My People's Prayer Book Lawrence A. Hoffman,1997 Opens up the traditional Jewish prayer book as a spiritual resource....This groundbreaking new series involves us in a personal dialogue with God, history and tradition, through the heritage of prayer. The prayer book is our Jewish diary of the centuries, a collection of prayers composed by generations of those who came before us, as they endeavored to express the meaning of their lives and their relationship to God. The prayer book is the essence of the Jewish soul. This stunning work, an empowering entryway to the spiritual revival of our times, enables all of us to claim our connection to the heritage of the traditional Jewish prayer book. It helps rejuvenate Jewish worship in today's world, and makes its power accessible to all. Vol. 10--Shabbat Morning: Shacharit and Musaf (Morning and Additional Services) features the authentic Hebrew text with a new translation that lets people know exactly what the prayers say. Introductions explain what to look for in the prayers, and how to truly use the commentaries to find meaning in the prayer book. Framed with beautifully designed Talmud-style pages, commentaries from many of today's most respected Jewish scholars from all movements of Judaism examine Shacharit and Musaf from the perspectives of ancient Rabbis and modern theologians, as well as feminist, halakhic, Talmudic, linguistic, biblical, Chasidic, mystical, and historical perspectives. The People of the Book and the People of the Dubious Book (Penerbit USM) Muhammad Azizan Sabjan,2008 The question of the People of the Book (Ahl al-Kitāb) has long been of central significance to Islam and later to the study of

comparative religion. It becomes more crucial when Abū al-Fath Muhammad ‘Abd al-Karīm al-Shahrastānī (d.548/1153) develops another category known as “Man Lahu Shubhat Kitāb” (those who possess doubtful sacred scrolls) or “Ahl Shubhat Kitāb” (the People of a Dubious Book). The present book thus is of importance as it highlights the nature of the People of the Book and the People of a Dubious Book as understood in the Qur’ān and Islamic religious tradition. The discussion is carried out both by analyzing Islam as the only genuinely revealed religion as well as by addressing various Muslim scholars’ attitudes and responses to the reality and nature of the People of the Book and the People of a Dubious Book apropos the Qur’ān and the Islamic religious tradition. Evaluation of the nature of the People of a Dubious Book as exclusively developed by al-Shahrastānī is also discussed. It points out how he identifies these groups and how he treats them accordingly in his magnum opus, *al-Milal wa al-Nihal*. It is hoped that this book will provide a preliminary yet clear understanding of this concept, which hopefully can deepen our knowledge and enhance our perspective on the various delineations of the People of the Book and the People of a Dubious Book employed by Muslim scholars. This will eventually widen our sphere of the understanding of religious issues and any misunderstanding or narrowed perception of other religious traditions could be avoided.

Published by the Author Bryan Sinche, 2024-04-10 Publication is an act of power. It brings a piece of writing to the public and identifies its author as a person with an intellect and a voice that matters. Because nineteenth-century Black Americans knew that publication could empower them, and because they faced numerous challenges getting their writing into print or the literary market, many published their own books and pamphlets in order to garner social, political, or economic rewards. In doing so, these authors nurtured a tradition of creativity and critique that has remained largely hidden from view. Bryan Sinche surveys the hidden history of African American self-publication and offers new ways to understand the significance of publication as a creative, reformist, and remunerative project. Full of surprising turns, Sinche's study is not simply a look at genre or a movement; it is a fundamental reassessment of how print culture allowed Black ideas and stories to be disseminated to a wider reading public and enabled authors to retain financial and editorial control over their own narratives.

We the People: Poems of the Great Awakening. Book Three Michael Hedley Burton, 2019-09-02 The Great Awakening is a global movement by which a corrupt power structure is being systematically dismantled. This is C J Swan's third book on the subject. Originally the plan was to write three books but now a fourth is being worked on. The author is guided by the conviction that poetry is a unique art form that can play a special role in helping others to understand the significance of these world-shattering events taking place in our lifetime. The forward contains nineteen extracts from the breadcrumbs given by Q (also known as Q Anon) who has been an inspiration to the writing. For those new to the subject, this will serve as an introduction to something that is very misunderstood in the world today. The poems were mostly written between March and August of 2019. These poems are a call to take up arms in a peaceful revolution to save the world from tyranny. Swan shows that we do not have to be American to fight in this revolution - we just have to believe in the redeeming power of Truth.

Yeshua: Book of Deliverance Richard Lane, 2020-07-20 This book is the most complete and informed way to give you the children's bread and our instruments of spiritual warfare and inner healing. In this is listed as many ways of combating devils as is possible and how to deal with these from a personal level to a long distance level in every operation and every way they try to muster. This book is designed to let you pinpoint the area of where you need help, whether it's in self-deliverance or delivering others by God through you in many areas most applicable. This is for all believers from beginners to seasoned veterans of spiritual warfare; for all apostles, bishops, deacons, prophets, evangelists, pastors, teachers, and the congregations of the saints; and to all whom are called to be soldiers of Yeshua. If you're not a believer and you have asked God for help as your last ditch effort, and in return, you had promised to follow Him and give yourself to He who is without religion being forced upon you, this book is for you too, as well as those who have demonic activity who don't know where to go or who to turn to, especially without feeling shunned, ashamed, or disfellowshipped.

The Original People YAH Created Unknown Hebrew, 2019-07-21 *The Original People YAH Created. The Truth About the Earth's Dust and Man's Origin* Have you ever considered the color of the Earth's dust—from brown to black—and wondered how a man made from this dust could be pale? Common sense and Scripture tell a clearer story. YAHUAH formed the very first man with dark skin, creating him in His divine image. Contrary to many popular beliefs, the original man was not "Caucasian," as some traditions teach. This book shows you who the original people YAH created were and are according to the scripture. What Genesis 1:31 Reveals about the original people YAH created Genesis 1:31 declares, "And ELOHIM saw everything that He had made, and behold, it was very good. And the evening and the morning were the sixth day." This powerful statement confirms that YAHUAH's creation, including man, was perfect and complete—lacking nothing. Since YAHUAH formed man from the "dust of the ground," which naturally has rich dark tones, this fact establishes the truth about humanity's original appearance. Reclaim Biblical Authenticity Moreover, this truth challenges long-standing misconceptions and invites readers to explore Biblical history and identity more deeply. By examining YAHUAH's creation and the natural

world closely, readers gain fresh insight and a renewed appreciation for the divine design behind humanity. Therefore, this discussion encourages believers to reclaim authentic understanding based on Scripture. Embrace Your Spiritual Heritage Furthermore, this exploration helps you rethink what it really means to be made in the image of YAHUAH. You will embrace that the first man was dark, whole, and perfect in God's eyes. As a result, you can correct distorted narratives and strengthen your faith in Scripture as the ultimate authority. In addition, whether you seek to align your beliefs with biblical facts or desire to reclaim your spiritual heritage, this message calls you back to foundational truths. It provides a clear path toward spiritual clarity and identity. Looking for the sister to this book? Check out The Chosen Seed: Predestination.

The Books of "Is" Dr. R. Lowery-Hawk D.D. D.R.S. PhD., 2012-08-29 The first Books of IS, is full of contemplative designs and graphics, along with rhythmic writings. All are created to move gently, your senses, and your brain, to stir you awake, and into thinking, sensing and observing the life within you and around you. The writings and graphics are meant to be contemplated upon, and carried into your daily life, so to awaken you to the truth of you and the universe of life here, now, and beyond here and the now. I have also included pages at the end of each chapter for the reader's own inspired writings brought on by the repeated readings, and contemplations of the writings and graphics in this book, so to assist in the activation of your creative and intellectual mind: right and left brain functions. The Books of IS came about after my being mysteriously, intuitively guided, for over twenty-eight years, to write down messages of a higher conscious level, on truths of life, myself, and all life in general. The writings in BOOK ONE: The Dance of Becoming, are compiled writings from a higher presence of love that I was receiving, during a strong inter-sensing, to write down what was calling to me. This first began occurring during my pre-teens; then again as an adult, during times of great sorrow or/and loneliness. As an adult, and after writing for almost a year, the writings began taking on a deeper nature. They began to change into messages and memories of truth, guidance, and gentle love; coming forth, giving me more of the peace and joy they had been creating within me. The desire to write more called often and strongly, yet pleasantly to me; and the experience of it all was: ecstasy! I began to realize that I must have been touching down into deeper parts of myself, and then rising up to the higher parts of me: my Higher Soul! I was then feeling such peace, joy and knowing, that I no longer felt sadness nor loneliness; Instead I felt the great desire and joy to experience and to know more! It felt as if at these times I was my TRUE SELF! I felt complete and all knowing! I felt like I was with the Holy of Holies and the Angels! Then, in the year 1984, I was telepathically told by these Sacred Messengers of a higher power/Creator, to put all these writings into books, and when the time came, publish them to aid all mankind, all existence. From these writings, I receive messages and teachings that went beyond mundane and into the

higher planes of existence, connecting me with the Creator of all principles, of all life: There I connected with Holy Messengers of various kinds. I had asked for validation on all this and soon found myself miraculously being lead to the meeting of those who were Guardians of these ancient, long protected Sacred Truths; along with findings in old books; and other similar occurrences and people. These validations ranged from old mystery schools, of various kinds, to ancient indigenous beliefs on creation, and a higher powerful being; to more modern religions and scientific findings. I also was lead in syn with others, who too, were receiving similar writings with same truths; some written a bit differently. In 1884, I was given the spiritual, telepathic message, that in the future, I would be compiling these and other writings into books to be published for the world. This was so that many people could be reached more quickly, for the quickening had begun. They told me that the writings in this book and in others, were seed-truths, selectively and rhythmically placed; camouflaged, seeming at first, to those not ready, as stories of mere fantasy, so called: make-believe and sci-fi. I was told the writings are done this way so to gently but powerfully, unlock the encoded truths within those who hear or read them and view the graphics. These writings therefore, are like camouflaged words/codes, hidden to many, but obvious to those who were ready: remembering, awakening; therefore, protected from those who would abuse them and interpret them with misunderstanding, in a negative way; thereby, creating too much chaos.

Bookish People Susan Coll, 2022-08-02 A perfect storm of comedic proportions erupts in a DC bookstore over the course of one soggy summer week—narrated by two very different women and punctuated by political turmoil, a celestial event, and a perpetually broken vacuum cleaner. Independent bookstore owner Sophie Bernstein is burned out on books. Mourning the death of her husband, the loss of her favorite manager, her only child's lack of aspiration, and the grim state of the world, she fantasizes about going into hiding in the secret back room of her store. Meanwhile, renowned poet Raymond Chaucer has published a new collection, and rumors that he's to blame for his wife's suicide have led to national cancellations of his publicity tour. He intends to set the record straight—with an ultra-fine-point Sharpie—but only one shop still plans to host him: Sophie's. Fearful of potential repercussions from angry customers, Sophie asks Clemi—bookstore events coordinator, aspiring novelist, and daughter of a famed literary agent—to cancel Raymond's appearance. But Clemi suspects Raymond might be her biological father, and she can't say no to the chance of finding out for sure. This big-hearted screwball comedy features an intergenerational cast of oblivious authors and over-qualified booksellers—as well as a Russian tortoise named Kurt Vonnegut Jr.—and captures the endearing quirks of some of the best kinds of people: the ones who love good books. Praise for *Bookish People*: “A smart, original, laugh-out-loud novel . . . If you sell, buy, or simply love books, *Bookish People* is for you. I wholeheartedly recommend this quirky gem.” —Sarah Pekkanen, New York Times bestselling co-author of *The Golden Couple* Witty, hilarious, and heartwarming contemporary book about books Stand-alone novel Book length: approximately 84,000 words Includes discussion questions for book clubs

Representations of Technology in Science Fiction for Young People Noga Applebaum,2009-09-10 In this new book, Noga Applebaum surveys science fiction novels published for children and young adults from 1980 to the present, exposing the anti-technological bias existing within a genre often associated with the celebration of technology. Applebaum argues that perceptions of technology as a corrupting force, particularly in relation to its use by young people, are a manifestation of the enduring allure of the myth of childhood innocence and result in young-adult fiction that endorses a technophobic agenda. This agenda is a form of resistance to the changing face of childhood and technology's contribution to this change. Further, Applebaum contends that technophobic literature disempowers its young readers by implying that the technologies of the future are inherently dangerous, while it neglects to acknowledge children's complex, yet pleasurable, interactions with technology today. The study looks at works by well-known authors including M.T. Anderson, Monica Hughes, Lois Lowry, Garth Nix, and Philip Reeve, and explores topics such as ecology, cloning, the impact of technology on narrative structure, and the adult-child hierarchy. While focusing on the popular genre of science fiction as a useful case study, Applebaum demonstrates that negative attitudes toward technology exist within children's literature in general, making the book of considerable interest to scholars of both science fiction and children's literature.
