

Poona The F Dog

Asiatic Society (Kolkata, India)

Poona the Fuckdog Jeff Goode, 2008 Synopsis: Once upon a time there was a Fuck Dog. Named Poona. Poona was a very lonely Fuck Dog until one day she was visited by her Fairy God Phallus and taught how to play a fun game in her big pink box. Poona suddenly becomes a very popular Fuck Dog! Poona's adventures take her to the Kingdom of Do (where nobody did) ruled by a powerful television set. She meets, among others, Suzy-Suzy Cyber Assassin, a thespian shrub, lost space aliens, and she even talks to God! Poona finally grows old and must tell her fabulous story to all you little kiddies. Cast Size: cast of 8-17, depending on doubling

The Lives of Dwarfs Betty M. Adelson, 2005 The Lives of Dwarfs is extraordinary in its range and vision. Beautifully written. Totally absorbing.--Ursula Hegi, author of *Stones from the River* As a little person, husband, and father of a little person, I dream of the day when dwarfs attain full acceptance in society. The Lives of Dwarfs provides a giant step in that direction.--Rick Spiegel, former president of Little People of America This important book makes it possible for both average- and short-statured people to challenge our collective understanding of dwarfism as a synonym for diminishment or as an array of cute and evil fairy-tale figures. The libratory work of this book is to invite us all to reimagine dwarfism as a livable experience and tenable way of being in the world.--Rosemarie Garland Thomson, author of *Extraordinary Bodies: Figuring Physical Disability in American Culture and Literature* A work of compassionate scholarship. A unique contribution to the literature of physical deformity and social isolation and a gift to the individuals whose personal struggle this is.--Linda Hunt, actor Historically, they have borne the labels freaks and oddities; they have been collected as pets, displayed as spectacles, and treated as comic relief. Now, for the first time, in this elegant and comprehensive volume, the lives of dwarfs are explored in all their fullness and humanity. Spanning the centuries from ancient Egypt to the present, this unique social history chronicles the various ways this population has been exploited, describes their strategies for coping, and notes the persistent influence of mythology upon perceptions of them by others. The narrative also highlights the lives of eminent individuals and contains a thought-provoking account of the representation and participation of dwarfs in the arts, enhanced by outstanding color photographs. Betty M. Adelson, the mother of a daughter with dwarfism, brings special insight and sensitivity to the research. She traces the widespread mistreatment of dwarfs over the centuries, engendered by their being viewed as curiosities rather than as human beings capable of the same accomplishments as people of average height, and

deserving of the same pleasures. For much of their history, dwarfs have resorted to exhibiting themselves: because of social stigma no other employment was available. Only in recent years have short-statured individuals begun to challenge their position in society. Medical advances, new economic opportunities, and disability legislation have led to progress, mainly in Western nations. Advocacy groups have also formed in countries as diverse as Chile, South Korea, and Nigeria. Adelson compares what she refers to as the small revolution to similar social and cultural awakenings that women, African Americans, gays and lesbians, and persons with disabilities experienced when they identified themselves as a community with shared goals and obstacles. Written with passion, grace, and the dignity that the subject deserves, *The Lives of Dwarfs* will not only revolutionize current perceptions about the historically misrepresented dwarf population, but also offer pause for thought on issues of disability, medical treatment, height, beauty, and identity.

The New York Times Theatre Reviews 1999-2000 New York Times Theater Reviews,2001-12 This volume is a comprehensive collection of critical essays on *The Taming of the Shrew*, and includes extensive discussions of the play's various printed versions and its theatrical productions. Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play. The issues discussed include gender, authority, female autonomy and unruliness, courtship and marriage, language and speech, and performance and theatricality.

The Mahānubhāvs Antonio Rigopoulos,2011 The ascetic devotional sect known as the Mahanubhavs - 'Those of the Great Experience' - arose in thirteenth-century Maharashtra and initially experienced a fairly rapid expansion across the northern and eastern areas of the region. However, by the end of the fourteenth century the sect had moved underground, having withdrawn to remote areas and villages in order to achieve defensive isolation from the larger Hindu context. Although the prominent leaders of the early Mahanubhavs were Brahmans (often converts from the prevailing advaita vaisnavism), their followers were (and are) mostly non-Brahmans - those of the lower castes, and even untouchables. Thus the Mahanubhavs were met with prejudice and distrust outside of their own closed circles, and this isolation continued until

the beginning of the twentieth century. This volume offers an overview of the origins and main religious and doctrinal characteristics of the Mahanubhavs movement, with a particular focus on the aspects that reveal their difference and nonconformity.

Mehera-Meher: A Divine Romance David Fenster,2021-01-21 Mehera-Meher is the story of an intimate, Divine Romance between the Beloved and his closest disciple. The three-volume paperback set draws deeply from Mehera's firsthand narrative gathered from over 200 hours of tape recordings made by the author, David Fenster, from the years 1974 to 1982. To this he painstakingly researched and added other historical material from Mehera and those close to her to create an epic, 1785-page biography of Avatar Meher Baba's foremost woman disciple. This is the latest, revised edition, and contains numerous corrections and additions to previous editions.
