Covering four hundred works by sixty-eight composers from Corelli to Shostakovich, this engaging companion explores and unpacks the most frequently performed works, including symphonies, concertos, overtures, suites, and ballet scores. The Jasper Love Trilogy Onyx Cantor, 2020-03-02 This is the story of one man's triumph over Cult Religion. As a preacher's son, Jasper Love struggled to comply with the dogma and bigotry of the unpredictably changeable Doctrine of Good Enough dictated by Cult Religion. He and four sisters labored to comply with cult demands consistent with their mother's mantra: “People expect preacher's kids to be perfect.” The Voice of Truth (bestowed on Jasper as a child in a genuine salvation encounter with Jesus Christ) conflicts with voices of deception from pulpits and pews, triggering crippling anxiety, depression, and suicidal ideation. Further compounding his confusion is a terrifying awareness of the cult's distortion of scripture concerning his innate identity. When a Connecticut preacher detects his private struggle, the Bible scholar promises: “If you marry a good Pentecostal girl, this thing will just fade away.” Jasper foolishly accepts the challenge, believing that the pastor's counsel is based on Truth. A 32-year battle ensues, during which a Pentecostal preacher's daughter who, aware of his struggle and trained in Exploitation of Advantage, manipulates and controls the miserable husband who strives to suppress and conceal an innate identity which “simply won't leave me alone.” Cultists despise his genuine relationship with God when the Holy Spirit weakens the tenacious grasp of the antiChrist's claim on his soul,

rescuing him from abominable doctrines through Spiritual Enlightenment to Truth Absolute. Spiritual Warfare ensues, during which he is molested by authority figures, betrayed by cult dishonesty, falls into sin, is attacked by demons, and is delivered by the Holy Ghost through visions of spiritual combat between the demons of Cult Religion and the Angels of Truth. In the end, his foolish attempt to conform with the Doctrine of Good Enough predictably results in the destruction of everything he wasted a lifetime building: marriage, family, home, career, material wealth, and reputation. Yet, in losing all, he is delivered from the Darkness of cult idolatry, whereupon he is finally free to immerse himself in genuine Truth, Light, and Love, breaking the tyrannical chains of Cult Religion. Released by the Holy Spirit from cult bondage, he is at last unleashed to fulfill his destiny: To teach the Truth about Jasper Love (that boundless, unconditional love known only to those who genuinely experience Spiritual Enlightenment) to a people deceived by the hateful harlots of idolatry who are nothing more than power-crazed, authoritarian, self-aggrandizing, despotic antiChrist heretics who worship only one god - CONTROL.

Sultan of Swing Michael Crick, 2018-10-25 Sir David Butler pioneered the science of elections, transforming the way we analyse election results. In 1945, aged only twenty, Butler was the first to turn British constituency results into percentages, and thereby founded the science of psephology. Appearing as an expert on Britain's first TV election night in 1950, he promoted the idea of 'swing' to explain gains and losses to the public. Later, he invented the BBC's popular Swingometer, which is still used today. He has publicly analysed every British general election since the Second World War, and done more than anyone to transform TV coverage of elections, with a style that combined authority and showmanship with his phenomenal memory for facts and figures. First summoned by Churchill for polling advice when he was only twenty-five, David Butler got to know most of Britain's senior post-war politicians and has acted as a highly influential voice behind the scenes. He wrote dozens of books and taught scores of leading figures in politics and the media around the world, building a huge international reputation which regularly took him to America, Australia and India. Award-winning TV correspondent Michael Crick has known David Butler for forty years. In *Sultan of Swing*, based on interviews with Butler himself, his friends, family and colleagues, and with access to many previously unseen papers, Crick chronicles the long and energetic life of the greatest analyst of British elections – a story that weaves its way through post-war history with surprises, colour and humour.
