It makes me shiver to think about it' 5\*\*\*\*\* Reader Review \_\_\_\_\_ I thought things would change when I found the others. We would stop running. We would fight the Mogadorians. And we would win. But I was wrong. Even though we have come together, we barely escaped from them with our lives. And now we're in hiding, figuring out our next move. The six of us are powerful - but not strong enough to take on their entire army. We haven't discovered the full extent of our Legacies. We haven't learned to work together. **Critical Foundations in Young Adult Literature: Challenging Genres** Antero Garcia, 2013-10-11 Young Adult

literature, from *The Outsiders* to *Harry Potter*, has helped shape the cultural landscape for adolescents perhaps more than any other form of consumable media in the twentieth and twenty-first century. With the rise of mega blockbuster films based on these books in recent years, the young adult genre is being co-opted by curious adult readers and by Hollywood producers. However, while the genre may be getting more readers than ever before, Young Adult literature remains exclusionary and problematic: few titles feature historically marginalized individuals, the books present heteronormative perspectives, and gender stereotypes continue to persist. Taking a critical approach, *Young Adult Literature: Challenging Genres* offers educators, youth librarians, and students a set of strategies for unpacking, challenging, and transforming the assumptions of some of the genre's most popular titles. Pushing the genre forward, Antero Garcia builds on his experiences as a former high school teacher to offer strategies for integrating Young Adult literature in a contemporary critical pedagogy through the use of participatory media.

The Lorien Legacies: Books 2-5 Collection Pittacus Lore, 2014-08-26 Four thrilling bestselling novels are included in this collection: *The Power of Six*: I've seen him on the news. We're hiding, blending in, avoiding contact with one another . . . but our Legacies are developing, and soon we'll be equipped to fight. Is John Number Four, and is his appearance the sign I've been waiting for? And what about Number Five and Six? I am Number Seven. One of six still alive. And I'm ready to fight. *The Rise of Nine*: The stakes are higher than ever as John, Six, and Seven try desperately to find the rest of the Garde before it's too late. In order to save our world and their own, John and Nine must join forces with Six and Seven who have been battling the Mogadorians in Spain, and who are now trying to locate Number Eight in India. *The Fall of Five*: To defeat their enemy, the Garde must master their Legacies and learn to work together as a team. When the Garde receive a sign from Number Five—a crop circle in the shape of a Lorien symbol—they know they are close to being reunited. But could it be a trap? Time is running out, and the only thing they know for certain is that they have to get to Five before it's too late. *The Revenge of Seven*: The fifth book in the New York Times bestselling *I Am Number Four* series! The Garde have suffered an unbearable loss. Number Five has betrayed them. Eight is gone forever. Ella has been kidnapped. The others are now scattered.
