

Libro Historia De La Iglesia

Jean Comby

Introducción a la historia de la iglesia Justo L. González, 2011 Introducción a la historia de la iglesia es una obra formidable en la que de manera amena, entretenida y sin dejar de ser académica, el Dr. Justo González repasa los acontecimientos fundamentales que sucedieron en la historia de la iglesia y que le han dado cuerpo. Este libro es fundamental como introducción para entender el porqué la iglesia tiene la forma que tiene en la actualidad, y servirá de base para cualquiera que desee adentrarse en los detalles de tan extensa y a veces complicada historia. Written in Spanish by the renowned Hispanic author Justo L. González, this easy-to-understand and entertaining, yet academic introduction to the history of the church reviews the major events that happened in the history of the church and how they shape today's church. This book is ideal for helping readers understand today's church structure, and serves as guide for those interested in the extensive, and at times, complicated history of the church.

Historia de la Iglesia II Francisco Martín Hernández, José Carlos Martín de la Hoz, 2011-08-17 Por su carácter sintético y asequible, la Historia de la Iglesia en la época moderna, constituye un libro muy adecuado para introducirse en este apasionante periodo de la Iglesia; una obra que puede ser usada como manual o como libro de lectura. Los autores de esta obra, después de muchos años de docencia e investigación, nos ofrecen una completa y accesible exposición de la Historia de la Iglesia en uno de los periodos más apasionantes y decisivos para la Iglesia: la época moderna. Comenzando por el Renacimiento y siguiendo por el tumultuoso mundo de la reforma protestante y la respuesta católica, van desgranando paso a paso todos los sucesos de unos siglos que han marcado para siempre a la Iglesia y al mundo: el abandono de la Cristiandad medieval, la ruptura de la unidad de la Iglesia con las consiguientes guerras de religión, la grandeza del movimiento espiritual de respuesta católica con Trento y las nuevas órdenes religiosas, la evangelización de América, la evolución del Papado, los retos ideológicos y religiosos que plantea la Ilustración y que conducen a la tragedia de la Revolución francesa, etc. Por su carácter sintético y asequible, la Historia de la Iglesia en la época moderna, constituye un libro muy adecuado para introducirse en este periodo de la Historia de la Iglesia y puede ser usado como manual o como libro de lectura. Francisco Martín Hernández es Doctor en Historia de la Iglesia por la Universidad Gregoriana de Roma, en Filosofía y Letras por la Universidad Complutense de Madrid y Catedrático Emérito de Historia de la Iglesia de la Universidad Pontificia de Salamanca. Entre sus obras publicadas destacan La formación clerical en los colegios universitarios españoles (1961); Los

Seminarios españoles: Historia y pedagogía (1964), Obras completas de San Juan de Ávila 3 vols. (1990); Don Vasco de Quiroga, Protector de los Indios (1993); Historia de la Iglesia Moderna (Madrid 2005, 3a edición); Historia de la Iglesia en España (2009), estos dos últimos en Ediciones Palabra. José Carlos Martín de la Hoz es Licenciado en Geología por la Universidad Complutense de Madrid y Doctor en Teología por la Universidad de Navarra. Es Fundador de las Academias de Historia Eclesiástica de Sevilla y Valencia, de las que ha sido Secretario General y forma parte del Instituto para el estudio de la Escuela de Salamanca. Entre sus publicaciones destacan: La Iglesia en América: Siglos XVI-XX (1992); Enigmas de la Iglesia 3 vols. (1996-1998); Historia de la Iglesia en España (2009), Inquisición y confianza (2010) y El Islam y España (2010).

Historia de la Iglesia y del mundo que contiene los sucesos desde su creacion hasta el diluvio Gabriel Álvarez de Toledo y Pellicer, 1614

Para leer la historia de la Iglesia Jean Comby, 2007 He aquí un recorrido de veinte siglos de historia de la Iglesia. ¿Cuáles son los rasgos principales de su proceso histórico y de su método? En primer lugar, no separar la historia de la Iglesia de la historia general de la humanidad. Los cristianos viven en el mundo y muchos acontecimientos políticos, sociales y económicos han determinado la vida de la Iglesia. Después, utilizar todas las huellas del pasado: edificios, obras de arte, excavaciones arqueológicas. Por último, presentar directamente a los lectores las fuentes escritas. Este volumen concede un lugar tan importante a los textos del pasado como a la presentación de los acontecimientos. Y ofrece las claves para situar los textos, entenderlos y valorarlos. Jean Comby, profesor en las Facultades católicas de Lyon, plantea la pregunta: “¿En qué consiste ser cristiano?” Y muestra con vigor que estudiar la condición del cristiano de los primeros siglos o de la Edad Media puede proporcionar una respuesta parcial, aunque capital, a los interrogantes más actuales.

Iglesia Universidad de Buenos Aires. Instituto de Investigaciones Históricas, 1927

La herejía de seguir a Jesús David Fernández, Fernández Fernández Fernández, 2003

American Ecclesiastical Review Herman Joseph Heuser, 1928

Memoria Nicaragua Ministerio de Instrucción Pública, 1919

El Discípulo Relacional, Jesús vive con sus discípulos por tres años enseña lecciones de vida en grupo. Luego de tres años les mandó que fueran e hicieran lo mismo (Mateo 28:18-20). Jesús's discípulo a sus seguidores por medio de relaciones interpersonales-y espera que nosotros hagamos lo mismo. A lo largo de las Escrituras encontramos abundantes exhortaciones a servirnos unos a otros. Este libro le mostrará cómo hacerlo. La vida de aislamiento de la cultura occidental de hoy crea un deseo por vivir en comunidad y el mundo entero anhela ver discípulos relacionales en acción. Este libro alienta a los seguidores de Cristo a permitir que Dios use las relaciones naturales de la vida: familia, amigos, compañeros de trabajo, células, iglesia y misiones para moldearlos como discípulos relacionales.

Introducción a la Historia de la Iglesia AETH, 2011 Annotation Introducción a la historia de la iglesia es una obra

Historia de la Iglesia II Francisco Martín Hernández, 2000 Este libro relata los acontecimientos de uno de los períodos más apasionantes y decisivos para la Iglesia: la época moderna.

Iglesia reconfigurada Frank Viola, 2012-04-17 El autor Frank Viola les da a los lectores un lenguaje que muy seguramente no sabían que faltaba en su experiencia en la iglesia moderna. El cree que muchas de las congregaciones de hoy han cambiado la intención original de Dios para la iglesia. Como líder destacado del movimiento de las iglesias caseras, Frank está al frente de una revolución que está barriendo a través del cuerpo de Cristo, un cambio que está retando el estado espiritual existente y redefiniendo la misma naturaleza de la iglesia. Un movimiento inspirado por el diseño divino para la autenticidad en la comunidad. Un concepto fresco arraigado en la historia y en Dios mismo.

Iglesia: 1609-1614 Universidad de Buenos Aires. Instituto de Investigaciones Históricas, 1927

La Ortodoxia de la Iglesia Watchman Nee, 2005-07

Historia de la Iglesia Gabriela Alejandra Peña, 2021-01-05 Historia de la Iglesia es un libro que intenta ser algo así como el diario o la crónica de un largo y apasionante viaje que comenzó con Jesús de Nazaret, en Galilea, cuando Él invitó a algunos hombres y mujeres a seguirlo, a ponerse en marcha. Desde entonces ha ido incorporando a numerosos viajeros a lo largo del tiempo y del espacio. Pero es un viaje que comenzó, que sabe cuál es su meta y que hasta ahora no se ha detenido. Creo que la metáfora del viaje se aplica perfectamente al contenido del que nos ocupamos en el texto, que es la Historia de la Iglesia. Como en todo viaje, y en especial uno tan extenso y que involucra a tantas personas, lugares y circunstancias, también hay mucho para contar. Muchísimo. Y nunca, por más minucioso que sea, ningún relato puede abarcarlo todo. Tampoco este. Es solo un primer intento de dar a conocer algunas de las vicisitudes y vivencias propias y ajenas: las que personalmente protagonizamos, las que nos contaron, aquellas cuyos testimonios hemos visto, las que nadie nos contó pero

se han conservado en la memoria colectiva, las que escuchamos contar que otros contaron... He intentado atenerme a los criterios científicos de mi disciplina y mantener una visión de conjunto, lo más objetiva e imparcial posible. Pero tampoco he podido prescindir de algo de pasión, porque la historia es, antes que nada, vida, vida de hombres y mujeres como nosotros, y la vida siempre apasiona. Y, como soy creyente, para mi la historia de la Iglesia es, además, el lugar por excelencia para experimentar la vida y la acción de Dios en medio de su pueblo. En la vida humana, en la vida de las personas, de las comunidades, del mundo, Dios se revela, se nos hace cercano, nos habla, nos invita a vivir en Él. Eso me fascina, me entusiasma y me conmueve; y puede hacer que, en algunos momentos, mi propia subjetividad se haya colado al texto. El lector comprenderá apenas comience a andar por las páginas que en este, como en todo viaje, se han producido cambios, contratiempos y auxilios. En algunas épocas se marchaba a pie, en otras a caballo, en automóvil, en barco o en avión y sabemos que todos esos medios son buenos y útiles, llevan felizmente a destino en el plazo estimado; pero también sabemos que a veces los pies se ampollan, las cabalgaduras se cansan, los automóviles recalientan, el mar se embravece y dificulta la navegación, las tormentas retrasan los vuelos. Todo eso ha sucedido a lo largo de esta travesía de 2000 años que es la historia de la Iglesia. Pero lo importante es que, aunque haya habido que demorar o cambiar el medio de transporte, el viaje continúa.
