Teaching Children English as an Additional Language Caroline Scott, 2008-08-28 Here is a classroom scenario that many teachers face: out of 30 children in the class, two-thirds speak a different language at home. This book is an easy-to-use 10-week teaching programme for children aged 7-11 (key stage 2) new to English.

*Projects with Young Learners* Diane Phillips, Sarah Burwood, 2013-05-20 Contains practical, tried-and-tested ideas and materials for planning, organizing, and carrying out project work with children aged between 5 and 13. Combines language and skills development with activities which challenge young learners and motivate them to be independent.

**Young Learners** Sarah Phillips, 1993-12-16 Based on the principle that English lessons form an integral part of a young learner's whole education, and that the teacher has a responsibility than the simple teaching of the language system. This work provides practical ideas for a variety of language practice activities, including art and crafts, drama, games, storytelling, and songs.

*Very Young Learners* Vanessa Reilly, Sheila M. Ward, 1997-06-12 This popular series gives teachers practical advice and guidance, along with resource ideas and materials for the classroom. The tasks and activities are clearly presented, and offer teachers the information they need about level, time, preparation, materials, classroom management, monitoring, and follow-up activities. Each book offers up to 100 ideas, as well as variations that encourage teachers to adapt the activities to suite their individual classrooms.

*Drama with Children* Sarah Phillips, 1999-05-27 This popular series gives teachers practical advice and guidance, along with resource ideas and materials for the classroom. The tasks and activities are clearly presented, and offer teachers the information they need about level, time, preparation, materials, classroom management, monitoring, and follow-up activities. Each book offers up to 100 ideas, as well as variations that encourage teachers to adapt the activities to suite their individual classrooms.

**Storytelling with Children** Andrew Wright, Alan Maley, 2025-01-06 Exploits children's natural love of stories by using them to develop an awareness of the sound and feel of English, and an understanding of language points. Presents a wide variety of ideas for using stories to teach English to children. Includes a selection of ready-to-tell stories, although the activities can be used with any story. Provides photocopiable worksheets.

*ProFile 2: Teacher's Book* John Hughes, 2005-04-14 Clear introduction to business for teachers and students. Global content and authentic sources. Integrated video CD-ROM with Student's Book. Progressive language syllabus. Fluency-driven case-studies (levels 2 and 3). Complete commercial writing syllabus. Video/DVD available for each level.
