When Hitler Stole Pink Rabbit (HarperCollins Children's Classics) Judith Kerr, 2024-08-28 This semi-autobiographical classic, written by the beloved Judith Kerr, tells the story of a Jewish family escaping Germany in the days before the Second World War. Suppose your country began to change. Suppose that without your noticing, it became dangerous for some people to live in it any longer, and you found, to your surprise, that your own father was one of those people. This is what happened to Anna in 1933. Anna is too busy with her schoolwork and tobogganing to listen to the talk of Hitler. But one day she and her brother Max are rushed out of Germany in alarming secrecy, away from everything they know. Their father is wanted by the Nazis. This is the start of a huge adventure, sometimes frightening, very often funny and always exciting. Judith Kerr wrote *When Hitler Stole Pink Rabbit* fifty years ago, based on her own journey, so that her own children would know where she came from and the lengths to which her parents went to keep her and her brother safe. It has gone on to become a beloved classic that is required reading for many children all over the world and is an unforgettable introduction to the real-life impact of the Second World War.

Comparison between "When Hitler Stole Pink Rabbit" and "Life Is Beautiful" Anastasia Deibert, 2008-04-24
Seminar paper from the year 2006 in the subject English Language and Literature Studies - Literature, grade: 1,7, University of Stuttgart (Institut für Literaturwissenschaft/ Neuere Englische Literatur), course: Introduction to Children's Literature, language: English, abstract: In the following pages I want to show the similarities and differences between the book "When Hitler Stole Pink Rabbit" by Judith Kerr and Roberto Benigni's film "Life Is Beautiful". These two personal statements of Judith Kerr and Roberto Benigni already show that their works are a bit different. Therefore I will concentrate both as well on the shared features as on the distinct ones. The romantic fairy tale "Life Is Beautiful" won Academy Awards for Best Music and Best Foreign Language Film and Benigni won Best Actor for his role. It was also the winner at the Cannes Film Festival in 1998 and it won the Best Jewish Experience Award at the Jerusalem International Film Festival. After a short comparison of the characters, the setting and time I will continue with the problems a family have when living a life in exile. Afterwards, I will analyse both works with reference to the attitude of life and to the family togetherness. Furthermore, I will try to examine the contrasts between "When Hitler Stole Pink Rabbit" and "Life Is Beautiful" regarding fantasy and reality and the question arises as to whether the children can be considered as victims. The next important aspect is the representation of the Holocaust and teaching this topic in school. Finally, I will discuss the ending of both "Life Is Beautiful" and "When Hitler Stole Pink Rabbit". The conclusion will comprise the main points and some suggestions for further discussion. The main character in "Life Is Beautiful" Guido Orefice is always in a good mood and he doesn't lose his laughter and humour even in the concentration camp. "Life Is Beautiful" is about a happy living family that is suddenly deported into a concentration

camp. But Guido wants to protect his son Giosuè from the horrors by convincing him that the camp is just a game. “Life Is Beautiful” as well as “When Hitler Stole Pink Rabbit” is about a Jewish family during the World War II. You can draw a comparison between Guido and the father of Anna and Max because both of them want only the best for their children. Guido protects his son from the horrors which surround them with all his power and Anna’s father cares also well for his family. He is the only one who earns money in spite of the financial difficulties in Switzerland and France. Both try to hold the family together and to give the other family members emotional security.

The Holocaust across Borders Hilene S. Flanzbaum, 2021-06-29 “Literature of the Holocaust” courses, whether taught in high schools or at universities, necessarily cover texts from a broad range of international contexts. Instructors are required, regardless of their own disciplinary training, to become comparatists and discuss all works with equal expertise. This book offers analyses of the ways in which representations of the Holocaust—whether in text, film, or material culture—are shaped by national context, providing a valuable pedagogical source in terms of both content and methodology. As memory yields to post-memory, nation of origin plays a larger role in each re-telling, and the chapters in this book explore this notion covering well-known texts like *Night* (Hungary), *Survival in Auschwitz* (Italy), *MAUS* (United States), *This Way to the Gas* (Poland), and *The Reader* (Germany), while also introducing lesser-known representations from countries like Argentina or Australia.

Christian-Jewish Relations Through the Centuries Stanley E. Porter, Brook W. Pearson, 2004-12-19 Christian-Jewish relations have had changing fortunes throughout the centuries. Occasionally there has been peace and even mutual understanding, but usually these relations have been ones of tension, often involving recrimination and even violence. This volume addresses a number of the major questions that have been at the heart and the periphery of these tenuous relations through the years. The volume begins with a number of papers discussing relations as Christianity emerged from and defined itself in terms of Judaism. Other papers trace the relations through the intervening years. And a number of papers confront issues that have been at the heart of the troubled twentieth century. In all, these papers address a sensitive yet vital set of issues from a variety of approaches and perspectives, becoming in their own way a part of the ongoing dialogue.

The History of British Women's Writing, 1945-1975 Clare Hanson, Susan Watkins, 2017-09-14 This volume reshapes our understanding of British literary culture from 1945-1975 by exploring the richness and diversity of women’s writing of this period. Essays by leading scholars reveal the range and intensity of women writers’ engagement with post-war transformations including the founding of the Welfare State, the gradual liberalization of attitudes to gender and sexuality and the reconfiguration of Britain and the empire in the context of the Cold War. Attending closely to the politics of form, the sixteen essays range across ‘literary’, ‘middlebrow’ and ‘popular’ genres, including espionage thrillers and historical fiction,

children's literature and science fiction, as well as poetry, drama and journalism. They examine issues including realism and experimentalism, education, class and politics, the emergence of 'second-wave' feminism, responses to the Holocaust and mass migration and diaspora. The volume offers an exciting reassessment of women's writing at a time of radical social change and rapid cultural expansion.

Intergenerational Solidarity in Children's Literature and Film Justyna Deszcz-Tryhubczak, Zoe Jaques, 2021-02-01
Winner of the 2023 Edited Book Award from the International Research Society for Children's Literature Contributions by Aneesh Barai, Clémentine Beauvais, Justyna Deszcz-Tryhubczak, Terri Doughty, Aneta Dybska, Blanka Grzegorzczak, Zoe Jaques, Vanessa Joosen, Maria Nikolajeva, Marek Oziewicz, Ashley N. Reese, Malini Roy, Sabine Steels, Lucy Stone, Björn Sundmark, Michelle Superle, Nozomi Uematsu, Anastasia Ulanowicz, Helma van Lierop-Debrauwer, and Jean Webb
Intergenerational solidarity is a vital element of societal relationships that ensures survival of humanity. It connects generations, fostering transfer of common values, cumulative knowledge, experience, and culture essential to human development. In the face of global aging, changing family structures, family separations, economic insecurity, and political trends pitting young and old against each other, intergenerational solidarity is now, more than ever, a pressing need. *Intergenerational Solidarity in Children's Literature and Film* argues that productions for young audiences can stimulate intellectual and emotional connections between generations by representing intergenerational solidarity. For example, one essayist focuses on Disney films, which have shown a long-time commitment to variously highlighting, and then conservatively healing, fissures between generations. However, Disney-Pixar's *Up* and *Coco* instead portray intergenerational alliances—young collaborating with old, the living working alongside the dead—as necessary to achieving goals. The collection also testifies to the cultural, social, and political significance of children's culture in the development of generational intelligence and empathy towards age-others and positions the field of children's literature studies as a site of intergenerational solidarity, opening possibilities for a new socially consequential inquiry into the culture of childhood.

Jews and Jewishness in British Children's Literature Madelyn Travis, 2013-09-02
In a period of ongoing debate about faith, identity, migration and culture, this timely study explores the often politicised nature of constructions of one of Britain's longest standing minority communities. Representations in children's literature influenced by the impact of the Enlightenment, the Empire, the Holocaust and 9/11 reveal an ongoing concern with establishing, maintaining or problematising the boundaries between Jews and Gentiles. Chapters on gender, refugees, multiculturalism and historical fiction argue that literature for young people demonstrates that the position of Jews in Britain has been ambivalent, and that this ambivalence has persisted to a surprising degree in view of the dramatic socio-cultural changes that have taken place over two centuries. Wide-ranging in scope and interdisciplinary in approach, *Jews and Jewishness in British Children's Literature* discusses over one hundred texts ranging from picture books to young adult fiction and realism to fantasy.

Madelyn Travis examines rare eighteenth- and nineteenth-century material plus works by authors including Maria Edgeworth, E. Nesbit, Rudyard Kipling, Richmal Crompton, Lynne Reid Banks, Michael Rosen and others. The study also draws on Travis's previously unpublished interviews with authors including Adele Geras, Eva Ibbotson, Ann Jungman and Judith Kerr.

Heinrich Böll and Ireland Gisela Holfter,2011-07-12 Nobel Prize winning author Heinrich Böll's *Irishes Tagebuch* (Irish Journal) which was first published in 1957, has been read by millions of German readers and has had an unsurpassed impact on the German image of Ireland. But there is much more to Heinrich Böll's relationship with Ireland than the *Irishes Tagebuch*. In this new book, Böll scholar Gisela Holfter carefully charts Heinrich Böll's personal and literary connections with Ireland and Irish literature from his reading Irish fairytales in early childhood, to establishing a second home on Achill Island and his and his wife Annemarie's translations of numerous books by Irish authors such as Brendan Behan, J. M. Synge, G. B. Shaw, Flann O'Brien and Tomás O'Crohan. This book also examines the response in Ireland to Böll's works, notably the controversy that ensued following the broadcast of his film *Irland und seine Kinder* (Children of Eire) in the 1960s. Heinrich

Böll and Ireland offers new insights for students, academics and the general reader alike.
