100 British Crime Writers Esme Miskimmin,2020-11-12 100 British Crime Writers explores a history of British crime writing between 1855 and 2015 through 100 writers, detailing their lives and significant writing and exploring their contributions to the genre. Divided into four sections: 'The Victorians, Edwardians, and World War One, 1855-1918'; 'The Golden Age and World War Two, 1919-1945'; 'Post-War and Cold War, 1946-1989'; and 'To the Millennium and Beyond, 1990-2015', each section offers an introduction to the significant features of these eras in crime fiction and discusses trends in publication, readership, and critical response. With entries spanning the earliest authors of crime fiction to a selection of innovative contemporary novelists, this book considers the development and progression of the genre in the light of historical and social events.

Edinburgh Companion to Twentieth-Century Scottish Literature Ian Brown, 2009-07-03 This volume considers the major themes, texts and authors of Scottish literature of the twentieth and, so far, twenty-first century. It identifies the contexts and impulses that led Scottish writers to adopt their creative literary strategies. Moving beyond traditional classifications, it draws on the most recent critical approaches to open up new perspectives on Scottish literature since 1900. The volume's innovative thematic structure ensures that the most important texts or authors are seen from different perspectives whether in the context of empire, renaissance, war and post-war, literary genre, generation, and resistance. In order to provide thorough coverage, these thematic chapters are complemented by chronological 'Arcade' chapters, which outline the contexts of the literature of the period by decades, and by 'Overview' chapters which trace developments across the century in theatre, language and Gaelic literature. Taken together, the chapters provide a thorough and thought-provoking account of the century's literature.

The search leads her to an unfamiliar world where wind-farm developers with millions of pounds at stake and protesters face each other with daggers drawn. Just as Alice thinks an answer is beginning to emerge, the sheriff's lover is killed in an apparent hit-and-run accident. An unlikely coincidence or, as the search widens, is Alice now investigating a double murder?
