Zen is a practitioner—one of the fabled magicians of the Last Kingdom. He’s never seen anything like Lan’s mark, but he knows that if there are answers, they lie deep in the pine forests and misty mountains of the Last Kingdom, with an order of practicing masters planning to overthrow the Elantian regime. Yet, both Lan and Zen are hiding secrets—secrets that are buried deep within them. Secrets that even they have still to unearth. Both hold the power to liberate their land, if they don't destroy it first. Now the battle for the Last Kingdom begins. Inspired by ancient Chinese mythology and folklore, *Song of Silver, Flame Like Night* transports readers to a lush fantasy world filled with high-stakes adventure, glittering magic, and against-all-odds romance from beginning to end.

The Demon Gods have risen. Skies' End has fallen to the colonizers. And Lan and Zen have chosen sides. But they will not fight together. Though Lan inherited the power of the Silver Dragon, she understands the path she must take. She believes the Demon Gods to be the cause of war, conflict, and turmoil, and that the future of the Last Kingdom depends on their being eliminated forever. Worse, she knows that if the Elantians manage to bind one of the legendary beings, their army will be unstoppable. To save her kingdom and her people, Lan will need to find the only mythical weapon capable of destroying the Demon Gods: the Godslayer. Zen is sure that the only way to free the Last Kingdom is to use the power of the Demon Gods. When he bound the Black Tortoise, he paid the ultimate price: to inherit its strength, he will forfeit his body, his mind, and his soul. Yet one Demon God is not enough against the might of the colonizers. In the ruins of the northern Mansorian lands slumbers a magical army of demonic practitioners capable of facing off against the Elantians—but Zen must find the Seal to awaken them to fight by his side. At the center of both Lan's and Zen's journeys is one city: Shakhahira, a former stronghold of the Imperial Court that vanished without a trace when the Elantians invaded. Its location is a mystery,

and both are sure that it holds the answers they need, but the past it hides might be more dangerous than anything they've faced yet. The battle for the Last Kingdom rages on. But to win the war, Lan will have to decide: Can she face the boy she loves again? And when she does, can she kill him to free her people?
