Il Paese Di Cuccagna Matilde Serao,2020-11-28 Matilde Serao pubblicò *Il paese di Cuccagna* a puntate su *Il Mattino*, quotidiano da essa stessa diretto, nel 1890 e l'anno dopo in volume. Sensibile alle tematiche sociali, l'autrice si occupa in questo romanzo del gioco del lotto e degli effetti devastanti che esso ha sui vari strati della popolazione. Attraverso le storie drammatiche dei vari personaggi, segue il lento avanzare della rovina morale e materiale provocata dalla febbre del gioco, soffermandosi su quella cornice di cabala e mistero che lo circonda e che fondendosi con credenze e tradizioni locali contribuisce al suo dilagare. Il romanzo rappresenta anche un'importante e accurata testimonianza della società e della cultura partenopea di fine Ottocento, ma a differenza della letteratura verista e delle opere di Verga, di cui subisce l'influenza, si caratterizza per il forte carattere di denuncia in esso presente, come del resto il più famoso *Il ventre di Napoli*.

Nineteenth-Century Italian Women Writers and the Woman Question Catherine Ramsey-Portolano,2020-10-01

Nineteenth-Century Italian Women Writers and the Woman Question focuses on the literary, journalistic and epistolary production of Italian woman writer Neera, pseudonym for Anna Radius Zuccari, one of the most prolific and successful women writers of late nineteenth-century Italy. This study proposes to bring Neera out of the shadows of literary marginality to which she has long been confined by analyzing her contribution to literary and cultural debates as testimony to the pivotal role she played in the creation of a female literary voice within the Italian fin-de-siècle context. Drawing from the Anglo-American feminist critical tradition; modern Italian feminist theory on the maternal order and sexual difference; and a close reading of Neera's literary, theoretical and epistolary writings this volume examines Neera's work from a three-pronged perspective: as promoter of a maternal order in contrast to the existent paternal order, as one of few women writers to

participate actively in Italy's verismo movement and as epistolary correspondent of leading representatives within fin-de-siècle Italian literary and journalistic circles. Nineteenth-Century Italian Women Writers and the Woman Question represents the first monographic volume in English dedicated exclusively to this important Italian woman writer, repositioning her within the Italian literary landscape and canon.

The Befana Is Returning Steve Siporin,2022-08-16 On the night of January 5, in certain areas of southern Tuscany, a costumed, singing troupe of characters visits residents' homes, expecting to be fed and feted. This is the Befanata, a mumming tradition centered in Tuscany, whose main character--the Befana--is a kindly old woman or grandmotherly witch who delivers toys, candies, and gifts. The Befana Is Returning is a deeply researched, deftly insightful presentation of this living tradition that adds a large missing piece to the array of contemporary ethnographic scholarship on mumming.

Opera and Sovereignty Martha Feldman,2010-10-05 Performed throughout Europe during the 1700s, Italian heroic opera, or opera seria, was the century's most significant musical art form, profoundly engaging such figures as Handel, Haydn, and Mozart. Opera and Sovereignty is the first book to address this genre as cultural history, arguing that eighteenth-century opera seria must be understood in light of the period's social and political upheavals. Taking an anthropological approach to European music that's as bold as it is unusual, Martha Feldman traces Italian opera's shift from a mythical assertion of sovereignty, with its festive forms and rituals, to a dramatic vehicle that increasingly questioned absolute ideals. She situates these transformations against the backdrop of eighteenth-century Italian culture to show how opera seria both reflected and affected the struggles of rulers to maintain sovereignty in the face of a growing public sphere. In so doing, Feldman explains why the form had such great international success and how audience experiences of the period differed from ours today. Ambitiously interdisciplinary, Opera and Sovereignty will appeal not only to scholars of music and anthropology, but also to those interested in theater, dance, and the history of the Enlightenment.

The Annual Register of World Events Edmund Burke,1928

The Annual Register Edmund Burke,1928 Continuation of the reference work that originated with Robert Dodsley, written and published each year, which records and analyzes the year's major events, developments and trends in Great Britain and throughout the world. From the 1920s volumes of The Annual Register took the essential shape in which they have continued ever since, opening with the history of Britain, then a section on foreign history covering each country or region in turn. Following these are the chronicle of events, brief retrospectives on the year's cultural and economic developments, a short selection of documents, and obituaries of eminent persons who died in the year.

Heroes and Marvels of the Middle Ages Jacques Le Goff, 2020-06-15 Heroes and Marvels of the Middle Ages is a history like no other: it is a history of the imagination, presented between two celebrated groups of the period. One group consists of heroes: Charlemagne, El Cid, King Arthur, Orlando, Pope Joan, Melusine, Merlin the Wizard, and also the fox and the unicorn. The other is the miraculous, represented here by three forms of power that dominated medieval society: the cathedral, the castle, and the cloister. Roaming between the boundaries of the natural and the supernatural, between earth and the heavens, the medieval universe is illustrated by a shared iconography, covering a vast geographical span. This imaginative history is also a continuing story, which presents the heroes and marvels of the Middle Ages as the times defined them: venerated, then bequeathed to future centuries where they have continued to live and transform through remembrance of the past, adaptation to the present, and openness to the future.
