

Himno Al Libertador General San Martn

Argentina. Congreso de la Nación. Senado de la Nación

San Martín y la gran aventura de la libertad Daniel Balmaceda, 2025-08-01 Un joven librero y sus tres sobrinos descubren juntos la fascinante hazaña de San Martín . Un hombre con un sueño grandioso: una patria libre, justa y unida. Una lección de coraje y fraternidad. Tomás es un joven lector que comparte con sus sobrinos la historia del general San Martín . Ellos ya aprendieron algo en la escuela, pero en la librería de su tío es diferente. Entre los estantes colmados de libros, en el rincón de los almohadones donde toman la merienda, escuchan fascinados un relato que los inspira y los conmueve. Con sensibilidad y un exhaustivo conocimiento de la historia argentina, Daniel Balmaceda revisa la vida y la obra de San Martín para recordarnos que las hazañas más increíbles solo pueden gestarse si nos atrevemos a imaginar lo imposible.

San Martín en El Valle de Uco Alberto Piattelli, 2012-10 Publicada nueva obra que revela descubrimientos inéditos y de gran importancia para la Historia de Argentina Todo lo narrado en el libro de Alberto Piattelli es verdadero y avalado con documentación fidedigna. En esta obra se narran hechos que ningún otro historiador ha narrado antes. El historiador y autor argentino Alberto Piattelli, inspirado en el hecho que vive en un lugar donde se gestó una parte importante de la epopeya Sanmartiniana y que los acontecimientos ocurridos allí son desconocidos, ha publicado su libro SAN MARTIN EN EL VALLE DE UCO, donde narra hechos inéditos y de gran importancia para conocer la genialidad y la personalidad del General San Martín, Padre de la Patria. La obra consta de tres partes: * La primera parte se ocupa de lo ocurrido en la región de la Provincia de Mendoza denominada Valle de Uco. Es allí donde se encuentran los hechos inéditos y por lo tanto desconocidos por el mundo. * La segunda parte se ocupa de los Valores, Ideales del Libertador de Argentina, Chile y Perú. Este tema tiene como objetivo darle a la juventud el ejemplo de un hombre virtuoso, valiente y visionario, en el contexto de un mundo actual en donde se han perdido los valores y los jóvenes no tienen un ejemplo a seguir. Esta parte es eminentemente formativa moral y socialmente. * La tercera parte se refiere a la Vida y Obra del General San Martín. Es una cronología ordenada de su vida y de su obra desde antes de su nacimiento hasta después de su muerte. Tiene por objeto servir de guía y ayuda a profesores y alumnos cuando se ocupen de este tema. SAN MARTIN EN EL VALLE DE UCO merece el interés de todos los lectores, principalmente del Valle de Uco, de Mendoza y de Argentina, apasionados por la historia de ese país y la historia universal. También va a atraer la atención de los lectores debido a los hechos inéditos que narra y que nunca antes han sido

expuestos. Esto es lo que lo hace un libro único y diferente, así como el enfoque moral y patriótico dado al mismo.

Latini Sylvia Nogueira,2020-03-01 Desde las aulas del Colegio Nacional de Buenos Aires llega este curso introductorio a la lengua y cultura latinas. Si bien está orientado a la enseñanza formal del latín, su utilidad excede las aulas de la escuela media, ya que ofrece abundante y clara información sobre mitos e historias clásicas, autores, textos y una interesante gama de posibles asociaciones con nuestra cultura actual. De este modo, con lenguaje sencillo y didáctico Latini facilita el pasaje por los cursos iniciales de esta antigua lengua, al mismo tiempo que invita a lectores de otros universos, interesados en la cultura clásica, a aventurarse a un recorrido por este mundo no tan distante.

Teresa la Limeña Soledad Acosta de Samper,2023-12-18 En Teresa la Limeña, Soledad Acosta de Samper narra la historia de una joven limeña de la época colonial que enfrenta los desafíos de su contexto social y familiar. La obra se destaca por su estilo narrativo, que combina elementos de realismo y romanticismo, logrando capturar las sutilezas de la vida cotidiana en una Lima marcada por el colonialismo y las normas sociales rígidas. Acosta de Samper emplea un lenguaje evocador y descriptivo que permite al lector sumergirse en la cultura y las tradiciones de la época, creando un escenario vívido a través de personajes complejos y bien desarrollados, reflejando la búsqueda de identidad femenina en una sociedad patriarcal. Soledad Acosta de Samper, pionera en la literatura femenina del Perú, fue una figura crucial en el siglo XIX, marcada por su compromiso con la educación y la defensa de los derechos de las mujeres. Su experiencia personal y su entorno social influyeron en su obra, donde la búsqueda de la voz femenina y la crítica social predominan. Acosta de Samper fue una de las primeras autoras en dar a conocer las realidades de las mujeres en la sociedad peruana, haciendo de sus relatos una herramienta de reflexión sobre el rol de la mujer en su tiempo. Recomendando encarecidamente Teresa la Limeña no solo a quienes se sienten atraídos por las narrativas históricas, sino también a aquellos interesados en comprender la evolución de la literatura femenina en el Perú. La obra de Acosta de Samper es un testimonio valioso de la lucha por la autonomía y la identidad, permitiendo al lector explorar no solo el contexto social del siglo XIX, sino también las resonancias de esas luchas en la actualidad.
