The Gospel of the Working Class Erik S. Gellman, Jarod Roll, 2011-07-15 In this exceptional dual biography and cultural history, Erik S. Gellman and Jarod Roll trace the influence of two southern activist preachers, one black and one white, who used their ministry to organize the working class in the 1930s and 1940s across lines of gender, race, and geography. Owen Whitfield and Claude Williams, along with their wives Zella Whitfield and Joyce Williams, drew on their bedrock religious beliefs to stir ordinary men and women to demand social and economic justice in the eras of the Great Depression, New Deal, and Second World War. Williams and Whitfield preached a working-class gospel rooted in the American creed that hard, productive work entitled people to a decent standard of living. Gellman and Roll detail how the two preachers galvanized thousands of farm and industrial workers for the Southern Tenant Farmers Union and the Congress of Industrial Organizations. They also link the activism of the 1930s and 1940s to that of the 1960s and emphasize the central role of the ministers' wives, with whom they established the People's Institute for Applied Religion. This detailed narrative illuminates a cast of characters who became the two couples' closest allies in coordinating a complex network of activists that transcended Jim Crow racial divisions, blurring conventional categories and boundaries to help black and white workers make better lives. In chronicling the shifting contexts of the actions of Whitfield and Williams, *The Gospel of the Working Class* situates Christian theology within the struggles of some of America's most downtrodden workers, transforming the dominant narratives of the era and offering a fresh view of the promise and instability of religion and civil rights unionism.

Life, I Don't Have the Answers. You Do: I Am Still Here James Alexander Posley McTaggart III, 2014-12-11 His earliest memories swirl with vivid, colorful ambitions of a creative life helping others. From his days as a child in Brooklyn, New York, James Alexander Posley McTaggart III has let his imagination guide and inspire him. Now a professional counselor and mentor, he channels those ambitions to the page. In college, he began each day with a writing exercise he called "Morning Pages," in which he would write until he had filled three pages. This practice inspired a lifelong devotion to daily writing, where he realized his creative mind was motivated by the young child with the command-of-lights imagination within. As an adult, he battles with depression, and in the pages of his journals, he has created his own therapeutic approach to self-healing. In *Life, I Don't Have The Answers, You Do; I Am Still Here*, he shares a collection of inspiring and thought-provoking quotes and thoughts designed to inspire readers. The process of writing his first book moved him deeply; he cried, laughed, doubted, praised, and expressed every human emotion possible. It was, for him, a cathartic and serendipitous affair. A bold new collection of stream-of-consciousness writings and musings about life, love, faith, hope, healing, and creativity, *Life, I Don't Have The Answers, You Do: I Am Still Here* invites readers to explore their own inner playgrounds for answers.
