Religious Poems in English and Spanish Rudy Sikora,2012-12-17 This book is describing certain religious poems and transcribed into the Spanish Language. This is not a true translation but gives the reader an understanding of the subject spoken. The theme of the poems is an interpretation of religious life, as it was lived by Jesus Christ. Jesus philosophy was to teach humanity in good living standards. Evil is the negative living standard which cannot be shaken away from them. By believing Christ teaching makes it possible to enter the heavenly abode.

Searches Vauhini Vara,2025-04-08 From the author of The Immortal King Rao, finalist for the Pulitzer Prize, a personal exploration of how technology companies have both fulfilled and exploited the human desire for understanding and connection A MOST ANTICIPATED BOOK: The New York Times, Esquire, Harper's Bazaar, Foreign Policy, Bustle, Alta, Ms. Magazine, Cultured, Denizen, Lit Hub, Book Riot, and Electric Literature When it was released to the public in November 2022, ChatGPT awakened the world to a secretive project: teaching AI-powered machines to write. Its creators had a sweeping ambition—to build machines that could not only communicate, but could do all kinds of other activities, better than

humans ever could. But was this goal actually achievable? And if reached, would it lead to our liberation or our subjugation? Vauhini Vara, an award-winning tech journalist and editor, had long been grappling with these questions. In 2021, she asked a predecessor of ChatGPT to write about her sister's death, resulting in an essay that was both more moving and more disturbing than she could have imagined. It quickly went viral. The experience, revealing both the power and the danger of corporate-owned technologies, forced Vara to interrogate how these technologies have influenced her understanding of her self and the world around her, from discovering online chat rooms as a preteen, to using social media as the Wall Street Journal's first Facebook reporter, to asking ChatGPT for writing advice—while compelling her to add to the trove of human-created material exploited for corporations' financial gain. Interspersed throughout this investigation are her own Google searches, Amazon reviews, and the other raw material of internet life—including the viral AI experiment that started it all. Searches illuminates how technological capitalism is both shaping and exploiting human existence, while proposing that by harnessing the collective creativity that makes humans unique, we might imagine a freer, more empowered relationship with our machines and, ultimately, with one another.

The Bookrunner Nancy Vogeley, 2011-01-01 In the first decade of the 19th century the U.S. and Mexico reached out to one another to initiate diplomacy, trade, and cultural borrowings. Each faced the task of decolonization and nation-building. This book explores the political and cultural history of Mexico at the time of its independence from Spain. At the center of the study are letters written to the Philadelphia book publisher Mathew Carey by Thomas Robeson, a book agent Carey sent to Mexico in 1822. Author Vogeley demonstrates the important role that the inter-American book trade played in the formation of post-colonial national identities in the Americas and casts a new light on the historical interconnections between print capitalism and nationalism. Mamá, yo seré libre Carlos Peña, 2018-10-08 Cansados de sus vidas y de la previsión de un futuro que no parece

mejorar por sí solo, seis peculiares personas se prometen a sí mismas la siempre ardua tarea de intentar cambiar sus vidas en vez de dejarse llevar por ellas. Mamá, yo seré libre no es la historia de grandes inventores ni de personas que consiguieron cambiar el mundo, sin embargo, es la historia de personas que aun no teniendo preparación ni estudios, lucharon por cambiar el suyo. Esta es una de las muchas historias donde el amor, la pobreza, la ilusión y el fracaso se funden con ese constante afán del ser humano por mejorar y alcanzar lo que a primera vista parece inalcanzable. Tiene algo que la diferencia del resto: EL HUMOR. Algo de lo que nunca, y bajo ningún concepto, estuvieron cerca de perder los protagonistas de la historia.
