Fairness in Consumer Contracts Chris Willett, 2016-12-05 This book focuses on unfair contract terms in consumer contracts, in particular the existing legislation and the proposals by the Law Commissions for a new unified regime. In this context it considers, in particular, what we mean by fairness (both procedurally and in substance); the tools used; the European dimension; the move from general principles from the more piecemeal approach typical in UK legal tradition; and the further move in this direction as a result of the Unfair Commercial Practices Directive.

Beginning Business Law Chris Monaghan, 2015-02-11 Whether you're new to higher education, coming to legal study for the first time or just wondering what Business Law is all about, Beginning Business Law is the ideal introduction to help you hit the ground running. Starting with the basics and an overview of each topic, it will help you come to terms with the structure, themes and issues of the subject so that you can begin your Business Law module with confidence. Adopting a clear and simple approach with legal vocabulary explained in a detailed glossary, Chris Monaghan breaks the subject of Business Law down using practical everyday examples to make it understandable for anyone, whatever their background. Diagrams and flowcharts simplify complex issues, important cases are identified and explained and on-the-spot questions help you recognise potential issues or debates within the law so that you can contribute in classes with confidence. Beginning Business Law is an ideal first introduction to the subject for LLB, GDL or ILEX and especially international students, those enrolled on distance learning courses or on other degree programmes.

DPB30073 BUSINESS LAW Fairuz Sofia, 2021-09-30 Typically, law books are mostly heavily worded and without graphics that are not really enjoyed to read. DPB30073 Business Law book is more engaging and easier to understand because it uses comics as a method of explanation. According to Spiegel, et. al., (2013) comics are very effective in attracting the attention of teenagers who are less interested in learning and creating a deeper understanding of the issues presented. This book covers on the legal aspects of doing business in Malaysia. It relates to the introduction to the principles of law in Malaysia, the basic principles of contracts, the legal aspects of business entities, law of agency and the sale of goods. DPB30073 Business Law book fulfills the syllabus of DPB30073 Business Law for Malaysian Polytechnic. Google Play Books is the best medium for selling this book to Malaysian Polytechnic students who take this course, as well as the general public who are interested in this book.

Business Law 2014 Andy Gibson, Douglas Fraser, 2013-10-11 Business Law 2014 - Your essential up-to-date business law resource The pace and scope of legislative reform of the law affecting business is increasing. There is a major shift to uniformity across the nation with a corresponding increase in new legislation and significant amendments to existing legislation. Business Law 2014 is a sophisticated and comprehensive text which provides a clear and current appreciation of the main rules and legal principles encountered in a course for non-lawyers. It considers the legal environment in which businesses must operate in all states and territories. With a student-friendly, 4-colour format and a teaching and learning resource package second to none, Business Law 2014 also offers instructors a great opportunity to tailor textbook content to suit the breadth and depth of the areas you wish to teach.

Law: The Basics Gary Slapper, David Kelly, 2012-09-10 An engaging introduction to one of the most complex areas of modern life. The book introduces both the main components of the legal system - including judges, juries and law-makers - and key areas of law - contract, civil negligence, and criminal law - to provide the uninitiated with an ideal introduction to law. Key questions to be considered include: How are laws made? How do judges decide cases? What is the exact role of the EU in the legal system? What are your rights and duties under contract law? What is a crime and what are criminal defences? Throughout the book, a wide range of contemporary cases are examined to relate key legal concepts to familiar examples and real world situations.
