

La Casa De Asterin Cuento Completo

Vicente Cervera Salinas

El laberinto en la narrativa hispanoamericana contemporánea Ludmila Kapschutschenko,1981

La casa amarilla y otros cuentos Mario Oscar Amaya,2020-05-11 Las historias aquí contadas tratan de los grandes temas humanos: el amor, el dolor, la amistad, la traición, la muerte. De una manera que hará que lo ordinario y común se vuelva sublime y excepcional. En La casa amarilla se producen transformaciones misteriosas en los personajes y en los lectores de este relato. Quién tenga la llave podrá abrir la puerta que jamás imaginó. Conocerá un futuro brillante en algún lugar del pasado y nunca más volverá. Los cuentos los harán descubrir conejas entrando por la ventana azul del patio trasero, en búsqueda de una porción de tiempo, que no es poco. Amarán a Encarnita y Alicia. Sabrán de los miércoles de Gloria y de sus pasiones tormentosas, como antes, como todas las tardes. Vivirán el último día de una vida. Renegaran junto al Yeti y reirán con Dulce y el vendedor de biblias. Una lágrima rodará por sus mejillas con María Cristina y el Polaco. Finalmente gozarán de Calisto, el rito y el gato.

Palabra clave Alberto Vital,2012-05-25 Palabra clave nos invita a viajar, de la mano de grandes personajes, a través de diversos géneros de la literatura. Alberto Vital analiza dos grandes ámbitos de la creación. En la primera parte, se adentra en los géneros literarios, los grandes e innegables pero también los que no han sido tomados como tales: la indispensable declaración amorosa o el epíteto, entre otros. Y unos más contemporáneos como la declaración ministerial; y el género pastilla, representado por la publicidad, las pintas en las calles y los pies de foto, que describen puntualmente la sociedad de lo inmediato en la que vivimos. También analiza los bestiarios de Jorge Luis Borges, Juan José Arreola y Julio Cortázar; y muestra al ensayo como una tabla de salvación al permitir abordar un tema desde tantas y diversas perspectivas. En la segunda parte, el autor reflexiona sobre los personajes más representativos de la literatura universal: la perspectiva infantil que se revela en el Kim de Kipling, las criaturas shakesperianas, los autores que se transforman en personajes, la conversión del poeta en un personaje o, bien, aquellos que, a la manera del joven Holden Caulfield, casi se vuelven omnipresentes en la vida de los lectores. Palabra clave nos invita a descubrir cómo la Maga salta de Rayuela para convertirse en una nueva Dulcinea y Oskar Matzerath se fuga de El tambor de hojalata para ir en busca de Moby Dick. Un viaje lúdico que bien vale la pena intentar.

Piñera porno Alberto Mayol,2021-11-16 Este libro no es una investigación. Es una reflexión sobre el pornográfico

presente de nuestra decadencia. Esta época tiene el símbolo de Sebastián Piñera, que es el nombre que resume todo el proceso. Es el asesino, es el asesinado; su nombre es la promesa de una época, su nombre es la decepción de una época. Aylwin, Lagos, Bachelet fueron símbolos importantes, líderes con diversos méritos. Pero había un hombre agazapado en el borde de la historia que esperaba su momento para convertirse no solo en un símbolo, sino que también en un arquetipo: Sebastián Piñera Echenique, hijo ilegítimo de la derecha, hijo ilegítimo del empresariado, un genio en situarse donde ganar; un acelerador de partículas capaz de generar a su paso bombas atómicas en la sociedad. Un Michael Corleone para el crecimiento, un Fredo Corleone para la estabilización. Genio y estúpido, pero siempre banal. Antes sencillo que muerto. El gran sujeto histórico de estos treinta años es el millonario exitoso, el hombre que se hizo a sí mismo, que triunfó, que conoció la gloria en la forma en que la comprendemos en Chile: el dinero ilimitado que todo lo compra, que conduce por cualquier camino, que todo lo puede. Por supuesto, arquetipos de la obscenidad nuestra de cada día hay muchos. Sebastián Piñera, el primero y en rigor el único, el más grande pornógrafo de nuestro tiempo. A él dedicamos estas páginas. Alberto Mayol

Escribir. Manual de técnicas narrativas Enrique Páez, 2010-09-30 Un completo manual de técnicas narrativas para el cuento y la novela, con 130 sugerencias y ejercicios prácticos para mejorar la construcción y el estilo de las historias.
