**Be Bold. Believe.** Bob Bonnell, 2018-08-06 What is CommunionFire? For those who believe communion is who Jesus says it is, it becomes a personal, intimate, one-on-one communication with him in his glory. We encounter his life and love where we are, as we are, for who we are at that moment and 'as often as you do this' Be Bold. Believe. Otherwise, communion is reduced to nothing more than a static religious memorial or a leftover piece of bread and a sip of juice; and yet, he loves, never leaves or gives up to personally share the eternal warmth of his grace. - Why is Communion becoming the most determining factor of Christian faith in these last days? - Why did the Good Shepherd invite us to His Table to Do this? - Why does Jesus say to pray, Give us this day our daily bread? and, I am the bread of life. - Why did the Apostle Paul write, I share with you what the Lord shared with me, 'Do this to remember me.'? - Why did the Angel in Revelation tell John about hidden manna reserved for overcomers? - Why has the eastern and western Catholic Church preserved and protected the celebration of the Eucharist as the source and summit of Christian faith since the days of the early church? - Why did deacon Ephraim, who attended the Council of Nicaea, say, The Holy Qurbana is the bread of medicine and the wine of fire! as part of the Syrian Orthodox Church near Mosul around 350 A.D.? - Why did John Wesley, co-founder of Methodism preach the Lord's command to constant communion in his famous, Sermon 101? - Why did Smith Wigglesworth have communion at 4am every morning at the turn of the 20th century and then go about his plumbing appointments, healing the sick and raising the dead? - Why does international television pastor Joseph Prince, apostle of the Grace Revolution, preach and write so much about the need for regular, personal Holy Communion? - Why did Buzz Aldrin have communion as the 1st thing he did when he and Neil Armstrong landed on the moon for the 1st time in human history? - Why do two believers in a sleepy beach town in

South Carolina encounter miraculous insight and intimacy each morning during daily Holy Communion with Jesus, in their living room? Why? Jesus says, If you do this believing: you are partakers of my life, you have my promise of eternal life, you will be raised up on the last day to be with me forever and your life will be hidden with me in God as I can be in you, as your constant hope for eternal glory? If you don't, Jesus says, Truly, truly I say to you, unless you do this, you have no life within you.

**The Mountain, Called Church Doctrine** VICTOR UDODIONG,2020-12-29 This book, The Mountain Called Church Doctrine speaks about the power in the Word of God which has existed from the beginning and has glowed over the years from generation to generation. It also points out that the Word of God has not diminished in value rather the potency keeps on growing every blessed day. The value in the Word is the ability to understand and obey it to the letter irrespective of who is involved. The church is subject to the Word, so also is obedience demanded as a mark of acceptance and submission. Every

Word comes out with a mission to accomplish, reward, and to render account to the Creator. Hence, the Word is not subject to modernisation that the changes will affect its originality and potency but rather modernisation is subject to the Word which must conform to it. Therefore, the Church which is the body of Christ must adopt and adapt the Bible doctrines and ordinances given as a mark of submission.

*The Routledge Handbook of Religion, Medicine, and Health* Dorothea Lüddeckens, Philipp Hetmanczyk, Pamela E. Klassen, Justin B. Stein, 2021-11-24 The relationships between religion, spirituality, health, biomedical institutions, complementary, and alternative healing systems are widely discussed today. While many of these debates revolve around the biomedical legitimacy of religious modes of healing, the market for them continues to grow. The Routledge Handbook of Religion, Medicine, and Health is an outstanding reference source to the key topics, problems, and debates in this exciting subject and is the first collection of its kind. Comprising over thirty-five chapters by a team of international contributors, the Handbook is divided into five parts: Healing practices with religious roots and frames Religious actors in and around the medical field Organizing infrastructures of religion and medicine: pluralism and competition Boundary-making between religion and medicine Religion and epidemics Within these sections, central issues, debates and problems are examined, including health and healing, religiosity, spirituality, biomedicine, medicalization, complementary medicine, medical therapy, efficacy, agency, and the nexus of body, mind, and spirit. The Routledge Handbook of Religion, Medicine, and Health is essential reading for students and researchers in religious studies. The Handbook will also be very useful for those in related fields, such as sociology, anthropology, and medicine.

They Lied Martseah Ehbed, 2018-02-15 The teachings of Christianity and the truths of Scripture often clash with one another, but the Church doesn't seem to notice, or care. Calling out many popular preachers by name, Ehbed pulls no punches, exposing their deception with well-researched Biblical scholarship and common sense.

**Catastrophe Theology** Francis Kai, 2017-05-15 The Catastrophe Theology is a theology learned by Francis Kai throughout the years he was thrown into the Valley of Achor. Although he had been a Catholic from ten years old, Francis did not know to receive grace from God in deep suffering when his wife, Martha, was diagnosed with brain cancer. During his search for spiritual help, Francis discovered Martin Luther was the first theologian to preach suffering. Luthers doctrine of justification by faith alone is the doctrine of salvation by grace alone through faith alone. Grace is the free gift of God to mankind. A Christian must learn the way to receive grace through his faith in Christ. Francis learned to receive grace by learning Luthers teaching: Submit totally to God. He was transformed from living his church life to Christian life. God calls us to bear great fruit for his glory in this suffering world. Francis learned the verse of John 14:12 from Pastor Scott Scruggs to do greater things than Jesus by telling his readers about the theology of suffering. A church that does not preach suffering is not Gods church. Francis learned to be a godly man from living a life in doctrine.
