Gerri Hill

After the Summer Rain Gerri Hill, 2019-09-01 Workaholic Erin Ryder was on the fast track to self-destruction. Reeling after her lover walked out on her, she turned to booze and caffeine to make it through each day. After a family intervention, she finds herself on a remote ranch in New Mexico—on womyn's land—to detox and heal. No cell service, no Internet—she's convinced she won't last three days, much less for the three-month sentence her father has mandated. Running from the chaos that had become her life, Melanie West moved to Eagle Bluff Ranch seven years ago. By far the youngest there, she embraced the compassionate, peaceful life that the elders espoused. Living off what her garden produced, her chickens and goats became her friends and confidants. Exposure to the outside world was limited to the handful of guests who stayed a few days at the ranch each year. This summer would be different. Melanie found herself hosting a young woman for three months. A young woman who wanted to be anywhere but there. As the days and weeks passed, their animosity turned to friendship as they helped the other heal from their past failures. Erin soon found herself loving life on Mel's little farm. Loving life and loving Mel. Saying goodbye would be the hardest thing she had to do—saying goodbye to Mel...or saying goodbye to her previous life.

Dawn of Change Gerri Hill, 2005-02-01 Susan Sterling wanted nothing more than to escape her life... and her marriage. The family's secluded cabin in Kings Canyon National Park seemed the only place for her to find peace. But it took Shawn Weber coming into her life for her to find the courage to make changes. The budding friendship between the two women strengthens into an intense emotional bond, a bond that soon eclipses friendship. Despite pressure from her family to reconcile with her husband, Susan can't deny the feelings that Shawn stirs in her. Susan finds she's willing to forsake her entire family for a chance at love with Shawn.

Partners Gerri Hill, 2008-12-01 Tori Hunter always worked solo, but in Samantha Kennedy she found a partner, in more ways than one. Casey O'Connor isn't thrilled to learn that she has a new partner on the way. It's been hard enough to transition from working with live victims to dead ones. Now Leslie Turner is going to slow down the process. Professional duty trumps personal issues as the detectives focus on their latest case, a killer whose choice of victim is solitary women. The investigation raises a lot of questions around the killer's means and opportunities. Leslie would be happy if the questions stopped there, but she's also wondering why she'd rather spend time with these women—specifically Casey—than with her

fiancé. Casey would also like to stick to business, but as the case intensifies she finds herself also watching Tori and Sam and wondering how they balance their public personas and private passions. Figuring it out is a pointless exercise, she tells herself, because that kind of lightning can't possibly strike twice. *Partners* concludes the series that began with the chart-topping bestseller *Hunter's Way*, and continued with the Lambda Literary and Golden Crown finalist *In the Name of the Father*—with the sizzling intensity that only Gerri Hill can deliver.

The Locket Gerri Hill, 2018 Two women form a bond as secrets are shared and they're forced to trust each other as a stalker turns into a hunter.

Keepers of the Cave Gerri Hill, 2012-07-01 While the investigations go on in Dallas and Baton Rouge after the disappearance of a senator's daughter, FBI agents CJ Johnston and Paige Riley are assigned to the sleepy backwoods of East Texas for a dead-end assignment to infiltrate an all-girls school. Random disappearances dating back fifty years and more raise red flags that point to the tiny, isolated community of Hoganville. But CJ and Paige fear there will be little distraction from the memories of the one-night stand they shared six months ago. Nevertheless, they integrate themselves into the lives of the teachers and staff, but soon the odd behavior of the townspeople has them convinced something sinister lurks there. Something, perhaps, that even the residents of Hoganville don't know about. Six-time Goldie winner Gerri Hill delivers thrills and passion in the chilling *Keepers of the Cave*.

The Locket Gerri Hill, 2018-03-01 Danielle Stevens is Hollywood's "next big thing" in a long line of next big things. When she goes to Dallas to prepare for a role—shadowing Detective Harper Jeremiah—she's not only running from her fame...she's also running from a stalker. Harper Jeremiah wouldn't recognize a Hollywood actress even if she bumped into one on the street. The last thing she wants to do is to get pulled from her current case to have an actress follow her around. But the perceived babysitting gig quickly turns into a protection detail as the threats against Dani escalate. The two women form a bond as secrets are shared, trust builds, and the stalker turns into a hunter. As the stalker's pursuit becomes relentless, Harper becomes even more determined than ever to protect Dani at any cost. But could that unwavering conviction get them both killed?

The Neighbor Gerri Hill, 2018-08-01 When Laura Fry returns to her childhood home to care for her mother, she hopes the writer's block that has swallowed her writing career will disappear. She doesn't plan on turning into a "yard girl", but her mother's long neglected lawn beckons her to return it to the lush and colorful display it had been before her mother's accident. Laura also doesn't plan on making friends with the "nympho lesbian" next door—but she finds it impossible not to watch the parade of playmates that show up at her neighbor's pool. Cassidy Anderson likes pool parties and female company. And while the pool remains the same, the female company changes nearly every weekend. As her mid-forties approach at an alarming speed, she's still searching for the love of her life. When she finds herself seeking out the company of the cute

tomboy next door, Cassidy starts to think that maybe she's been looking in all the wrong places. Could it possibly be the neighbor who holds the key to her heart?

Hunter's Revenge Gerri Hill,2023-06-01 When a seventy-one-year-old man is shot dead in his home, it seems like a random act of violence. But the hundreds of photos of Detective Tori Hunter found at the scene seem to say otherwise. And when the gun that proves to be the murder weapon in the brutal murder of Tori's family some thirty-something years earlier is found, Tori is not only facing her past, but a massive conflict of interest. Booted from the case, Tori finds herself going it alone, searching for answers about the long-ago murder of her family. Tori doesn't just want justice. She wants revenge. With the help of an FBI hacker, her partner Casey O'Connor, and her wife Sam Kennedy, Hunter may finally get the revenge she's been searching for. Don't miss this final chapter in the acclaimed Tori Hunter series.

The Stars at Night Gerri Hill,2020-11-01 Self-described city girl Lexie Walton is a million miles from nowhere and completely out of her element. Park ranger Kyler Clemons had loved the vibe and the beach of Mustang Island. Getting caught with her boss's wife, however, got her transferred to the wild and remote Davis Mountains State Park—literally in the middle of nowhere. Now after four years, she's forgotten about the beach and has embraced the mountain life, feeling like a local. She hangs out at the Cottonwood Creek Bar and Grill. She watches football with Mark Walton. She's taken up birdwatching and stargazing as hobbies. She is perfectly content. No stress. No drama. And no desire to date. Then Lexie Walton waltzes into her life. After losing her cushy job in Austin—and unable to find another one—Lexie accepts her parents' offer to join them and her brother in running a rustic lodge and restaurant in the remote Davis Mountains of West Texas. Hesitant to commit to such a drastic move, she agrees to a trial run—two months. Two months would get her through Christmas and the New Year. Her friends thought she was foolish to make such a move. There was no nightlife, no parties, no spin class, and no green smoothies. And no chance of dating. That was a plus, however. After her breakup with Crazy Cathy, she wanted no part of the dating game. This remote area would do nicely. But then she meets this cute, tree-hugging park ranger who turns her world completely upside down.

Love Waits Gerri Hill,2010-07-12 High school sweethearts...and nobody knew. Ashleigh Pence had been the all-American high school girl: cheerleader, prom queen...and in love with another girl. Gina Granbury hasn't thought about Calloway High in twenty years, but the arrival of the invitation to the class reunion brings back memories of Ashleigh and the betrayal that drove them apart. With no real choice, Ashleigh has to go the event, hoping that it's not the one reunion that Gina decides to attend after all these years. Gina had expected to dismiss the possibility as easily as she has during all the years since, but the curiosity is suddenly strong. Her long-broken heart has never mended, but that's no reason to go back in time...is it? Twenty years seem like yesterday in this latest passionate story from Golden Crown award winner Gerri Hill.

The Great Charade Gerri Hill,2021-12-01 Abby Carpenter is in a tailspin knowing she is about to spend ten days in the

company of her ex-girlfriend—who is now engaged to her brother—for a family holiday gathering in Red River, New Mexico. The same ex-girlfriend who last year at Christmas had lured her into bed. Abby's solution? A pretend girlfriend for the holidays would surely keep her ex away and in her own room at night, right? Nic Bennett's life has been far from ideal and Christmas is her most dreaded holiday of all as she relives horrors from the past. When an attractive stranger approaches her with the offer of a chance to get away for ten days, she agrees. But with a counteroffer that brings both anxiety and excitement to the desperate Abby. Among the holiday lights and snow-covered grandeur, the lines between pretend and reality blur as the two women have the time of their lives. Soon Abby learns it isn't her ex she can't resist. And Nic learns what it means to be part of a family for Christmas.

Gillette Park Gerri Hill, 2020-03-01 Gillette Park, a sleepy town nestled in the Rocky Mountains, harbors a secret. Twenty-three years ago, a young girl went missing. Two days later her body was found lodged beneath the footbridge over Boulder Creek. The murder shook the town but they soon found it was only the beginning. A serial killer hides among them—a serial killer who strikes twice, sometimes three times a year. Mason Cooper couldn't wait to leave Gillette Park. At eighteen, she headed off to college and the bright lights of Los Angeles, thinking she'd never return home to the broken family and forgotten friendships she'd left behind. But being a cop in LA lost its charm and—after a breakup—Mason heads back to her hometown. The serial killer still haunts Gillette Park and she becomes consumed with catching him. Dr. Grace Jennings has what some call a gift. She “sees” things. She “hears” things. Running from that gift was useless so she's learned to embrace it instead. Now the FBI has solicited her help in catching the serial killer. Not everyone in this mountain town has embraced the idea of bringing in a psychic, including Mason's uncle and boss, Sheriff Cooper. Mason is tasked with being the go-between and she soon finds herself with a front row seat as Dr. Jennings discovers the dark—and well hidden—secrets of Gillette Park. As Mason and Grace's friendship grows, so does their attraction. But safety lies only with each other, as they battle the evil that lives in Gillette Park.

She knows how to cook up success, but overlooks the basic ingredients to transform her private life into anything delicious—or even remotely satisfying. Grace is deeply annoyed when a long overdue vacation is interrupted by catering a women's pro golf tournament. Torrie Cannon, the Tour's young hotshot, takes one look at the famous chef and embarks on her usual plan of seduction—hot tonight, gone tomorrow. Torrie's bewitching charms are undeniably enticing. In spite of the sizzle between them, however, Grace is done with fast food relationships. What Grace wants is the one thing that has never been a specialty on Torrie's menu: love. than a side order of love.

She spends her solitary days walking childhood trails and reminiscing, trying to reconcile the conflict within her as she struggles with survivor's guilt. After the death of her husband, Hannah Larson needs a change. At the suggestion of her mother-in-law—and against her better judgment—she and her son Jack move to tiny Utopia and into her husband's grandmother's house. When Jack and Lindsey form an unlikely friendship, Hannah reluctantly joins them and the three spend the summer swimming and healing as laughter eventually replaces tears. After Jack goes back to school, Hannah assumes their summer fun is over. Instead, Lindsey continues to come around and now—as they find themselves alone—Hannah realizes just how close they've become. Soon, she finds herself struggling with her feelings as their friendship threatens to shift into something much deeper...something she fears she won't be able to fight. Something she fears she won't want to fight. A story of grief and healing...a story of love.

The Apple Diary Gerri Hill, 2023-12-01 Following the death of her grandmother, reluctant heiress Madilyn Marak agrees to stay with her grandfather at the estate for the summer. While there, she finds a diary—The Apple Diary—written by her great-grandmother Isabel, telling the story of a long ago love affair with a woman named Lorah. After reading about the affair, in the summer of 1933, Madilyn feels a bond with the two women and is determined to bring Isabel's beloved orchard—which had fallen into ruins—back to life again. The normally quiet and reserved Madilyn finds a new joy in life as she becomes friends with the outgoing and energetic Dylan Hayes who has come to live on the property and replant the orchard. As she is transformed from a stoic and passive heiress to a happy and spirited woman, she realizes the similarities of her journey and that of Isabel's. Like Isabel, will she marry a man she doesn't love? Or will she find the strength that eluded Isabel and follow her heart?

Lyon's Den Gerri Hill, 2025-05-01 When cynical journalist Joni James gets assigned to cover The Lyon's Den—a women's wilderness retreat in the Colorado mountains—she's armed with sarcasm and ready to write the takedown her boss expects. No phone. No wine. No chance she'll enjoy a single minute of this nature-loving nightmare. But as obstacle courses turn to opportunities and scavenger hunts spark unexpected joy, Joni finds herself drawn to the very things she planned to ridicule—especially the retreat's enigmatic and infuriatingly captivating owner, Kendall Lyon. With each yoga session and mountain hike, the walls around Joni's heart begin to crumble. Now she faces an impossible choice—deliver the scathing exposé that could advance her career or follow her heart into uncharted territory with the woman who helped her rediscover herself.

No Strings Gerri Hill, 2009-02-01 One mistake leads to a year of exile... Used to the busy playground of Winter Park,

police chief Reese Daniels is shipped off to sleepy Lake City, Colorado. She takes the job of sheriff seriously, but makes it clear to one and all: this year is just a blip in her life. When it's done, she's gone. Forest Ranger M. Z. Morgan has lived in Lake City long enough to be considered a local. The pace, the quiet and the many friends make life there well worth the lack of dating material. A girlfriend would still be nice, and the new sheriff is easy on the eyes. It's entirely natural for Morgan and Reese to be friendly, but Reese's repeated reminders that she's not sticking around make it impossible for anything more between them. That is, until they strike a no strings bargain. Some guaranteed exchange of heat as the long winter sets in seems just what they need to pass the time. So what if it's the best sex they've ever had? It's still only temporary. They won't mistake sex for more, even if it only gets better—month after month. After month. No Strings—it seemed like a good idea at the time.

Timber Falls Gerri Hill, 2022-07-01 The isolated, sleepy little village of Timber Falls—built on the bend of a swift mountain river—swells during the summer months as tourists flock to town to run the river, lured there by the Class V rapids. Haley Martin used to be what the locals called a “river rat”, back during the days of her college years. Now she owns the Timber Falls Bar and Grill, drawn back to the picturesque village seven years ago after the tragic death of her wife. Carter, a disgraced LAPD detective, was offered an out—a position on a team of unorthodox FBI agents. After a month of training, she is sent out on her own without a team or a partner. When the gruesome murder of a college student—a river rat—sends the FBI agent to Timber Falls, Carter has no idea what she’s about to find there. She knows she’s looking for a serial killer that’s preying on tourists. But she has no idea that she might find some peace—and love—along the way.

Sawmill Springs Gerri Hill, 2017-05-01 Homicide detective Mandi Murphy had seen enough bloodshed on the streets of Houston to last a lifetime. After a botched drug bust left a friend dead, she wanted out of the city. Peaceful little Sawmill Springs seemed like the perfect spot to start over. Six weeks on patrol proved the town to be as quiet and serene as she’d imagined. When things soured between FBI agent Kayla Dixon and her lover, she was ready for a change from the fast paced life she was living. Her father, the Police Chief in Sawmill Springs, offered her a job and she decided a change of pace was just what she needed. Her wish for slow and peaceful didn’t materialize, however, as mere hours after she starts her first shift, a prominent citizen is gunned down. The two women are thrust together to solve the murder and return Sawmill Springs to the sleepy small town the residents expect. As the investigation grows, so does their attraction. There’s just one problem—Murphy thinks Kayla is straight. Kayla admits to a failed marriage when she was eighteen and an ambiguous affair with another FBI agent convinces Murphy to steer clear of her. Kayla’s innocent flirting is met with skepticism and doubt...and temptation. Another murder not only strengthens their bond as partners but has them fighting to escape the clutches of a murderer. No longer able to ignore the budding attraction between them, they must decide if they are willing to start over...this time, together.

Angel Fire Gerri Hill, 2014-12-10 A vacation out of the city sounds like just the ticket for Tori Hunter and Sam Kennedy. Joining their Dallas Police Department pals Casey O'Connor and Leslie Tucker in a rented RV, they set out for the New Mexico mountains—and on a collision course with a manhunt. FBI agents Cameron Ross and Andrea Sullivan are tracking a deadly quarry in desolate territory. An ex-teammate from Cameron's Special-Ops days is in deep hiding, planning who-knows-what to cap off a killing spree. With a hostage at stake and time running out, Cameron reluctantly agrees to outside help from women she doesn't know...or trust. In the crossover that fans have been clamoring for, it's a heart-pounding race against time that challenges the courage and commitment of the exceptional women from Gerri Hill's Hunter's Way and Devil's Rock Series.
