The J. Golden Kimball Stories Eric Alden Eliason, 2007 The sharp wit of a free-thinking Mormon folk hero In *The J. Golden Kimball Stories*, beloved and iconoclastic Mormon humorist J. Golden Kimball (1853-1938) speaks on death, marriage, love, hell, God, and everything in between. Compiled by Eric A. Eliason from previously unpublished archival resources, this collection of stories, anecdotes, and jokes captures the irreverent comedy and independent thinking that made Kimball so beloved both in and out of his Mormon community. Arranged thematically and framed by short contextual introductions, each chapter presents a colorful portrait of Kimball on topics including tricks, cussing, ministering, chastising, and repentance. A comprehensive introductory essay places Kimball in the context of Mormon history and folklore scholarship.

Doctrinal Quotes volume II Brian Koralewski, 2010-07-29 More doctrinal quotes on a wide range of topics, compiled based on being very insightful, or interesting. From Latter-day prophets and apostles, with a few quotes from leading scholars and other qualified sources.

J. Golden Kimball Claude Richards, 1953

His Return Richard N. Skousen, The Lord has warned us that many traumatic and tumultuous events will take place in the latter days prior to the Second Coming. Can we find peace, hope and strength in the midst of these events? Using the scriptures and modern prophetic revelations, Brother Skousen clearly explains the events that will occur prior to the Savior's Second Coming. This book offers a wonderful message of hope and answers many important questions about His Return: What unique protection has the Lord promised the righteous in the latter days? Why must so many dreadful and turbulent events occur in the latter days? What organizations, laws and covenants must be established prior to His Return? What must take place in order to redeem the land of Zion? How will the city of New Jerusalem be planned and built? What does it really

mean to live in the fullness of times? How will this eventually be fulfilled? How can we best prepare ourselves for His Return? This eBook includes the original index, footnotes, table of contents and page numbering from the print format.

Church History Study Guide, Pt. 3 Randal S. Chase, 2012-05-31 Church History Study Guide, Pt. 3: Latter-Day Prophets Since 1844. This volume is the third of three on Church History and the Doctrine and Covenants. It covers Church history during the administration of all of its Prophet-Prophets since Joseph Smith. It begins with the succession of the Apostles after Joseph Smith's martyrdom, the building of the Nauvoo Temple, and the trek to the west of the Latter-day Saint pioneers. We follow them through Iowa, Winter Quarters, and on to Utah. We witness the colonization of the state of Deseret, while the rest of the country suffered from Civil War. Then we follow events through the administrations of all of the 19th-Century, 20th-Century, and 21st-Century prophets from John Taylor to Thomas S. Monson. We become familiar with the early lives, missions, marriages, and callings of each of these prophets, seeing how the Lord prepared them for the particular time that they led the Church. We finish with a look toward the future as we await the Second Coming of our Lord. The cover features a beautiful photograph of the Salt Lake Temple, taken at dusk during the Christmas season from the roof of the Joseph Smith Memorial Building.

A Book of Mormons Richard S. Van Wagoner, Steven C. Walker, 1982 Biographical highlights of seventy-eight figures in Mormon history.

Elder Statesman D. Michael Quinn, 2002 The young Reuben Clark struggled to gain an education in rural Granstville, Utah. Finally in 1890, at considerable inconvenience to his parents, he attended college in Salt Lake City, then Columbia University in Manhattan. Later he would become Undersecretary of State, Ambassador to Mexico, and counselor to three Mormon prophets. Quinn's revisitation of Clark's life might well be the last great biography of a twentieth-century Mormon leader.

Brigham Young University Studies, 1965 A voice for the community of LDS scholars.

The Mormon Hierarchy D. Michael Quinn, 1997 The Mormon church today is led by an elite group of older men, nearly three-quarters of whom are related to current or past general church authorities. This dynastic hierarchy meets in private; neither its minutes nor the church's finances are available for public review. Members are reassured by public relations spokesmen that all is well and that harmony prevails among these brethren. But by interviewing former church aides, examining hundreds of diaries, and drawing from his own past experience as an insider within the Latter-day Saint historical department, D. Michael Quinn presents a fuller view. His extensive research documents how the governing apostles, seventies, and presiding bishops are likely to be at loggerheads, as much as united. These strong-willed, independent men-like directors of a large corporation or supreme court justices-lobby among their colleagues, forge alliances, out-manuever

opponents, and broker compromises. There is more: clandestine political activities, investigative and punitive actions by church security forces, personal loans from church coffers (later written off as bad debts), and other privileged power-vested activities. Quinn considers the changing role and attitude of the leadership toward visionary experiences, the momentous events which have shaped quorum protocol and doctrine, and day-to-day bureaucratic intrigue from the time of Brigham Young to the dawn of the twenty-first century. The hierarchy seems at root well-intentioned and even at times aggressive in fulfilling its stated responsibility, which is to expedite the Second Coming. Where they have become convinced that God has spoken, they have set aside personal differences, offered unqualified support, and spoken with a unified voice. This potential for change, when coupled with the tempering effect of competing viewpoints, is something Quinn finds encouraging about Mormonism. But one should not assume that these men are infallible or work in anything approaching uninterrupted unanimity.
