

Dutch East India Company

T. Volker

Seventeenth-century Burma and the Dutch East India Company, 1634-1680 Wil O. Dijk, 2006 Accompanying CD-ROM contains Appendices.

Dutch East India Company Merchants at the Court of Ayutthaya Bhawan Ruangsilp, 2007-05-31 No European country enjoyed such long-standing relations with the Thai Kingdom of Ayutthaya as the Netherlands. This study focuses on the perceptions of the merchants of the Dutch East India Company (VOC) of the Thai royal court in the seventeenth and eighteenth century. Basing herself on a wealth of Dutch primary sources, the author shows how trade, politics, and diplomacy shaped a unique relationship based on 'partnership' and a 'sense of differences'. The book contributes to expanding the study of the history of Ayutthaya—known for its scarcity of sources— with the help of contemporary Dutch views.

Dutch Factories in India -- Volume II (1624-1627) Om Prakash, V. B. Gupta, 2007 The Records Of The Dutch East Company Are Recognized to Be A Major Source Material On Indian History For The Seventeenth And The Eighteenth Centuries.

The Dutch East India Company F. S. Gaastra, 2003 De geschiedenis van de Verenigde Oostindische Compagnie en met name de sociaal-economische aspecten, vanaf de oprichting in 1602 tot aan de ondergang aan het einde van de achttiende eeuw

Porcelain and the Dutch East India Company T. Volker, 1954

The Dutch East India Company Hourly History, 2017-10-18 The Dutch East India Company Once valued at close to seven trillion dollars by today's standards, the Dutch East India Company, formed in 1602, became the world's first multinational corporation. In the nearly 200-year reign of their empire at sea, the Dutch East India Company amassed unfathomable fortunes, laid the foundation of the modern globalized world, and built monopolies that controlled the economy of the seventeenth and eighteenth centuries in Europe and the East Indies. Inside you will read about... - The Superstructure of the VOC - The Growth of VOC's Colonies and Trade Routes - The Golden Age - Reorientation and the Expansion Age - The Great Wars and Conquests of the VOC - Decline and Fall And much more! The rich history of the Verenigde Oostindische Compagnie commonly referred to as the VOC, and its titanic exploits are as astonishing as the twelve labors of Hercules. Uncover the organization that in no small part built the world we live in from the ground up.

The Dutch East India Company Profile Nelida Braga,2021-05-31 The Dutch East India Company, officially the United East India Company (Dutch: Vereenigde Oostindische Compagnie; VOC), was a megacorporation founded by a government-directed consolidation of several rival Dutch trading companies (voorcompagnieën) in the early 17th century. Inside you will read about... □ The Superstructure of the VOC □ The Growth of VOC's Colonies and Trade Routes □ The Golden Age □ Reorientation and the Expansion Age □ The Great Wars and Conquests of the VOC □ Decline and Fall And much more! The rich history of the Verenigde Oostindische Compagnie commonly referred to as the VOC, and its titanic exploits are as astonishing as the twelve labors of Hercules. Uncover the organization that in no small part built the world we live in from the ground up.

Merchant in Asia E. M. Jacobs,2006 For much of its two centuries of existence (1602 to 1799), the VOC, the Dutch East India Company was the largest trading company in the world. Although the VOC was established to operate primarily as a trading company, it soon also came to play a prominent military, diplomatic and political role on the Asian stage and eventually it laid the foundations of the Dutch colonial empire in the Indonesian Archipelago. Merchant in Asia is the first study to pay attention to the full breadth and width of the VOC commercial activities in Asia. It looks at the company from the peak of its fame until its final decline at the end of the eighteenth century. The study focuses on the main trade goods - spices, Indian textiles, Chinese tea and Javanese coffee - and their specific by-products. Els Jacobs has analyzed in detail the VOC trade in fifteen of the most important commodities that together made up 85% of the total turnover. This innovative study is based on extensive research of the VOC archives and many other Dutch sources, as well as a detailed quantitative analysis of the VOC bookkeeping records. In the study the author sketches in vivid detail how the merchants of the VOC sold, bought, and even supervised the production of tropical products and how they dealt with Asian suppliers and consumers. In addition, she looks at the range of problems the merchants encountered in the maritime trade from Yemen and Persia in the West to China and Japan in the East, including India, Ceylon, Malacca, and the Indonesian Archipelago.

Dutch East India Company Melda Borge,2021-05-31 The Dutch East India Company, officially the United East India Company (Dutch: Vereenigde Oostindische Compagnie; VOC), was a megacorporation founded by a government-directed consolidation of several rival Dutch trading companies (voorcompagnieën) in the early 17th century. Inside you will read about... □ The Superstructure of the VOC □ The Growth of VOC's Colonies and Trade Routes □ The Golden Age □ Reorientation and the Expansion Age □ The Great Wars and Conquests of the VOC □ Decline and Fall And much more! The rich history of the Verenigde Oostindische Compagnie commonly referred to as the VOC, and its titanic exploits are as astonishing as the twelve labors of Hercules. Uncover the organization that in no small part built the world we live in from the ground up.

The Dutch East India Company and British East India Company Charles River Editors,2016-11-30 *Includes

pictures *Includes contemporary accounts of the companies *Includes a bibliography for further reading From classic grilled meat to exotic and savory 5-star dishes, pepper has long been the ultimate staple spice. While bulk pepper may be readily stocked in supermarkets and convenience stores today, there was once a time when the common spice was considered one of the most valuable commodities in the world. Merchants tripped over one another to get their hands on the tiny black beads, which live in colorful clusters of berry-like shells reminiscent of Christmas lights. They were so precious that an uncountable number of men crossed the turbulent and uncharted seas for them. In fact, the tropical spice was so highly sought after that blood was shed over the edible gold. To many, the mention of maritime merchants evokes an imagery of growling pirates donned in their stereotypical hats and a colorful parrot perched upon their shoulders. These nautical rascals wander the high seas in search of treasure and adventure. Though that imagery may be inaccurate, the real life companies that once dominated international waters operated on a similar thirst for conquest and riches. Perhaps the most famous - or as many would put it, infamous - of these naval corporations was the Dutch East India Company, also known as VOC. Established around the beginning of the 17th century, this nautical behemoth of a corporation was determined to squeeze everyone else out of the market. Vested with the power to wage war and exterminate any who dared stand in their way, the rest of the world stood by as the unstoppable force took over the whole of international maritime trade. The company would crush its opponents on the way to the top, establishing a monopoly on the global spice trade that would not only rock the world but forever change the course of modern business history. The British East India Company served as one of the key players in the formation of the British Empire. From its origins as a trading company struggling to keep up with its superior Dutch, Portuguese, and Spanish competitors to its tenure as the ruling authority of the Indian subcontinent to its eventual hubristic downfall, the East India Company serves as a lens through which to explore the much larger economic and social forces that shaped the formation of a global British Empire. As a private company that became a non-state global power in its own right, the East India Company also serves as a cautionary tale all too relevant to the modern world's current political and economic situation. Beyond its obvious influence in areas like trade and commerce, the East India Company also served as a point of cultural contact between Western Europeans, South Asians, and East Asians. Quintessentially British practices such as tea drinking were made possible by East India Company trade. The products and cultural practices traveling back and forth on East India Company ships from one continent to another also reconfigured the way societies around the globe viewed sexuality, gender, class, and labor. On a much darker level, the East India Company fueled white supremacy and European concepts of Orientalism (See Said, Orientalism). One of the major reasons that the East India Company remains the subject of intense interest is that the consequences of its influence remain visible in India, Britain, and other parts of the world to this day. While the British Crown eventually replaced the East India Company as the governing authority of India, the systems of production they had established remained intact. More than half a century after India declared independence from the

British Empire, the economic and cultural effects of this colonial system of production remained apparent. The disparities in wealth and power between the Global North and the Global South may not stem from the East India Company alone, but the company played an indisputable role in imperial processes.

A Defence of the United Company of Merchants of England, Trading to the East-Indies, and Their Servants, (particularly Those at Bengal) Against the Complaints of the Dutch East-India Company: ... East India Company, 1762

East India Company and Dutch East India Company: A History from Beginning to End Hourly History, 2018-10-11
East India Company and Dutch East India Company* * *Download for FREE on Kindle Unlimited + Free BONUS Inside!* *

*The East India Company Founded at the dawn of the seventeenth century as European nations were establishing global empires, the English East India Company would become a vital part of burgeoning British supremacy. Begun as a joint-stock company for trade with the East Indies, this organization would evolve into one of the world

In the Shadow of the Company: The Dutch East India Company and its Servants in the Period of its Decline (1740-1796)
Chris Nierstrasz, 2012-08-27 Is there any truth in the story that the morality of the servants of the Dutch East India Company in the eighteenth century was so rotten that one should believe the Dutch maxim 'Vergaan Onder Corruptie' - in translation something like 'Succumbed to Corruption' - and use this as an explanation for a very complex phenomenon? Chris Nierstrasz introduces us in his *In the Shadow of the Company*, to the realities of the decision makers and of the servants in the field. Responding to the changing realities in Asia, the Company could only try to use the mercantile potential of its higher echelons to postpone its downfall. In a situation in which the directors were not able to increase investment from Holland, the servants in Asia were forced to take up the challenge.

The Dutch East India Company and the Economy of Bengal, 1630-1720 Om Prakash, 2014-07-14 Om Prakash reveals the central role played by Bengal in the Dutch East India Company's activities in India in the seventeenth and the early eighteenth century and the resulting integration of India into the world economy. Originally published in 1985. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

The Decline and Fall of the Dutch East India Company Justus Maria Van der Kroef, 1948

The Dutch East India Company in Early Modern Japan Michael Laver, 2020-04-16 Michael Laver examines how the giving of exotic gifts in early modern Japan facilitated Dutch trade by ascribing legitimacy to the shogunal government and by playing into the shogun's desire to create a worldview centered on a Japanese tributary state. The book reveals how

formal and informal gift exchange also created a smooth working relationship between the Dutch and the Japanese bureaucracy, allowing the politically charged issue of foreign trade to proceed relatively uninterrupted for over two centuries. Based mainly on Dutch diaries and official Dutch East India Company records, as well as exhaustive secondary research conducted in Dutch, English, and Japanese, this new study fills an important gap in our knowledge of European-Japanese relations. It will also be of great interest to anyone studying the history of material culture and cross-cultural relations in a global context.

VOC John Landwehr,2024-06-03 At the height of its power and influence in the seventeenth and eighteenth century the VOC - acronym for the United Netherland East India Company - was the greatest commercial concern in the world. The scope of its activities extended from the Cape of Good Hope to Japan. In some aspects, the Baltic trade and the North Sea fisheries were of more fundamental relevance for the economy of the Lowlands. But it was the more spectacular East Indian trade which aroused the admiration and the envy of foreigners, sometimes to the point of war. In this bibliography several topics are covered. Not only technical matters such as the legal status of the VOC, its management, directors and shareholders, but also subjects as voyages, battles, ship building, navigation, geography, natural history, ethnography, mission work, ministration, and many others. With 1674 entries, fully described and fully indexed.

The Dutch East India Company's Tea Trade with China Yong Liu,2007 This case study of the tea trade of the Dutch East India Company with China deals with the most profitable phase of the Dutch Company's China trade, focusing on the question why and how the tea trade was taken out of the hands of the High Government in Batavia and put under the supervision of the newly established China Committee in 1757. Various factors which contributed to the phenomenal rise of this trade and its sudden decline are dealt with in detail. Filling in lacunae left open by previous research and this monograph contributes to a more comprehensive understanding of the VOC trade with Asia.

The Dutch East India Company and Mysore, 1762-1790 Jan van Lohuizen,2014-11-14

Dutch East India Company Merchants at the Court of Ayutthaya Bhawan Ruangsilp,2007 This book deals with the early modern Dutch-Thai interactions as told by the merchants of the Dutch East India Company (VOC) who concurrently tried to find a balance between their 'partnership' with and 'sense of differences' from the Thai elite.

Dutch East India Company Introduction

In the digital age, access to information has become easier than ever before. The ability to download Dutch East India Company has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Dutch East India Company has opened up a world of possibilities. Downloading Dutch East India Company provides numerous advantages over physical

copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Dutch East India Company has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Dutch East India Company. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also

upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Dutch East India Company. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Dutch East India Company, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Dutch East India Company has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Dutch East India Company Books

1. Where can I buy Dutch East India Company books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online

Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.

2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
