It definitely works! It helps me realize that there are many excellent options waiting for us in the future, we just need to be optimistic in the present. By Alexis Just what I needed Right when I started reading this book trouble hit my life. This book was very helpful and encouraging... By Kathy E. Talk to your problems about how big your God is, instead of talking to God about how big your problems are. Life is too valuable to be distracted by negative people. More Precious Than Gold Nanci J. Gravill, 2022-02-04 Have you ever thought that perhaps God wants to do a greater work in your heart instead of just fixing your problems? Or have you ever wanted to know God in a more meaningful way? Well, you can find both the wisdom and truth that you seek in my new book, *More Precious Than Gold*. Dr. Faith on Faith Dr. Faith E. Hartie,2021-07-26 Dr. Faith on Faith: The Realities is an inspirational read on the power and the impact of faith in the lives of everyday people and beyond. The focus is how we interact with ourselves during our self-to-self and our self-to-others life moments. The human experiences shared are compelling but still relatable and adaptable for most. The internal, invisible, and foundational faith we inherently possess ignites many psychological and physiological sentiments in us as we proceed to formulate various aspects of our global society here on earth. Numerous challenges of the social, political, economical, and emotional strata perpetuate reactions warranting expressed behaviors of love, devastation, hatred, community, struggle, apathy, empathy, sympathy, tolerance, and indulgence. The human race's prospective on faith's potency and significance in life can undoubtedly influence and or deter one's direction or chosen path of action. Your ideologies, trust, belief, conviction, and confidence serve as the fundamental pillars of your faith indoctrination. Christianity, Catholicism, Judaism, Jehovah, Hinduism, Buddhism, or Islam, the above mentioned and numerous other communities, are true believers in the Higher Power, and the generational doctrines are deeply rooted in the faith practices. Phenomenal acts of faith are recorded in history from BC to AD. Miracles and inexplicable acts that have changed the world are still occurring. Most kingdoms, countries, and continents have been affected and effected by the power and determination of faith warriors and the power of the Almighty. Men, women, boys, and girls around the world are influenced by generational faith practices, religious doctrines, and human interactions. This account of faith power is written to uphold and promote the undeniable strength, capacity, fortitude, sanctity, and gratifying spirituality that your faith provides in each and every aspect of your life. Faith rules!

Texting Faith, Hope, and Love JoAnn Willoughby Hays, 2023-05-22 I started writing down favorite scriptures, quotes, and sayings in fifth or sixth grade. I taught children's Bible classes for 42 years and public school classes for 29 years and I always found a way to use many of the quotes and sayings in all my classes. I still get excited when I see a great quote in a book or magazine, or even on a T-shirt. I have four grandchildren I adore, and I don't get to see them as often as I did when they were children, or during the pandemic. Cale is a graduate of Oklahoma Christian University and is busy with his career. Mackenzie will be a senior at the University of Oklahoma. Tate is a newlywed and is attending the Oklahoma State University's Fire Academy to become a firefighter, and our youngest, Danny, is a 6'4 basketball player who will be a junior at Edmond Memorial High School. I found a quote a few years ago from the gymnast, Gabby Douglas. She said, By now, you've probably caught on to something: my mother is always standing by with just the right scripture or inspirational saying to get me through any tough situation. I was so blessed to have my grandchildren living in the same town when they were growing up and all four of them were in my sixth grade Sunday school class. I think all of us who are grandmothers want to be like Timothy's grandmother, Lois. I read Gabby's quote and realized how important that was to her. I can't stand by my grandchildren, but I thought I can text scriptures and quotes to them. Also, Corrie ten Boom's book, The Hiding Place came out when my girls were babies. I read it during their nap times. I also watched as many of her interviews as I could. She and her family were Christians in Holland and hid hundreds of Jews being smuggled to safety in a secret hiding place in their combination home and watch and clock repair store. Her entire family was caught by the Nazis and sent to concentration camps. They weren't allowed Bibles, so they taught people using the scriptures they had memorized. I heard her tell a story of finding a broken piece of pencil and writing scriptures down on little scraps of paper and giving them to people to give them hope. That inspired me to memorize more scriptures, so I could always have a Bible close to me. I started texting scriptures and different quotes to my grandkids group once or twice a week. I prayed that this would keep them in the Word and remind them their words and actions need to glorify God. One night I needed to send a new text and it took me about thirty minutes to write one and send it. I remember thinking I wish I could go online or go to Mardel's store to find a book that had the type of devotionals I wanted. My next thought was why don't I write one. I'm retired and I already have over thirty devotionals finished. I could just add about a hundred more and I would have a book of devotionals. I said a prayer and

started compiling my devotion lesson plan book the next day.

Salvation with a Smile Phillip Luke Sinitiere, 2015-11-13 Joel Osteen, the smiling preacher, has quickly emerged as one of the most recognizable Protestant leaders in the country. His megachurch, the Houston based Lakewood Church, hosts an average of over 40,000 worshipers each week. Osteen is the best-selling author of numerous books, and his sermons and inspirational talks appear regularly on mainstream cable and satellite radio. How did Joel Osteen become Joel Osteen? How did Lakewood become the largest megachurch in the U. S.? *Salvation with a Smile*, the first book devoted to Lakewood Church and Joel Osteen, offers a critical history of the congregation by linking its origins to post-World War II neopentecostalism, and connecting it to the exceptionally popular prosperity gospel movement and the enduring attraction of televangelism. In this richly documented book, historian Phillip Luke Sinitiere carefully excavates the life and times of Lakewood's founder, John Osteen, to explain how his son Joel expanded his legacy and fashioned the congregation into America's largest megachurch. As a popular preacher, Joel Osteen's ministry has been a source of existential strength for many, but also the routine target of religious critics who vociferously contend that his teachings are theologically suspect and spiritually shallow. Sinitiere's keen analysis shows how Osteen's rebuttals have expressed a piety of resistance that demonstrates evangelicalism's fractured, but persistent presence. *Salvation with a Smile* situates Lakewood Church in the context of American religious history and illuminates how Osteen has parlayed an understanding of American religious and political culture into vast popularity and success.

Apostasy! Jeff Kluttz, 2012-01-06 Apostasy is creeping into the church from televisions, books and star-personality tours of rich and blasphemous self-proclaimed prophets of God.; many of whom are the most famous pastors and teachers in the U.S. These counterfeit shepherds teach that faith is a material substance more powerful than God, accessible to all men, and capable of creating anything man's heart can desire by the mere utterance of faith-filled-words. This doctrine has leached into all areas of the theological systems of what are known as Word of Faith churches. Virtually every major area of systematic theology in this movement has been taken captive by the repercussions of this primordial error. In this heresy,

God is limited. Man is unlimited. Satan fills a necessary role in atonement for sin. Health, wealth, power and all means of temptation are heralded as virtues of the faith while millions empty their bank accounts for the promise of such ambition. Preying on the poor and desperate, this movement is systematically fulfilling biblical prophecies concerning a latter-day apostasy within Christendom.

Your Best Life Now (Special 10th Anniversary Edition) Joel Osteen,2014-08-05 Live boldly and act on your most powerful beliefs with this life-changing guide to faith, positive thinking, and spiritual fulfillment from #1 New York Times bestselling author Joel Osteen. Pastor Joel Osteen asks everyone to examine what he or she really believes. Why is this important? Because we will become what we believe. Our beliefs will prove either a barrier or vehicle as we strive to go higher, rise above our obstacles, and to live in health, abundance, and victory. In *Your Best Life Now*, Osteen says, I am what I am today because of what I believed about myself yesterday. And I will be tomorrow what I'm believing about myself right now. God sees us as more than conquerors, able to fulfill our destiny. We need to see ourselves through the eyes of our Creator. He says that our self-image should mirror exactly what God says about us, not what we feel or think. And he encourages readers to be people of faith, for if you can see the invisible, God will do the impossible.

Seeking Truth Clinton Bezan,2020-12-11 Today people are searching for truth in a world embroiled by contradiction, misinformation and blatant lies that have created confusion, division and mistrust in society. The fear generated through terrorism and the handling of the global covid 19 pandemic have many questioning the future of mankind and turning to God for answers. For those genuinely seeking redemption through Jesus Christ, the tarnished reputation of the established Christian church offers little clarity in the path to salvation and serves as a living testimony to the fallen state of man. Where does one begin to sort through the soupy mess that religion has become and discover the true meaning of Christianity? In a revealing and illuminating examination of scripture, history and the authentic Christian message, Clinton Bezan dispels the fallacies and half truths propagated through Christian history by errant religious dogma and traditions. There is a distinct paradox that organized religion fails to recognize in its efforts to maintain growth and influence in a civilization that is increasingly devoid of moral legitimacy and is struggling to maintain its sense of purpose amid the volatile and fluid post

truth culture. It is only by returning to the basic premise of faith in Christ that there is hope for peace and purpose in the Christian life.
