My Road of Life Sabir Rustamkhanli,2013-04 My Road of Life is his last work written during the Soviet rule. This book treasures love; love of everyone, love to motherland, history, culture. The book speaks out for the whole Azerbaijani people expressing its benevolent nature and good will. The 90s of the last century marked Azerbaijan's history with independence from the Soviet regime and greatly contributed to introduce My Road of Life as one of the cult books of those times, spreading thoughts and spirit of liberty, independence, nation's self-governance. Fighters for independence used to come to The Liberty Square in Baku with this book in their hands to demand the end of the authoritarian Soviet dominance. The book encouraged the young generation of those times to rise and wage the just struggle for future and signaled the complete destruction of the humiliating Soviet dictatorship. Today My Road of Life is a versed relic echoing the ardent freedom-loving spirit of the Azerbaijani people on their long way to hard-fought victory.

Good Morning Brook Noel,2008 Good Morning provides readers with a daily dose of inspiration to make every day matter.

Catullus Ian M. le M. Du Quesnay, Tony Woodman, 2012-10-18 In this book, a sequel to *Traditions and Contexts in the Poetry of Horace* (Cambridge, 2002), ten leading Latin scholars provide specially commissioned in-depth discussions of the poetry of Catullus, one of ancient Rome's most favourite and best loved poets. Some chapters focus on the collection as a whole and the interrelationship of various poems; others deal with intertextuality and translation, and Catullus' response to his Greek predecessors, both classical and Hellenistic. Two of the key subjects are the communication of desire and the presentation of the real world. Some chapters provide analyses of individual poems, while others discuss how Catullus' poetry was read by Virgil and Ovid. A wide variety of critical approaches is on offer, and in the Epilogue the editors provide a provocative survey of the issues raised by the volume.

Biblical Quotes from A Course in Miracles Reinterpreted Gene Skaggs Jr., 2011-09-15 The popular spiritual teaching known *A Course in Miracles* (ACIM) presents a radically new vision of Christianity, using many of the familiar terms and ideas of that old time religion in refreshingly different ways. In a number of places, the Course refers to specific quotes from the Bible and reinterprets them in a new light. This handy compilation of Biblical references made in the Course is compiled by veteran ACIM teacher Gene Skaggs Jr., who presents each Bible quote with the Course's reinterpretation followed by brief, explanatory remarks of his own. An essential guidebook for anyone trying to understand the new vision of Christianity presented by *A Course in Miracles*.

In the Midst of Death ... Bev Kaufman, 2016-04-20 Rural New York in 1787. The great war that turned the former colonies into a fledgling nation is over. Or is it? In a remote cabin in the forest, Ralph Folsom, once a brilliant Shakespearean scholar but now the last remaining Tory in High Tide, ekes out a bitter impoverished existence. Hideously scarred by an act of vigilante justice and mentally scarred by the betrayal of his wife, nothing is left to him but his hatred and no one gets a bigger dose of it than aristocrat and patriot Capt. Aaron Collins, who was born to everything Ralph wanted. Aarons got problems of his own. Stripped of his tenant lands following the war, saddled with a huge debt, and still reeling from the loss of the old flame who chose to marry Ralph Folsom instead, Aaron is too intent on the day-to-day struggles to notice that his enemy is sliding into madness and threatening to drag him down with him. It is the summer of 1787, but old sins bite deep, and the events now driving Ralph over the edge go back ten years, twenty years, and even before he and Aaron were born.

The Charismatic Community Maria Massi Dakake, 2012-02-01 The *Charismatic Community* examines the rise and development of Shiite religious identity in early Islamic history, analyzing the complex historical and intellectual processes that shaped the sense of individual and communal religious vocation. The book reveals the profound and continually evolving connection between the spiritual ideals of the Shiite movement and the practical processes of community formation. Author Maria Massi Dakake traces the Quranic origins and early religious connotations of the concept of *walayah* and the role it played in shaping the sense of communal solidarity among followers of the first Shiite Imam, Ali b. Abi Talib. Dakake argues

that walayah pertains not only to the charisma of the Shiite leadership and devotion to them, but also to solidarity and loyalty among the members of the community itself. She also looks at the ways in which doctrinal developments reflected and served the practical needs of the Shiite community, the establishment of identifiable boundaries and minimum requirements of communal membership, the meaning of women's affiliation and identification with the Shiite movement, and Shiite efforts to engender a more normative and less confrontational attitude toward the non-Shiite Muslim community.

The End of the Ages Has Come Dale Allison, 2013-10-01 How does one explain the New Testament texts that seem to announce the imminent arrival of the long-awaited Day of the Lord? In this study, Dale Allison presents a comprehensive analysis of the first-century beliefs about the period of suffering and tribulation which was to precede the general resurrection of the dead. Although such beliefs were not uncommon, they have received little attention from New Testament scholars. Dr. Allison argues that they provided the conceptual tools that allowed New Testament writers to make sense of the death and resurrection of Jesus, without abandoning altogether Jesus' own messianic expectations and belief in some imminent radical change. Dr. Allison shows that the realized eschatology of the Gospels is not, as is so often thought, the product of Jesus' own teaching and preaching. Rather, it stems from the reflection of the earliest Christian communities on the death of Jesus, in the light of his belief in an imminent End. Dr. Allison offers a stimulating and detailed account of the teaching of Jesus and of the New Testament records of the passion and resurrection of Jesus. He concludes his study with an important discussion of the way this process of reflection has continued throughout Christian history and indeed how it continues to influence Christian thinking today.

The Sung Home. Narrative, Morality, and the Kurdish Nation Wendelmoet Hamelink, 2016-04-08 The Sung Home tells the story of Kurdish singer-poets (dengbêjs) in Kurdistan in Turkey, who are specialized in the recital singing of historical songs. After a long period of silence, they returned to public life in the 2000s and are presented as guardians of history and culture. Their lyrics, life stories, and live performances offer fascinating insights into cultural practices, local politics and the contingencies of state borders. Decades of oppression have deeply politicized and moralized cultural and musical production. Through in-depth ethnographic analysis Hamelink highlights the variety of personal and social narratives within a society in turmoil. Set within the larger global stories of modernity, nationalism, and Orientalism, this study reflects on different ideas about what it means to create a Kurdish home.
