Rediscovery: Science Fiction by Women, Volume 3 (1964-1968) Gideon Marcus,2024-03-05 Surfing the New Wave

Containing 19 pieces of fiction, Rediscovery Volume 3 is particularly resonant with pieces like Sonya Dorman’s “The Deepest Blue in the World”, a prototype for The Handmaid’s Tale. And Pam Zoline’s “The Heat Death of the Universe”, which fused the New Wave and feminist science fiction. And Hilary Bailey’s alternate history masterpiece, set in a Nazi-conquered (but not subdued!) England, “The Fall of Frenchy Steiner”. With a host of Afterwords by luminaries from Seanan McGuire to Marie Vibbert, as well as a number by relatives of the authors, Rediscovery Volume 3 will be an indispensable part of every library, whether you’re a casual SF fan or a rarefied scholar!

Chimalpahin's Conquest Susan Schroeder,2010-07-19 This volume presents the story of Hernando Cortés's conquest of Mexico, as recounted by a contemporary Spanish historian and edited by Mexico's premier Nahua historian. Francisco López de Gómara's monumental Historia de las Indias y Conquista de México was published in 1552 to instant success. Despite being banned from the Americas by Prince Philip of Spain, La conquista fell into the hands of the seventeenth-century Nahua historian Chimalpahin, who took it upon himself to make a copy of the tome. As he copied, Chimalpahin rewrote large sections of La conquista, adding information about Emperor Moctezuma and other key indigenous people who participated in those first encounters. Chialpahin's Conquest is thus not only the first complete modern English translation of López de Gómara's La conquista, an invaluable source in itself of information about the conquest and native peoples; it also adds Chimalpahin's unique perspective of Nahua culture to what has traditionally been a very Hispanic portrayal of the conquest.

Author James Midwinter Freeman (1827-1900) takes you through the Bible, from Genesis to Revelation, to explain different Oriental manners and customs that were common to people in ancient times, some of which are still evident in the East today. 150 Shards of Light Michael Levitton,2016-02-16 I became a follower of Jesus at the age of thirty-nine. Until then I had been someone who, thanks to his training in the military and the law, reckoned he could work life out for himself. As part of my new life, I took to reading my way through the Bible each year. I have now read my way through the Bible twenty-five times. I wrote this series of articles based on the Bible because I felt the Holy Spirit prompting me to apply my character, humour, and possibly wisdom gleaned from my Christian life to present stories from the Bible in a way that would appeal to those who do not know them. This book comprises 150 articles written for a parish magazine. Many are re-writings of biblical stories, but in a contemporary way and with added idiosyncratic comments. To ensure readers stay on the right track, I included, where appropriate, references to the part of the Bible from which the stories were gleaned.
