

The Warden Daniel M Ford

W. H. Hamelle

The Warden Daniel M. Ford, 2023-04-18 A Recommended Reading List Pick for Locus and a Best Science Fiction & Fantasy Editors' Pick for Amazon A Reactor Magazine Best of the Year Pick Omigosh! I've just found an author to put on my list of I've got to read everything they ever wrote! The Warden is a gem of the first order. Aelis is my hero.—Glen Cook, author of *The Black Company* For fans who have always wanted their *Twin Peaks* to have some wizards, *The Warden* is a non-stop action adventure story from author Daniel M. Ford. There was a plan. She had the money, the connections, even the brains. It was simple: become one of the only female necromancers, earn as many degrees as possible, get a post in one of the grand cities, then prove she's capable of greatness. The funny thing about plans is that they are seldom under your control. Now Aelis de Lenti, a daughter of a noble house and recent graduate of the esteemed Magisters' Lyceum, finds herself in the far-removed village of Lone Pine. Mending fences, matching wits with goats, and serving people who want nothing to do with her. But, not all is well in Lone Pine, and as the villagers Aelis is reluctantly getting to know start to behave strangely, Aelis begins to suspect that there is far greater need for a Warden of her talents than she previously thought. Old magics are restless, and an insignificant village on the farthest border of the kingdom might hold secrets far beyond what anyone expected. Aelis might be the only person standing between one of the greatest evils ever known and the rest of the world. The Warden Series *The Warden* *Necrobane* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Advocate Daniel M. Ford, 2025-04-22 Omigosh! I've just found an author to put on my list of I've got to read everything they ever wrote! The Warden is a gem of the first order. Aelis is my hero.—Glen Cook, author of *The Black Company* These books are addictive and I can't wait to see what Aelis and the gang get up to next."—C.L. Clark, author of *The Unbroken Wineshops* on every corner. Assassins in every alley. It's good to be home. Aelis de Lenti is back on her home turf, but it's not quite as welcoming as she remembered.... Recalled from Lone Pine to investigate claims of murder by magic against her mentor—legendary Warden Bardun Jacques—Aelis takes to the streets of the grand city of Lascenise, and plumbs the deepest secrets of the Lyceum to clear his name. Certain of her success, she doesn't count on thieves, subterranean labyrinths, or the assassins that dog her steps from the moment she leaves her tower. Behind all of it lurks a ring of unknown wizards who can seemingly reach anyone with their magic. Without knowing who she can trust, Aelis must gather what allies she can to

unravel the web of intrigue, murder, smuggling, and theft originating in the halls of magic power. With an old friend from her college days, a war-haunted gnome thief-catcher, and the advice of her imprisoned advisor, Aelis races to save lives and expose a conspiracy that seeks to change the face of the world. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Necrobane Daniel M. Ford,2024-04-23 These books are addictive and I can't wait to see what Aelis and the gang get up to next."—C. L. Clark, author of *The Unbroken Hundreds of skeletons. One Necromancer. No wine in sight.* Aelis de Lenti, Lone Pine's newly assigned Warden, is in deep trouble. She has just opened the crypts of Mahlgren, releasing an army of the undead into the unprotected backwoods of Ystain. To protect her village, she must unearth a source of immense necromantic power at the heart of Mahlgren. The journey will wind through waves of undead, untamed wilderness, and curses far older than anything Aelis has ever encountered. But as strong as Aelis is, this is one quest she cannot face alone. Along with the brilliant mercenary she's fallen for, a half-orc friend, and a dwarven merchant, Aelis must race the clock to unravel mysteries, slay dread creatures, and stop what she has set in motion before the flames of a bloody war are re-ignited. *The Warden* The Warden Necrobane Advocate At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Sneak Peek for The Warden Daniel M. Ford,2023-02-07 For fans who have always wanted their Twin Peaks to have some wizards, *THE WARDEN* is a non-stop action adventure story from author Daniel M. Ford. Download a FREE sneak peek today! There was a plan. She had the money, the connections, even the brains. It was simple: become one of the only female necromancers, pass as many certifications as she could, get a post near the capital, then... profit. The funny thing about plans is that they are seldom under your control. Now Aelis, a daughter of a noble house and a trained Magister of the Lyceum, finds herself in the far-removed village of Lone Pine. Mending fences and delivering baby goats, serving people who want nothing to do with her. But, not all is well in Lone Pine, and as the villagers Aelis is reluctantly getting to know start to behave strangely, Aelis begins to suspect that there is far greater need for a warden of her talents than she previously thought. Old magics are restless, and an insignificant village on the furthest border of the kingdom might hold secrets far beyond what anyone expected. Aelis might be the only person standing between one of the greatest evils ever known and the rest of the free world. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
