Lisa-Jo Baker

Wild Things Stephen James, David Thomas, 2011-07-14 A practical guide to understanding the way, the mind, and the heart of a boy. A boy's endless imagination, hunger for adventure, and passionate spirit are matched only by his deep desire to be affirmed, esteemed, and loved. Yet over the past few decades, our culture has adopted a model of parenting and educating children that doesn't affirm, celebrate, nurture, or embrace a boy's wildness but rather seeks to tame it. As a result, many moms and dads find themselves frustrated, confused, and wearied by their sons' behavior. The truth is, boys don't need to be tamed—they need to be understood, loved, challenged, and encouraged. Based on clinical research and filled with practical tips and suggestions, therapists Stephen James and David Thomas give fresh insight and much-needed encouragement on the road to raising boys by talking about: Parenting the different stages in a boy's life Healthy discipline and correction Sitting still and paying attention Hot topics like screen time and dating Wild Things helps Christian parents, teachers, mentors, and coaches understand and explore the hearts, minds, and ways of boys and the vital role parents and caregivers play on the journey to authentic manhood.

Power, Agency, and Women in the Mission of God Susan L. Maros, Vince L. Bantu, Kirsteen Kim, 2024-05-10 This

volume fulfills the need for an accessible academic book that addresses the gender issues that women face as Christian disciples, whether in formal leadership roles or engaging leadership in informal means, and considers these issues in the context of world Christianity. In an era in which mission is “from everywhere, to everywhere,” when local churches strive to be missional, and when Christians are engaged in intercultural ministry, this book invites a scholar-practitioner conversation, engaging multiple disciplines and perspectives to explore the role of women in the mission of God. An interdisciplinary and intercultural conversation about women will enrich the church’s ongoing effort to be faithful to God’s call to women (and men) to participate in God’s work in the world.

What a Son Needs from His Mom Cheri Fuller, 2013-03-15 Ever Feel Like Your Son Is From a Different Planet? Don't worry, Mom. There's a good reason why your son perplexes you. He's the OPPOSITE sex! Boys really do think, communicate, and process the world differently than girls. But no matter your son's age, he needs you, and he needs you in not-so-apparent ways. Drawing from her own experiences, as well as those from moms and sons from around the country, Cheri Fuller shares what makes boys and young men tick and how to become a more welcome influence at every stage in their lives. She answers all the top questions, including: How can I help my son (and me!) deal with his emotions in a healthy way? School is such a struggle. How can I help him? Our personalities are SO different. How can we get on the same page? My son hardly says a thing. What can I do? What are the best ways to instill good values? How can I encourage a lasting faith in God? With page after page of use-it-today advice and encouraging stories, this book will help you steer your son toward becoming a caring, confident young man. Includes Reflection Questions for Personal or Group Use Great for understanding grandsons, too! Some mother-son relationships seem to add credence to the adage that 'men are from Mars, women are from Venus.' Even mothers who have a close bond with their sons may think they harbor a complete stranger when their male offspring reach puberty. Fuller is a speaker and author, as well as mother of three (two boys and a girl) and grandmother of six. She lists specific activities that all sons need from their mothers, such as encouragement, communication, prayer, and confidence-building. She adds questions at each chapter's end to 'ponder, journal or discuss,' lending the book to both individual and group study. Recommended for the parenting section of any church library. --Church Libraries

Divided: When the Head and Heart Don't Agree Bill Delvaux,Refraction,2015-03-10 The longest distance in the universe is between the head and heart. For Christ-followers, it is the chasm between what we say we believe in our minds and what we truly believe in our hearts: a split between our statements about God and our experience of Him. This divide is everywhere around us, causing untold devastation. It is found in the double lives of believers and in the hypocrisy of church leaders, but mainly we see it in ourselves. It is the default position of every human heart. In *Divided: When the Head and Heart Don't Agree*, Bill Delvaux exposes this divide and offers strategies to tackle it. The actual journey to cross the divide is sketched out, an epic journey that will take us into our deepest fear and shame and on into the wonder of God's presence. For becoming undivided is not just another task. It's the pathway into the very heart of the Father. Features include: Strategies for closing the divide between head and heart Specific prayers for each stage of the spiritual journey Thought-provoking questions for spiritual conversation or reflection

God Has Smiled on Me Daniel Whyte, III,2009-07 Daniel Whyte III's father, Rev. Daniel White, Jr., was not a perfect man but he loved his family dearly. And even though there were many problems in the family, Rev. White did what so many black fathers today do not do--he stayed with his family through thick and thin. This book is a tribute to him--a father who stayed. If we are honest with ourselves, we'll admit that what too many fathers also are, is missing--missing from too many lives and too many homes. They have abandoned their responsibilities, acting like boys instead of men. And the foundations

of our families are weaker because of it. --President Barack Obama The Chapters Below will Inspire You to be the Best Father that You Can Be: The Importance of Fathers Staying What Great Men Have Said About Their Fathers Great Black Fathers Besides My Own Father A Tribute to My Father's Legacy ...and much more

The Middle Matters Lisa-Jo Baker, 2019-07-23 The best-selling author of *Never Unfriended* opens up about midlife and what it feels like to have outgrown those teenage jeans—but finally grown into the shape of our souls. “I want to give Lisa-Jo’s book a standing ovation.”—Aarti Sequeira, chef and TV personality Do you ever wonder how you woke up one day with all the responsibilities of a grown-up who secretly enjoys buying groceries in bulk, can no longer recognize the tween celebrities on the magazines at checkout, but is still surprised when a Starbucks barista calls you “ma’am”—because your inside self is frozen in time to about twenty years ago? So does Lisa-Jo Baker. In these intimate reflections on midlife, Lisa-Jo invites us to get a good look at our middles and gives us permission to embrace them—beyond what the media, the mirror, or the magazines say. Through gutsy, beautiful storytelling, she admits out loud what most of us are thinking about marriage, parenting, the bathroom scale, and how badly we all want to buy those matching Magnolia Market mugs. Her delicious stories come from not being afraid of who she is, because Lisa-Jo knows that the middle might be the best part of the love story of life, kids, faith, doubt, marriage, failure, wonder, and the muffin top—and that these are all good things. She’s not asking you to seize the day, just to make sure you actually see it for all its wildly ordinary glory. Welcome to the middle! Praise for *The Middle Matters* “What a thought-provoking collection of reflections and wisdom! Through personal stories about love, loss, and life in the middle, Lisa-Jo invites us to take a long look inside our own mind’s secret nooks and crannies, which aren’t nearly as dark, scary, or ordinary as we might think.”—Layla Palmer, *The Lettered Cottage* blog “With captivating wit, hard-won wisdom, and breathtaking honesty, Lisa-Jo has written a love letter to the delicious middle.”—Mandy Arioto, president and CEO of MOPS International and author of *Have More Fun* “With Lisa-Jo’s guts as our unfettered guide, may we finally learn the sumptuous truth of our years: that a grilled cheese sandwich without the middle is just toast.”—Erin Loechner, founder of OtherGoose and author of *Chasing Slow* “Thank you, Lisa-Jo, for reminding women everywhere how important it is to find meaning in the midst of the confusing middle.”—Joy Prouty, artist and educator

Parenting with Heart Stephen James, Chip Dodd, 2018-10-16 Parents want to be the best person they can for their children, but much of the time they may feel like giraffes on ice—clumsy, unprepared, and in imminent danger of going down. The good news is, our children don't need perfect parents. They need authentic, fully-hearted, relationally engaged parents who can mess up and move on more than parents who always get it right. In this freeing book, respected therapists and bestselling authors Stephen James and Chip Dodd invite parents to let go of perfectionism and micromanaging as they learn to parent from a place of emotional honesty and intimacy. Through their clinical experience and relatable true stories, they show parents that raising children to become capable, loving, and wise-hearted adults is far more about accepting our flaws

than projecting an impossible standard to our children that we already know we can't live up to. Parents will learn how to resolve issues from their own childhoods, tune into their feelings and the emotions of their children, and be present with their families through both the best and worst of circumstances.

Modern Parents, Vintage Values, Revised and Updated Sissy Goff, Melissa Trevathan, 2020-06-09 Why is anxiety so rampant among kids today? What's the magic age for giving my child his first cell phone? Her first social media account? How do I teach my teenager things like gratitude and respect in such an entitled and disrespectful world? Melissa Trevathan and Sissy Goff hear these types of questions on a daily basis in their counseling offices and at parenting events across the country. Today, more than ever before, we live in a culture that is at war against our parenting. And today, more than ever before, we're meeting parents who feel lost as to how to help. This book does just that. It addresses the issues we hear parents struggling with the most when it comes to raising their children (technology, disrespect, entitlement, substance abuse, anxiety, depression, etc.), but it doesn't stop there. Melissa and Sissy move through those modern-day troubles to get back to the vintage values we all deeply value in the lives of kids. They help you discover—whether your child is a toddler or a teenager—what it looks like to cultivate kindness, gratitude, integrity, responsibility and more in the lives of the kids you love. *Modern Parents, Vintage Values* offers you a roadmap—a way through the hurdles you are facing today in your parenting—helping you discover more of how to instill those true, foundational, vintage values that will make a lasting difference in the lives of your kids...values that are built upon an unshakeable foundation of faith and hope. And that's ultimately where this map will lead—to Christ—and to what it looks like for both you and your kids to have hope in Him in these changing times.
