The New York Mets in Popular Culture David Krell, 2020-09-23 Bringing fresh perspectives to the team that has brought joy, triumph and even a miracle to New York City, this collection of new essays examines portrayals of the Mets in film, television, advertising and other media. Contributors cover little-known aspects of Mets history that even die-hard fans may not know. Topics include the popularity of Rheingold's advertising in the 1950s and 1960s, Bob Murphy's broadcasting career before joining the Mets' announcing team in 1962, Mr. Met's rivalry with the Phillie Phanatic, Dave Kingman's icon status, the pitching staff's unsung performance after the 1969 World Series victory, and Joan Payson's world-renowned art collection and philanthropy.

EasyBeliefism D. Keith Loyd, 2019-04-17 You spend your whole life worshipping God. You're morally a good person, kind to others, and take care of your family. You know because of God's grace and mercy, he sent his only Son to die for the sins of the whole world; so because you believe in Him, you expect to go to heaven. But now imagine judgment day, and you see Jesus. He looks at you and says, I never knew you, depart from me! After all you've done, how can that be? You forgot one thing. There is a war for your soul! And the devil, the deceiver, is like a roaring lion seeking whom he may devour! How better way to capture your soul than to trick you into feeling safe? You have been deceived by the master of deceit! So how can you avoid this tragedy? This book will guide you through the Bible for the answers! By looking objectively at what you have been taught and comparing it to what Jesus taught. You can find the answer, and you can know that you will have

eternal life!

Thinking Like Jesus Dr. Ray Guarendi, 2018-07-30 How do I handle difficult family members? What do I do if I can't control my emotions? When do I correct others, and when do I hold my tongue? Too often we are late in realizing that we mishandled a situation, causing both resentment and frustration. But what if you could approach every situation with the mind of Christ? Distilled from his decades of experience as a clinical psychologist and a practicing Catholic, Dr. Ray Guarendi, popular radio and TV host, offers here dozens of bite-sized reflections that combine sound spiritual advice with the best of modern psychology. Dr. Ray will help you address countless daily problems and create a plan of action for your most common troubles. With his trademark frankness and humor, Dr. Ray tackles all the topics that too often bring confusion and heartache, including: What to do when you're easily offended Common excuses parents make for bad behavior in their children—and themselves The difference between speaking your mind and losing your emotions. The fine line between being a confident evangelist and being a jerk? What you should do when emotions overwhelm you? How to hold your children to high standards without causing resentment The difference between making an excuse and justifying an action How to tell people you're angry without being nasty about it. What true humility is – and isn't. *Thinking Like Jesus* is more than a self-help book. It will place you firmly into the mindset of a disciple of Christ so you can focus your attention on God and, ultimately, what it will take to spend eternity with Him in heaven.

5000 Episodes and No Commercials David Hofstede, 2011-11-09 Groundbreaking! Does for TV shows what Leonard Maltin's guides do for movies! Forget movies! Sales of TV DVDs are outpacing all other categories, according to Video Store magazine. The Simpsons, 24, Lost, Desperate Housewives, Alias, even old chestnuts like Columbo and Home Improvement are blowing out of the stores as fans and collectors rush to buy their favorite shows, compact and complete. How do buyers know which shows are the best, which season contains that favorite moment, which episode features that guest star? They don't—not without their trusty copy of *5,000 Episodes No Commercials* which gives full information on every sitcom and drama released on DVD, whether in season-by-season sets, individual episodes, best-of compilations, specials, or made-for-TV movies. Almost 500 pages of listings include year of original airing, information on audio and video quality, extras, Easter eggs, and more. Every couch potato is sure to heave up off the sofa just long enough to buy *5,000 Episodes No Commercials*!

Dance, Consumerism, and Spirituality C. Walter, 2015-12-11 Dance has proliferated in movies, television, Internet, and retail spaces while the spiritual power of dance has also been linked with mass consumption. Walter marries the cultural studies of dance and the religious aspects of dance in an exploration of consumption rituals, including rituals of being persuaded to buy products that include dance.

Dracula in Visual Media John Edgar Browning, Caroline Joan (Kay) Picart, 2014-01-10 This is a comprehensive sourcebook on the world's most famous vampire, with more than 700 citations of domestic and international Dracula films,

television programs, documentaries, adult features, animated works, and video games, as well as nearly a thousand comic books and stage adaptations. While they vary in length, significance, quality, genre, moral character, country, and format, each of the cited works adopts some form of Bram Stoker's original creation, and Dracula himself, or a recognizable vampiric semblance of Dracula, appears in each. The book includes contributions from Dacre Stoker, David J. Skal, Laura Helen Marks, Dodd Alley, Mitch Frye, Ian Holt, Robert Eighteen-Bisang, and J. Gordon Melton.

Grandparents in a Digital Age Laura Tropp, 2018-11-23 This book investigates the changing culture of grandparenting. Depending on the group, the period, and the family, grandparents have been powerful patriarchs and matriarchs, reliable second parents, dependents, burdens, or community figures. The book examines the history of grandparenting and the changing depiction of grandparent culture from “old” to “hip,” including the development of the celebrity grandparent, the emergence of media technologies that allow for new communication and relationships between grandparents and their grandchildren, new rituals associated with grandparenting, the growth of the marketing of grandparenting as a new stage of life, and the impact on our culture of the commodification of grandparenting. Prior to the twentieth century, within the United States the idea of the modern grandparent likely did not even exist. Many people did not live long enough to reach the grandparent stage of life. Today, people are living longer, and grandparenting is occupying a longer phase in one’s life. Grandparenting is becoming its own life stage, where new rituals exclusive to grandparents are emerging. Newer technologies, such as Skype, Google Hangout and FaceTime, allow grandparents who are far away to establish relationships with their children. Many grandparents also use social media and blogs to chronicle their experiences. Some grandparents have turned their grandparent lifestyle into a business. The representation of grandparenting in popular culture is shifting as well. Grandparents are becoming their own figures on television and film programs, including reality shows. Others have been thrust into the public eye across social media. Marketers have realized the power of this new consumer subgroup and have begun to direct marketing campaigns to grandparents. Yet, despite the pervasive images of grandparents, some of which present empowered figures, grandparent representation in popular media continues to mimic many of the stereotypes commonly associated with aging, encouraging people to laugh at versus laugh with these figures. *The Third Act: Grandparenting in a Digital Age* examines grandparenting through history, interviews, and popular culture to study the changing image of grandparents in society.

Religion in a Changing Workplace Elaine Howard Ecklund, Denise Daniels, Christopher P. Scheitle, 2024-09-27 Drawing on more than 15,000 surveys and 300 in-depth interviews on the subject of faith at work in the US, this book shows how a wide range of workers understand their work vis-a-vis their faith and makes the case that employers should accommodate religious self-expression at work.

After Mass Media Amanda D. Lotz, 2025-04-15 Explores the cultural role of screen storytelling in society With significant evolutions in digital technologies and media distribution in the past two decades, the business of storytelling through screens has shifted dramatically. In the past, blockbuster movies and TV shows like *Friends* aimed first for domestic mass audiences, although the biggest hits circulated globally. Now, transnational distribution plays a primary role and imagined audiences are global. At the same time, the once-mass audience has significantly fragmented to enable an

expansion in the range of commercially viable stories, as evident in series as varied as Atlanta, Better Things, and dozens of others that are not widely known, but deeply loved by their microaudiences. Delving into the changing landscape of commercial screen storytelling, *After Mass Media* explores how industrial shifts and technological advancements have remade the narrative landscape over the past two decades. Television and movies have long shaped society, whether by telling us about the worlds around us or far away. By examining the internationalization of screen businesses, the rise of streaming services with multi-territory reach, and the stories made for this environment, this book sheds light on the profound transformations in television and film production and circulation. With a keen focus on major changes in the types of screen stories being told, Amanda D. Lotz unravels the industrial roots that made these transformations possible, challenges some conventional distinctions of screen storytelling, and provides new conceptual tools to make sense of the abundance and range of screen stories on offer. Through its comprehensive analysis, *After Mass Media* exposes how contemporary industrial dynamics, particularly the erosion of traditional distribution models based on geography and mass audience reach, have far-reaching implications for our understanding of national video cultures.

Contacts and Contrasts in Cultures and Languages Barbara Lewandowska-Tomaszczyk, 2019-02-18 This volume provides descriptions and interpretations of social and cognitive phenomena as well as processes that emerge at the interface of languages and cultures in the context of contrastive and contact linguistics and media discourse. Different contexts are explored with rich empirical findings and authentic exemplifying materials. The book includes fifteen papers, divided into three parts. Part 1 addresses conceptual reflection on languages and cultures in contact and contrast, while Part 2 focuses on contact linguistics and borrowing. Part 3 discusses cultural and linguistic aspects of media discourses.
