

Exodus By Leon Uris

Sebastian Brünink

Exodus Leon Uris, 1983-10-01 "Passionate summary of the inhuman treatment of the Jewish people in Europe, of the exodus in the nineteenth and twentieth centuries to Palestine, and of the triumphant founding of the new Israel."—The New York Times Exodus is an international publishing phenomenon—the towering novel of the twentieth century's most dramatic geopolitical event. Leon Uris magnificently portrays the birth of a new nation in the midst of enemies—the beginning of an earthshaking struggle for power. Here is the tale that swept the world with its fury: the story of an American nurse, an Israeli freedom fighter caught up in a glorious, heartbreaking, triumphant era. Here is Exodus—one of the great bestselling novels of all time.

Exodus Leon Uris, 2016

Our Exodus MM Silver, 2010-08-18 Examines the phenomenon of Exodus and its influence on post-World War II understandings of Israel's beginnings. Despite the dramatic circumstances of its founding, Israel did not inspire sustained, impassioned public discussion among Jews and non-Jews in the United States until Leon Uris's popular novel Exodus was released in 1958. Uris's novel popularized the complicated story of Israel's founding and, in the process, boosted the morale of post-Holocaust Jewry and disseminated in popular culture positive images of Jewish heroism. Our Exodus: Leon Uris and the Americanization of Israel's Founding Story examines the phenomenon of Exodus and its largely unrecognized influence on post-World War II understandings of Israel's beginnings in America and around the world. Author M. M. Silver's extensive archival research helps clarify the relevance of Uris's own biography in the creation of Exodus. He situates the novel's enormous popularity in the context of postwar America, and particularly Jewish American culture of the 1950s and early 1960s. In telling the story of the making of and the response to Exodus, first as a book and then as a film, Silver shows how the representation of historical events in Exodus reflected needs, expectations, and aspirations of Jewish identity and culture in the post-Holocaust world. He argues that while Uris's novel simplified some facts and distorted others, it provided an astonishingly ample amount of information about Jewish history and popularized a persuasive and cogent (though debatable) Zionist interpretation of modern Jewish history. Silver also argues that Exodus is at the core of an evolving argument about the essential compatibility between the Jewish state and American democracy that continues to this day. Readers interested in Israel studies, Jewish history, and American popular culture will appreciate Silver's unique analysis.

Exodus Leon Uris, 1958

Exodus Revisited Leon Uris, 1960 Author collaborates with Dimitrios Harissiadis, a Greek photographer, to picture the land and people of Israel.

Exodus by Leon Uris Harold Silver, 1959

Israel Through the Jewish-American Imagination Andrew Furman, 2012-02-01 CHOICE 1997 Outstanding Academic Books
Analyzing a wide array of Jewish-American fiction on Israel, Andrew Furman explores the evolving relationship between the Israeli and American Jew. He devotes individual chapters to eight Jewish-American writers who have imagined Israel substantially in one or more of their works. In doing so, he gauges the impact of the Jewish state in forging the identity of the American Jewish community and the vision of the Jewish-American writer. Furman devotes individual chapters to Meyer Levin, Leon Uris, Saul Bellow, Hugh Nissenson, Chaim Potok, Philip Roth, Anne Roiphe, and Tova Reich. To chart the evolution of the Jewish-American relationship with Israel from pre-statehood until the present, he considers works from 1928 to 1995, examining them in their historical and political contexts. The writers Furman examines address the central issues which have linked and divided the American and Israeli Jewish communities: the role of Israel as both safe haven and spiritual core for Jews everywhere pitted against its secularism, militarism, and entrenched sexism. While the writers Furman examines depict contrasting images of the Middle East, the very persistence of Israel in occupying that imagination reveals, above all, how prominent a role Israel played and continues to play in shaping the Jewish-American identity.

Exodus Revisited Leon Uris, Dimitrios Harissiadis, 1971

Our American Israel Amy Kaplan, 2018-09-17 How did a Jewish state come to resonate profoundly with Americans in the twentieth century? Since WWII, Israel's identity has been entangled with America's belief in its own exceptionalism. Turning a critical eye on the two nations' turbulent history together, Amy Kaplan unearths the roots of controversies that may well divide them in the future.

The Haj Leon Uris, 1985-05-01 "The narrative is fast paced, bursting with action, and obviously based on an intimate grasp of the region, its peoples, their tradition and age-old ways of life."—John Barkham
Reviews Leon Uris returns to the land of his acclaimed best-seller *Exodus* for an epic story of hate and love, vengeance and forgiveness and forgiveness. The Middle East is the powerful setting for this sweeping tale of a land where revenge is sacred and hatred noble. Where an Arab ruler tries to save his people from destruction but cannot save them from themselves. When violence spreads like a plague across the lands of Palestine—this is the time of *The Haj*.

EXODUS LEON URIS, 1958

Various Positions Ira B. Nadel, 2007-10-01 Known as the “Prince of Bummers,” Leonard Cohen is a multi-talented poet, singer-songwriter, novelist, and Zen Buddhist whose career has spanned more than forty years and inspired countless other artists. In this critically acclaimed biography originally published in 1996 by Pantheon Books, Ira Nadel draws on extensive interviews with Cohen, as well as excerpts from his unpublished letters, journals, notebooks, songs, and other writings, to offer a full portrait of this enigmatic man and his artistic career. A new concluding chapter brings Cohen’s story up-to-date, including the release of the albums *Dear Heather*, *Ten New Songs*, *The Essential Leonard Cohen*, and *Blue Alert*, as well as the publication of *Book of Longing* and the screening of the documentary film *Leonard Cohen, I’m Your Man*.

The War on Error Martin Kramer, 2017-09-08 In 'The War on Error', historian and political analyst Martin Kramer presents a series of case studies, some based on pathfinding research and others on provocative analysis, that correct misinformation clouding the public's understanding of the Middle East. He also offers a forensic exploration of how misinformation arises and becomes fact. The book is divided into five themes: Orientalism and Middle Eastern studies, a prime casualty of the culture wars; Islamism, massively misrepresented by apologists; Arab politics, a generator of disappointing surprises; Israeli history, manipulated by reckless revisionists; and American Jews and Israel, the subject of irrational fantasies. Kramer shows how error permeates the debate over each of these themes, creating distorted images that cause policy failures. Kramer approaches questions in the spirit of a relentless fact-checker. Did Israeli troops massacre Palestinian Arabs in Lydda in July 1948? Was the bestseller 'Exodus' hatched by an advertising executive? Did Martin Luther King, Jr., describe anti-Zionism as antisemitism? Did a major post-9/11 documentary film deliberately distort the history of Islam? Did Israel push the United States into the Iraq War? Kramer also questions paradigms—the Arab Spring, the map of the Middle East, and linkage. Along the way, he amasses new evidence, exposes carelessness, and provides definitive answers.

Journeys from the Abyss Antony Robin Jeremy Kushner, 2017 This is the first study to place Jewish refugee movements from Nazism into a wider framework of global forced migration from the late nineteenth through to the twenty first century.

Israel in the American Mind Shaul Mitelpunkt, 2018-05-10 Examines the changing meanings Americans invested in their country's intensifying relationship with Israel from the 1950s to the 1980s.

Holocaust Deborah E. Lipstadt, 2016-07-21 Immediately after World War II, there was little discussion of the Holocaust, but today the word has grown into a potent political and moral symbol, recognized by all. In *Holocaust: An American Understanding*, renowned historian Deborah E. Lipstadt explores this striking evolution in Holocaust consciousness, revealing how a broad array of Americans—from students in middle schools to presidents of the United States—tried to make sense of this inexplicable disaster, and how they came to use the Holocaust as a lens to interpret their own history. Lipstadt weaves a powerful narrative that touches on events as varied as the civil rights movement, Vietnam, Stonewall, and the

women's movement, as well as controversies over Bitburg, the Rwandan genocide, and the bombing of Kosovo. Drawing upon extensive research on politics, popular culture, student protests, religious debates and various strains of Zionist ideologies, Lipstadt traces how the Holocaust became integral to the fabric of American life. Even popular culture, including such films as *Dr. Strangelove* and such books as John Hershey's *The Wall*, was influenced by and in turn influenced thinking about the Holocaust. Equally important, the book shows how Americans used the Holocaust to make sense of what was happening in the United States. Many Americans saw the civil rights movement in light of Nazi oppression, for example, while others feared that American soldiers in Vietnam were destroying a people identified by the government as the enemy. Lipstadt demonstrates that the Holocaust became not just a tragedy to be understood but also a tool for interpreting America and its place in the world. Ultimately *Holocaust: An American Understanding* tells us as much about America in the years since the end of World War II as it does about the Holocaust itself.

The Complete Book of 1970s Broadway Musicals Dan Dietz, 2015-09-03 The 1970s was an exciting decade for musical theatre. Besides shows from legends Stephen Sondheim (*Company*, *Follies*, *A Little Night Music*, and *Sweeney Todd*) and Andrew Lloyd Webber (*Jesus Christ Superstar* and *Evita*), old-fashioned musicals (*Annie*) and major revivals (*No, No, Nanette*) became hits. In addition to underappreciated shows like *Over Here!* and cult musicals such as *The Grass Harp* and *Mack and Mabel*, Broadway audiences were entertained by black musicals on the order of *The Wiz* and *Raisin*. In *The Complete Book of 1970s Broadway Musicals*, Dan Dietz examines in detail every musical that opened on Broadway during the 1970s. In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal-appearance revues with such performers as Tony Bennett, Lena Horne, Bette Midler, and Gilda Radner. Each entry includes the following information: Opening and closing dates Plot summaries Cast members Number of performances Names of all important personnel including writers, composers, directors, choreographers, producers, and musical directors Musical numbers and the names of performers who introduced the songs Production data, including information about tryouts Source material Critical commentary Tony awards and nominations Details about London and other foreign productions Besides separate entries for each production, the book offers numerous appendixes, including a discography, filmography, and published scripts, as well as lists of Gilbert and Sullivan operettas, black-themed shows, and Jewish-themed productions. A treasure trove of information, *The Complete Book of 1970s Broadway Musicals* provides readers with a comprehensive view of each show. This significant resource will be of use to scholars, historians, and casual fans of one of the greatest decades in musical theatre history.

Necessary American Fictions William Darby, 1987 William Darby gives us a comprehensive and (mostly) sympathetic reading of over fifty novels and a few movies from the 1950s. He examines titles such as *Mandingo*, *The Invisible Man*, *I the Jury*, *Catcher in the Rye*, *Battle Cry*, *The Caine Mutiny*, *The Revolt of Mamie Stover*, *The Manchurian Candidate*, *Hawaii*, *The*

Bramble Bush, Peyton Place, Ten North Frederick, A Stone for Danny Fisher, The Bad Seed, Not as a Stranger, The Blackboard Jungle, From Here to Eternity, and Compulsion.

Bestseller Robert McParland, 2018-12-15 Whether curled up on a sofa with a good mystery, lounging by the pool with a steamy romance, or brooding over a classic novel, Americans love to read. Despite the distractions of modern living, nothing quite satisfies many individuals more than a really good book. And regardless of how one accesses that book—through a tablet, a smart phone, or a good, old-fashioned hardcover—those choices have been tallied for decades. In *Bestseller: A Century of America's Favorite Books*, Robert McParland looks at the reading tastes of a nation—from the beginning of the twentieth century to the present day. Through extensive research, McParland provides context for the literature that appealed to the masses, from low-brow potboilers like *Forever Amber* to Pulitzer-Prize winners such as *To Kill a Mockingbird*. Decade by decade, McParland discusses the books that resonated with the American public and shows how current events and popular culture shaped the reading habits of millions. Profiles of authors with frequent appearances—from Ernest Hemingway to Danielle Steel—are included, along with standout titles that readers return to year after year. A snapshot of America and its love of reading through the decades, this volume informs and entertains while also providing a handy reference of the country's most popular books. For those wanting to learn more about the history of American culture through its reading habits, *Bestseller: A Century of America's Favorite Books* is a must-read.

If you ally compulsion such a referred **Exodus By Leon Uris** ebook that will have the funds for you worth, acquire the unquestionably best seller from us currently from several preferred authors. Exodus By Leon Uris Introduction

In the digital age, access to information has become easier than ever before. The ability to download Exodus By Leon Uris has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Exodus By Leon Uris has opened up a world of possibilities. Downloading Exodus By Leon Uris provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with

papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Exodus By Leon Uris has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Exodus By Leon Uris. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to

existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Exodus By Leon Uris. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Exodus By Leon Uris, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Exodus By Leon Uris has transformed the way we access information. With the convenience, cost-effectiveness,

and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Exodus By Leon Uris Books

1. Where can I buy Exodus By Leon Uris books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Exodus By Leon Uris book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Exodus By Leon Uris books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Exodus By Leon Uris audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon.

Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Exodus By Leon Uris books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
