Lean on Me Bill Withers,2025-07-01 Bill Withers's classic anthem to friendship lives on in this moving children's picture book adaptation. Lean on me When you're not strong And I'll be your friend I'll help you carry on . . . Lean on Me is an endearing children's picture book that beautifully demonstrates the power of friendship, based on Bill Withers's classic song of the same name. Lean on Me appeared on Withers's 1972 album Still Bill. The song reached #1 on the Billboard Hot 100 chart and ranked #208 on Rolling Stone's 500 Greatest Songs of All Time list. With Withers's lyrics and illustrations by Rachel Moss, this picture book follows four close friends through the stages of their childhood, from elementary school until their high school graduation. Withers's classic and loving refrain serenades them as they lean arm-in-arm into adulthood.

The Academy - The Bird and the Beetle C. L. Stone,2015-05-26 Read the first books from both of C. L. Stone's swoon-inducing Academy Series, together for the first time with the exclusive that fans have been begging for: Meeting Sang, an

alternate POV story of how the Ghost Bird Series began. Introductions-Book 1 of the Ghost Bird Series With an agoraphobic mother and a barely-there father, Sang Sorenson abhors the isolation keeping her in the shadows. What she craves is a fresh start and to be accepted as ordinary, because for her, being different meant being cast out alone. When her family moves to a new school district, Sang infiltrates a group of boys, each nearly perfect in every way. Grateful for an influence outside of her parents' negativity, she quickly bonds with the boys, hoping to blend in and learn from them what it means to have friends. Only the boys have secrets of their own and they'll do anything to keep her safe from the knowledge of the mysterious Academy they've sworn allegiance to. Bit by bit, Sang discovers her friends are far from what she'd expected. Will her loyalty change when she's forced to remain in the dark, or will she accept that she's traded one house of secrets for another? Meet Kota, Victor, Silas, Nathan, Gabriel, Luke and North in a story about differences and loyalty, truth and mystery, friendships and heart-throbbing intimacy. The Academy, ever vigilant. Thief - Book 1 of the Scarab Beetle Series Kayli Winchester is a dirt-poor girl living out of a hotel, forced to be the parent for a drunken father and teenage brother who she's desperate to keep in school. The only way she scrapes by is to utilize her one skill: pickpocketing. But even though she's a thief she has a moral code: no kids or old ladies, only targets who can defend themselves. Not that they see her coming... Thinking she's been working under the radar, Kayli has no idea The Academy has been watching and taking notice. Now a team that needs her skill has offered her a way out of her predicament and it's her last chance: work with them, or face jail time. Kayli resists at first, but slowly the boys reveal they can be trusted. With Marc, the straight man, Raven, the bad-boy Russian, Corey and Brandon the twins as different as night and day, and Axel their stoic leader, there's a lot Kayli can learn from these Academy guys about living on the edge of the law. If only she can stay on the good side instead of the bad. Especially when the job they offer her is more than any of them bargained for. After it's done, the hunters have become the hunted and their target is now after Kayli. The Academy boys do their best to keep her hidden, but a thief like Kayli will never sit still for long.

Four on the Floor Parker Grey, 2022-10-03 We're snowed in all winter, high in the Rockies at an artist's retreat. Just me... and the four men who want to share me. It was supposed to be three months of solitude and reflection. I'd paint all day, then maybe read before going to bed early. I thought I'd be surrounded by quiet, retiring artists. I didn't think those artists would be the world's biggest rock band, taking a break from being in the spotlight. And I definitely didn't think they'd seduce me, one by one... and sometimes together. There's Cash, the drummer, who has smoldering eyes and muscles I can't take my eyes off of. There's Dalton, the bassist, who has a body sculpted from marble and a smile that makes me melt. There's Gavin, the British guitarist whose accent does things to me... and whose hands do much, much dirtier deeds. And finally, there's Slate, the mysterious lead singer whose voice alone makes me shiver. I can't help myself. They're commanding, dominant, and so irresistible I can't say no. And best of all? They want to share me. All four of them. *Four on the Floor* is a complete standalone about an artist and the rock band who shares her. It's a seriously steamy romance, but there's zero M/M action - don't worry, all the attention is on her! Keywords: Steamy romance, spicy romance, open door, virgin heroine, instalove, over the top, happily ever after, romantic novels, sexually romantic books, guaranteed HEA, no cliffhangers, sexy alpha hero, sexy ebook, HEA, forbidden romance, first person, new adult, first time, dominant hero, forced proximity, reverse harem, menage romance, strong independent heroine, rock star romance, rock band, poly romance, polyamory, why choose romance, trapped together, four men one woman

Almost Family Roy Hoffman, 2018-09-25 The complex friendship between a black housekeeper and her Jewish employer is at the heart of Hoffman's prize-winning novel about life in the civil rights era South Nebraska. Waters is black. Vivian Gold is Jewish. In an Alabama kitchen where, for nearly thirty years, they share cups of coffee, fret over their children, and watch the civil rights movement unfold out their window, and into their homes, they are like family—almost. As Nebraska makes her

way, day in and out, to Vivian's house to cook and help tend the Gold children, the "almost" threatens to widen into a great divide. The two women's husbands affect their relationship, as do their children, Viv Waters and Benjamin Gold, born the same year and coming of age in a changing South. The bond between the women both strengthens and frays. Winner of the Lillian Smith Book Award and Alabama Library Association Award for fiction, Roy Hoffman's *Almost Family* explores the relationship that begins when one person goes to work for another, and their friendship—across lines of race, income, and religion—develops degrees of understanding yet growing misunderstanding. This edition commemorates the 35th anniversary of the book's publication and features a foreword by the author and includes a discussion guide for readers and book clubs.

Memories of a Musical Career Clara Kathleen Rogers, 1919

Changer Jane Lindskold, Wild and unpredictable, brother to the sea, older than the creatures that walk the earth or swim in her waters, the Changer delights in countless shapes. When someone attempts to wipe out his family, the Changer discards coyote form and descends from the wilderness to call in a few favors from none other than King Arthur himself. But Arthur has problems of his own. The Lustrum Review is about to meet and the tenuous accord that holds the athanor community in loose alliance is being challenged. Some of the challengers merely desire to see a few restrictions dropped. Others wish to see the Accord destroyed – and if Arthur and his closest allies are destroyed with it, they would be delighted. For Arthur, the Changer's arrival, ominous as it may be could also be a wonderful opportunity to demonstrate how the Accord serves even the most ancient among their immortal community. He also hopes that their alliance will serve to anchor this wild one more firmly to his cause. Yet nothing is ever that simple. Before the Changer takes his revenge, those who have called themselves gods and have been the root of many a heroic legend will find themselves threatened with destruction. The very earth itself will shake. And a coyote pup—sole survivor of the Changer's murdered family—will discover both her weakness and her hidden strength. New to this edition of *Changer*—special introduction by the author!
