Canada's Best Features, 2002-01-01 Long recognized for outstanding National Film Board documentaries and innovative animated movies, Canada has recently emerged from the considerable shadow of the Hollywood elephant with a series of feature films that have captured the attention of audiences around the world. This is the first anthology to focus on Canada's feature films - those acknowledged as its very best. With essays by senior academics and leading scholars from across the country as well as some fresh new voices, Canada's Best Features offers penetrating analyses of fifteen award-winning films. Internationally acclaimed directors David Cronenberg, Atom Egoyan, Denys Arcand, and Claude Jutra are represented here. Noteworthy films include *Mon oncle Antoine*, often cited as Canada's number one film of all time, such Cannes Festival favourites as *Le déclin de l'empire américain* and *Exotica*, and cult films *Careful* by Guy Maddin and *Masala* by Srinivas Krishna. The essays offer the latest word on these films and filmmakers, done from a variety of perspectives. Some of the films have never been examined in-depth before. Complete filmographies and bibliographies accompany each essay. A contextualizing introduction by Professor Gene Walz provides the necessary overview. An annotated bibliography of books on the Canadian film industry completes this impressive package.

In some chapters in this book, the recipes are grouped by type of recipe; in the others, they are organized in the order of chile peppers' spread around the globe: South and Central America, Mexico, the Caribbean, U.S.A., Europe, the Mediterranean and Middle East, Africa, the Indian subcontinent, and Asia and the Pacific. The book is truly the very best the world has to offer in terms of great spicy foods "When it comes to hellfire, no one can turn up the heat like Dave DeWitt." —Steven Raichlen, author of Project Smoke

Becoming American, Being Indian Madhulika S. Khandelwal, 2018-08-06 Since the 1960s the number of Indian immigrants and their descendants living in the United States has grown dramatically. During the same period, the make-up of this community has also changed—the highly educated professional elite who came to this country from the subcontinent in the 1960s has given way to a population encompassing many from the working and middle classes. In her fascinating account of Indian immigrants in New York City, Madhulika S. Khandelwal explores the ways in which their world has evolved over four decades. How did this highly diverse ethnic group form an identity and community? Drawing on her extensive interviews with immigrants, Khandelwal examines the transplanting of Indian culture onto the Manhattan and Queens landscapes. She considers festivals and media, food and dress, religious activities of followers of different faiths, work and class, gender and generational differences, and the emergence of a variety of associations. Khandelwal analyzes how this growing ethnic community has gradually become more Indian, with a stronger religious focus, larger family networks, and

increasingly traditional marriage patterns. She discusses as well the ways in which the American experience has altered the lives of her subjects.

The Warrior Poet Way John Lovell, 2023-07-11 An instant Wall Street Journal Bestseller! From the founder of the Warrior Poet Society, a daring manual on how to become a dangerous—and good—man There is a war on masculinity, and everywhere we look—on every front we hold sacred—we can see the painful reminders of this collapsing order. The chaos and crisis we are experiencing today should be a signal for men everywhere to rise up; to fight to preserve our way of life by once again walking the ancient paths. But this isn't a journey that need be taken alone. In *The Warrior Poet Way*, public speaker, former Army Ranger, and all-around patriot John Lovell offers a needed antidote to the lack of strong men in our modern world. This is a call to all men to be what they truly are. Both dangerous and good. Lovers and fighters. Lions and lambs. Both philosophical and practical, this guide dispenses essential advice on how to be a whole man, from tyranny-proofing your home to wooing the right woman. Through anecdotes of his time in the military, interviews with other men, and practicums at the end of each chapter, Lovell teaches the virtue of balance—navigating the tension between violent warrior and romantic poet—and guides men through each mental and physical change they must make to embody the ancient spirit of a real man. This is a manual for every man to use in the fight of their life—and what it takes to win. No good thing comes easy, and the life you want is just on the other end of what you don't want to do. This is the Warrior Poet Way. Are you ready to walk it?

Queen of the Pulps Laurie Powers, 2019-09-13 Daisy Bacon, the opinionated, autocratic and complex editor of Love Story Magazine from 1928 to 1947, chose the stories that would be read by hundreds of thousands of readers each week. The first weekly periodical devoted to romance fiction and the biggest-selling pulp fiction magazine in the early days of the Great Depression, Love Story sparked a wave of imitators that dominated newsstands for more than twenty years. Disparaged as a love pulp, the magazine actually championed the modern girl, bringing its heroines out of the shadows of Victorian poverty and into the 20th century. With Love Story's success, Bacon became a national spokesperson, declaring that the modern woman could have it all--in love, in marriage and in the business world. Yet Bacon herself struggled to achieve that ideal, especially in her own romantic life, built around a long-term affair with a married man. Drawing on exclusive access to her personal papers, this first-ever biography tells the story behind the woman who influenced millions of others to pursue independence in their careers and in their relationships.
