Deliberately Simple Life Quotes Dr. Stephen Zemanek, 2013-06-19 Life can become complex and challenging for all of us. If we are not consciously working towards expanding our thinking we will slide into a tiny life with few options. One of the best ways we can expand our view on life is by considering the thoughts of others. At times the thoughts of others will be proven wrong. At times the thoughts of others will prove themselves to be exceedingly insightful. Regardless of the conclusion we reach about another's view our lives become bigger simply by the act of considering them. Thoughts, ideas, concepts, and humor develop us into the person we are becoming. A world without keen or witty thoughts is drab and empty. This book is designed to take you through each day of the year with a new thought to consider. Some of these thoughts you will love and others you will disagree with. However, as you read through this book you will discover new ideas to consider each day.

Part Two: Caught in the Act recounts the year of anger and counseling in which they attempted reconciliation. Part Three: Caught in the Arms of a Loving God tells their story of recovery and the ten holy habits the practice to keep their marriage strong. They now live by the adage, "Be good. And if you can't be good, get caught."
