If yes, then this book is for you. As senior creative director of India's largest advertising agency, Neeti Palta had everything going for her till she gave it all up to become an accomplished standup comedian. After a remarkable stint as an RJ, Malini Agarwal took the entrepreneurial plunge and is today a media maven with her brand, Missmalini.com. Dare to Be chronicles the success stories of fourteen such women who have dared to turn these pipe dreams into thriving enterprises. Courageous Philanthropy takes the reader on an inspiring two-decade-long journey to address the power dynamics between foundations and communities by each owning their own change and shows how working across differences and

deliberating across cultures, faiths, ages, genders, and education levels to achieve change can be our now and not just our hopeful picture of the future. It is time, Vanica contends, to forge a new, more courageous relationship between foundations and the communities they seek to serve.
