica abierta con Ernesto Laclau, la Crítica de la razón populista revela la esencia de un modelo que construye una fábula de realidad, la difunde y realiza lo contrario de lo que pregonaba.

On Populist Reason Ernesto Laclau,2018-09-25 A philosophical and political exploration of the construction of popular identities In this highly original and influential work, Ernesto Laclau focuses on the construction of popular identities and how “the people” emerge as a collective actor. Skilfully combining theoretical analysis with a myriad of empirical references from numerous historical and geographical contexts, he offers a critical reading of the existing literature on populism, demonstrating its dependency on the theorists of “mass psychology,” such as Taine and Freud. On Populist Reason is essential reading for all those interested in the question of political identities in the present day.

Reseña de "La razón populista" de Ernesto Laclau Martín Retamozo,2006

La política que viene Timothy Appleton,2022-04-18 Parafraseando a Mark Twain, los rumores sobre la muerte del populismo han sido en gran parte una exageración. ¿Son sus teorizaciones tradicionales adecuadas? En este libro, Timothy

Appleton señala que, mientras que el populismo tradicionalmente se ha considerado sinónimo de hegemonía (la idea de que algunas demandas sociales se vean subordinadas a otras), en realidad, se trata de dos lógicas distintas e incompatibles. Partiendo de esta premisa, reinterpreta varios elementos del debate sobre el populismo: el entusiasmo político, la posverdad, el liderazgo, la soberanía, el nacionalismo, la relación entre populismo y los partidos políticos. Appleton abre un nuevo capítulo en la teoría populista: «el populismo de las singularidades». «El “populismo de las singularidades” que propone Appleton abre un camino nuevo para pensar la teoría populista y la política venidera a la luz de Rancière y Lacan. Un trabajo riguroso, original y necesario». Pablo Bustinduy

La razón populista Ernesto Laclau, 2005

The International Political Economy of Communication C. Martens, E. Vivares, R. McChesney, 2014-10-28 This collection reflects on the international political economy of media and the valuable lessons to be learned from the media reforms currently taking place across South America. The contributors present a range of theoretical and methodological perspectives on the ongoing battle for media space in South America, and the volume includes a foreword by Ernesto Laclau.

Siete ensayos sobre populismo Paula Biglieri, Luciana Cadahia, 2021-11-02 El término populismo ha estado envuelto, desde siempre, en una gran polémica. Sus manifestaciones políticas han sido estigmatizadas por las diferentes potencias mundiales, que se saben ante un adversario con la suficiente fuerza para revertir el sentido común de época. América Latina se ha convertido en un laboratorio político de futuro donde se dirimen dos fuerzas históricas. Por un lado, diferentes formas de vida posdemocrática para el capitalismo que viene y, por otra, una nueva imaginación política para la emancipación. Son numerosas las situaciones reaccionarias que han ido ganando terreno, a nivel global, durante los últimos años. El panorama actual solo contribuyó a acentuar una crisis que venía gestándose desde hace algún tiempo. En este escenario, se exige asumir una serie de problemáticas no contempladas en los debates clásicos de la teoría populista. De esta necesidad nace el presente texto. La apuesta de las autoras consiste en averiguar qué hay de universalizable en los problemas, desafíos y respuestas que ofrece un lugar de enunciación como el continente americano. Este libro analiza el populismo como una forma de pensamiento que se inserta en los debates filosóficos y políticos actuales. En este escrito, declaradamente militante, las autoras asumen su posición política como una forma de hacerse responsables de su propia implicación teórico-subjetiva.

Antagonismos Alejandro Varas Alvarado, 2019 En el libro encontrarán, en primer lugar, una discusión sistemática de las diferencias entre antagonismo y otras categorías como límite y exclusión; en segundo lugar, una interesante revisión sobre las posibilidades de articulación de diferentes formas de antagonismo, problematizando el lugar que tendría en este proceso la lucha de clases; y, en tercer lugar, un debate sobre los niveles de radicalidad política que permite la noción de antagonismo.

Refiguring Democracy Ramón Feenstra, Simon Tormey, Andreu Casero-Ripollés, John Keane, 2017-06-26 Spain has become

a remarkable democratic laboratory in which millions of citizens are experimenting with new forms of political expression. This book examines the dynamics of this political laboratory, showing that the upheavals it is experiencing are likely in the near future to affect democracies elsewhere in the world. Examining the new means of participation that were established in fields where digital communication tools enabled the launch of novel dynamics of political action, the reader will gain access to a comprehensive analysis of the reshaping and mutation process that has affected fields such as activism, political parties and political participation. Using a case study of the Spain between 2011 and 2015, the book focuses on the changes that have taken place in politics and communication in Spain, paying particular attention to the 15M movement and its disruptive, innovative strength in all matters related to politics and communication. The chapters cover political repertoires and the hybridization of horizontal and vertical political logics; the appearance of new political parties; the establishment of monitoring mechanisms as an essential means of political expression and participation; and the subversion of rationality across media as a product of the communication strategies implemented by online political activism. Showing that Spain is not just at the forefront of democratic innovation, but that it is a political laboratory in which trials are taking place that tell us much about the future of democracy everywhere, this book will be of great use to scholars of political theory, democracy and philosophy.

La democratización de la comunicación Cecilia Beatriz Díaz, 2022-06-13 Los debates en torno a leyes regulatorias y nuevas políticas de comunicación atravesaron el inicio del siglo XXI en Latinoamérica. La ruptura con el modelo neoliberal implementado en la década de 1990 no estuvo exenta de conflictividad con los grandes conglomerados mediáticos hasta alcanzar una centralidad en el devenir político de los populismos de la región. En la Argentina, durante los dos mandatos presidenciales de Cristina Kirchner (2007-2015) se llevaron a cabo más de cincuenta iniciativas en políticas de comunicación, entre las que se suele destacar la sanción de la Ley de Servicios de Comunicación Audiovisual. Este proceso de reformas recibió el nombre de democratización de la comunicación, pero ¿qué significa? ¿Cuál es su alcance de acción? ¿Qué nos dice el Estado cuando enuncia que va a impulsar la democratización de cualquier bien? Este libro retoma las teorías del discurso y de los estudios sobre populismo para indagar sobre las tensiones entre palabra y acción en el proceso democratizador de la comunicación en la Argentina. Especialmente, cuando el enunciador es el Estado en un coro diverso de instituciones, prácticas y entramados. Asimismo, brinda claves para comprender el acelerado derrotero de vaciamiento, desguace y derogación de esas políticas durante el macrismo.

Populism and Corruption Jonathan Mendilow, Éric Phélippeau, 2021-06-25 This timely book offers an in-depth analysis of the intersection between populism and corruption, addressing phenomena that have been, so far, largely treated separately. Bringing together two dynamic and well-established fields of study, it proposes a theoretical framework for the study of populism and corruption in order to update our understanding of specific forms of each in a variety of socio-political settings.

El sujeto en cuestión Pedro Karczmarczyk, 2014-01-01 Los trabajos de este libro abordan, desde diferentes perspectivas a la categoría de sujeto como una categoría crucial del pensamiento contemporáneo. El ámbito de preocupaciones es amplio: la perspectiva del filósofo norteamericano S. Cavell quien hace una originalísima recepción de la herencia de Austin y Wittgenstein; la perspectiva fenomenológica de Sartre en diálogo y conflicto con la del psicoanálisis lacaniano y las reconceptualizaciones de la ideología realizadas por Louis Althusser; la constitución del sujeto en tensión entre la sujeción al poder y las posibilidades de resistencia según la perspectiva de Judith Butler; una relectura de la implicación de estructura y sujeto en la perspectiva estructural abierta por Saussure y continuada por Lévi-Strauss, Benveniste y Lacan, tema que recibe un tratamiento circunscripto al pensamiento del argentino Ernesto Laclau, en el que se distinguen distintas etapas; las implicaciones que los eventos fundamentales de la historia del siglo XX acarrearán para una conceptualización de la subjetividad en la perspectiva de Theodor Adorno y las limitaciones que la conceptualización de la obra de arte como juego en la obra de Gadamer impone a la concepción moderna de la subjetividad. Un dique en aguas turbulentas Acosta Olaya, Cristian, 2022-07-30 Esta obra examina la configuración identitaria del líder liberal Jorge Eliécer Gaitán (1898-1948) y de sus seguidores teniendo como eje analítico sus concepciones acerca de la revolución, la unidad partidista, el pueblo y la violencia política durante la primera mitad del siglo XX en Colombia. Para ello, se analiza la discursividad de este líder y sus partidarios desde mediados de la década de 1920 hasta su asesinato en abril de 1948. La exploración de dicha discursividad da muestra de las luchas y de las tramas de sentido que dieron forma al gaitanismo en tanto proceso sociohistórico, y permiten inscribirlo dentro de los estudios contemporáneos sobre el fenómeno populista. Dando cuenta de las tensiones principales del gaitanismo en torno a pretender y azuzar una transformación radical de la sociedad colombiana y, a su vez, mantener las formas partidistas tradicionales y de los mecanismos electorales para alcanzar tal objetivo, se pone en discusión la manera en que los estudios historiográficos y sociológicos frecuentemente han entendido a Gaitán y a su movimiento, en especial caracterizándolos entre los polos antitéticos de ruptura y continuidad frente al orden político y social vigente. Asimismo, este trabajo retoma herramientas de la teoría política y la sociología de las identidades políticas para dar nuevas luces al estudio del fenómeno gaitanista, principalmente poniendo en cuestión su supuesta relación directa o causal con la violencia política de mediados del siglo XX. De este modo, como parte de los populismos latinoamericanos, el gaitanismo se caracteriza aquí como un proceso político que estableció un trato conflictivo respecto a sus contrincantes, pero que no giraba en torno a la eliminación física de sus adversarios.

Sueño. Improvisación. Teatro. Ensayos sobre la praxis teatral Gustavo Geirola, 2019-07-24 Este libro, que pone en relación el teatro con el psicoanálisis freudo-lacaniano, pretende fundar una disciplina, llamada praxis teatral, la cual se enfoca en el trabajo del teatrista (actor, director y artistas creativos) durante los ensayos, esto es, improvisaciones,

construcción de escena y montaje. No se preocupa por los estudios teatrales tradicionales en sentido académico, como los análisis de textos (dramáticos o espectaculares). No es una aproximación clínica al grupo teatral, sino una implementación de los conceptos fundamentales del psicoanálisis (inconsciente, transferencia, pulsión, repetición) como apoyo técnico para trabajar durante los ensayos teatrales y para replantear la relación con el público (demanda y construcción de hegemonía). La interpretación de los sueños de Freud provee las bases para homologar sueño, improvisación y teatro. Se debate, además, la cuestión pedagógica y la problemática académica derivada de este encuadre, cuestionando criterios de cientificidad y aplicabilidad.

Legitimidad y acción política Norbert Bilbeny, 2018-09-26 El siglo XXI ha abierto escenarios en los que la cuestión de lo legítimo y su encaje en la ley han vuelto a plantearse con insospechada fuerza. La legitimidad se enfrenta hoy a la legalidad y a los órdenes establecidos, suscitando un intenso debate en torno a sus frentes de acción: desde la lucha por el reconocimiento y la titularidad del poder, hasta la aparición de nuevos sujetos políticos, la gobernanza y las relaciones transnacionales. En todos estos frentes, la legitimidad nos transporta a un plano radical, de manera que la pregunta por lo legítimo en la esfera pública exige una respuesta contundente y comprometida, sin medias tintas. En la presente obra, diferentes especialistas de la teoría social y política abordan la complejidad de este principio de la vida pública, cada vez más recurrente y activo, en un mundo necesitado de análisis riguroso y opinión con acento crítico.

República de los cuidados Luciana Cadahia, 2024-05-14 ¿Es posible proyectar un nuevo pacto humanista en los términos de una república feminista y plebeya El avance de las extremas derechas globales, la emergencia climática y la destrucción de los pactos democráticos del siglo XX conforman un escenario político que exige un profundo ejercicio de agudeza intelectual para quienes desean construir sociedades más justas, libres e igualitarias. Gracias a un trabajo de rigor filosófico y compromiso político —en el que conviven autores tan diversos como Vico, Hegel, Foucault, Gramsci, Heidegger, Bertomeu, Segato, de Martino o Mariátegui—, Luciana Cadahia articula un abanico de problemas relacionados con la organización popular, los afectos, la república, el populismo, la naturaleza y los cuidados, orientados por una inquietud singular: ¿es posible proyectar un nuevo pacto humanista en los términos de una república feminista y plebeya? «República de los cuidados» procura dar cuenta de este interrogante, a la vez que refuta falsas dicotomías, clichés y diversos atolladeros de la filosofía actual, que establecen una oposición insalvable entre las teorías republicanas, populistas y feministas. Vislumbra, mediante una intervención intelectual sin concesiones, una imaginación política del futuro.

Ideology, Post-Ideology and Anti-Ideology in Latin America, 2024-11-28 The Latin American political landscape has already changed substantially in the 21st century. This book offers an approach to the Latin American political panorama that makes room for a post-ideological perspective - exploring its dimensions, main underpinnings, and possibilities - while also subjecting it to criticism and exposing its shortcomings and blind spots. In doing so, it presents a pluralistic view of social

and political processes currently taking place in Latin America. Each chapter casts light on the subcontinent's transition from the 20th to the 21st century from different vantage points, countries or regions, and advances comparative lines that enrich our picture of the region as whole. Case studies include Paraguay, Chile, Argentina, Venezuela and Colombia.

From Fascism to Populism in History Federico Finchelstein, 2019-08-20 What is fascism and what is populism? What are their connections in history and theory, and how should we address their significant differences? What does it mean when pundits call Donald Trump a fascist, or label as populist politicians who span left and right such as Hugo Chávez, Juan Perón, Rodrigo Duterte, and Marine Le Pen? Federico Finchelstein, one of the leading scholars of fascist and populist ideologies, synthesizes their history in order to answer these questions and offer a thoughtful perspective on how we might apply the concepts today. While they belong to the same history and are often conflated, fascism and populism actually represent distinct political trajectories. Drawing on an expansive record of transnational fascism and postwar populist movements, Finchelstein gives us insightful new ways to think about the state of democracy and political culture on a global scale. This new edition includes an updated preface that brings the book up to date, midway through the Trump presidency and the election of Jair Bolsonaro in Brazil.

Discursive Approaches to Sociopolitical Polarization and Conflict Laura Filardo-Llamas, Esperanza Morales-López, Alan Floyd, 2021-11-17 This collection explores the discursive strategies and linguistic resources underpinning conflict and polarization, taking a multidisciplinary approach to examine the ways in which conflict is constructed across a diverse range of contexts. The volume is divided into two sections as a means of identifying two different dimensions to conflict construction and bridging the gap between different perspectives through a constructivist framework. The first part comprises chapters looking at sociopolitical conflicts across specific geographic contexts across the US, Europe and Latin America. The second half of the book unpacks sociocultural conflicts, those not defined by physical borders but shaped by ideological differences on core values, such as on religion, gender and the environment. Drawing on frameworks across such fields as linguistics, critical discourse analysis, rhetoric studies and cognitive studies, the book offers new insights into the discursive polarization that permeates contemporary communicative interactions and the ways in which a better understanding of conflict and its origins might serve as a mechanism for providing new ways forward. This book will be of particular interest to students and scholars in critical discourse analysis, linguistics, rhetoric studies and peace and conflict studies.

Por un populismo de izquierda Chantal Mouffe, 2019-11-20 La hegemonía neoliberal que se impuso hasta la crisis financiera de 2008 es mucho más que políticas de austeridad, financierización de la economía a expensas de la economía productiva, gobierno de expertos y brecha cada vez mayor entre élites privilegiadas que toman las decisiones y una sociedad que sólo se despierta cuando ve afectada su capacidad de consumo. Esa hegemonía trajo consigo la posdemocracia, la

indiferencia política, la sospecha de que no hay alternativas posibles a los dictados del establishment. O de que cualquier alternativa anti statu quo está marcada con el estigma del extremismo o el populismo. Este ensayo advierte cómo la crisis de la hegemonía neoliberal ha abierto un momento populista, que equivale al regreso de la política y a la oportunidad de profundizar la democracia. El aumento de las desigualdades genera múltiples resistencias, demandas, luchas, y esas resistencias son transversales y heterogéneas: los trabajadores, los excluidos, los inmigrantes, las clases medias precarizadas, el movimiento de mujeres, la comunidad LGBT. ¿Qué significa esto para la izquierda? La ocasión de articular esas demandas con discurso y creatividad, y sin menospreciarlas, dando respuestas progresistas incluso a los reclamos (por orden, por seguridad) que sólo parece reconocer la derecha. Por un populismo de izquierda no llama a terminar con las instituciones de la democracia representativa, sino a revitalizarlas desde dentro, para que inclinen la balanza a favor de mayor igualdad. Pero para eso hay que trazar una frontera política entre un populismo de derecha que entiende al pueblo de manera restrictiva, dejando afuera a quienes amenacen la identidad nacional y las claves del consenso, y un populismo de izquierda que apueste a radicalizar la democracia. Esa frontera no implica alimentar un antagonismo vacío sino reinventar, para los ciudadanos, la posibilidad misma de elegir qué sociedad quieren construir.

When somebody should go to the books stores, search establishment by shop, shelf by shelf, it is essentially problematic. This is why we present the books compilations in this website. It will enormously ease you to see guide **La Razon Populista Laclau** as you such as.

By searching the title, publisher, or authors of guide you truly want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best area within net connections. La Razon Populista Laclau Introduction

In the digital age, access to information has become easier than ever before. The ability to download La Razon Populista Laclau has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download La Razon Populista Laclau has opened up a world of possibilities. Downloading La Razon Populista Laclau provides numerous advantages over physical copies of books and documents. Firstly,

it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading La Razon Populista Laclau has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download La Razon Populista Laclau. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites,

granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading La Razon Populista Laclau. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading La Razon Populista Laclau, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the

ability to download La Razon Populista Laclau has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About La Razon Populista Laclau Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many

reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. La Razon Populista Laclau is one of the best book in our library for free trial. We provide copy of La Razon Populista Laclau in digital format, so the resources that you find are reliable. There are also many Ebooks of related with La Razon Populista Laclau. Where to download La Razon Populista Laclau online for free? Are you looking for La

Razon Populista Laclau PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another La Razon Populista Laclau. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of La Razon Populista Laclau are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of

thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with La Razon Populista Laclau. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with La Razon Populista Laclau To get started finding La Razon Populista Laclau, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with La Razon Populista Laclau So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading La Razon Populista Laclau. Maybe you have knowledge that,

people have search numerous times for their favorite readings like this La Razon Populista Laclau, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. La Razon Populista Laclau is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, La Razon Populista Laclau is universally compatible with any devices to read.
