

Universidad Adventista Del Plata Fotos

Marcel A. Müller

Foundational missionaries of south american adventism Daniel Plenc, Silvia Scholtus, Eugenio Di Dionisio, Sergio Becerra, 2020-11-16 There was no academic book presenting the biographies of the pioneers of South American Adventism. There were just short devotional works about the experiences of one or more Adventist missionaries. This book showcases the life and work of those who established the Seventh-day Adventist Church in South America. It is a text prepared with historical rigour, true to available sources, spreads the work of Adventist missionaries in these lands and promotes the fulfillment of evangelical mission in present day. However, its contents are presented in an enjoyable and inspiring way. This work contains the biographies of twelve of the foundational missionaries of South American Adventism. The areas in which they contributed to mission are diverse: evangelization, administration, medical work, publishing ministry, educational work and social service. All of them, men and women, adult and young, owning big ideals and a spirit of sacrifice that invite emulation.

Las primeras iglesias adventistas de la Cuenca del Plata: 1894-1906 Daniel Plenc, 2024-08-05 La publicación de este trabajo representa la concreción de un sueño postergado, que, finalmente, tomó la forma de un libro. El proyecto, presentado inicialmente hace años, fue apoyado por la Secretaría de Ciencia y Técnica, por la Editorial Universidad Adventista del Plata y por la Vicerrectoría de Investigación y Desarrollo de esta Universidad. El proyecto titulado Las primeras iglesias adventistas de la Cuenca del Plata: 1894-1906 apunta al descubrimiento del patrón de penetración del adventismo en la región del Río de la Plata y a la comprensión inicial de las estrategias y metodologías utilizadas por los primeros agentes evangelizadores en la plantación de iglesias. Evalúa parcialmente el desarrollo y el posible impacto de estas comunidades primitivas del adventismo en la región, en el surgimiento de instituciones educativas, sanitarias y del área de publicaciones, así como de nuevas congregaciones. Se ofrece un muestreo de personas que emergieron de dichas iglesias y se proyectaron hacia acciones misioneras y de servicio en el país, el continente y el mundo. El período en estudio está enmarcado entre el año de fundación de la primera iglesia en Crespo, Entre Ríos (1894), dependiente de la Misión de la Costa Oriental Sudamericana, dirigida por Frank H. Westphal e, indirectamente, de la Junta de las Misiones Extranjeras de la Asociación General de la Iglesia Adventista del Séptimo Día, y por otro lado, el año de la organización de la Unión Asociación Sudamericana en 1906, presidida por Joseph W. Westphal. Para ese tiempo, se habían levantado iglesias en Argentina,

Paraguay y Uruguay, administradas desde 1901 por la denominada Asociación del Río de la Plata. Estábamos convencidos de que el proyecto tendría un definido impacto en los lectores interesados en la temática. Creímos que su contribución al conocimiento del adventismo sería significativa, habida cuenta de la falta de trabajos de investigación relacionados con la historia de las primeras iglesias adventistas de la Cuenca del Plata. Juzgará el lector el valor de este esfuerzo de varios años en procura de una mejor comprensión de la importancia espiritual y misional del surgimiento de estas, las primeras iglesias adventistas de la Cuenca del Plata entre 1894 y 1906.

Fe, razón y la historia de la Tierra Leonard Brand, Arthur Chadwick, 2021-08-02 El suelo se está sacudiendo. Nuevos programas de investigación y nuevos descubrimientos, constantemente cambian el panorama de nuestro conocimiento sobre como comenzó todo. Y para aquellos que consideran estos asuntos desde una postura de fe bíblica, hay nuevas y prometedoras fronteras para explorar. Muchos de estos nuevos y recientes cambios se consideran en esta nueva y completa actualización de esta obra trascendental, ahora en el año veinticinco desde su publicación inicial. Con contribuciones adicionales de su coautor Arthur Chadwick, **Fe, razón y la historia de la Tierra** presenta el continuado argumento de Leonard Brand de un pensamiento constructivo sobre los orígenes y la historia de la Tierra en el contexto de las Escrituras, mostrando a los lectores cómo analizar los datos científicos disponibles y el abordaje de problemas no resueltos. La fe no necesita temerle a los datos pero puede contribuir a un progreso en la comprensión de la historia de la Tierra en el contexto de la palabra de Dios, mientras continuamos siendo honestos sobre las preguntas que todavía no tienen respuestas. En esta paciente explicación de la misión de la ciencia, y su aplicación a preguntas sobre los orígenes y la historia de la Tierra, los autores modelan su convicción de que sobre todas las cosas, es esencial que nos tratemos unos a otros con respeto, aún si no estamos de acuerdo con respecto a las cuestiones fundamentales. La edición original de esta obra (1997) fue uno de los primeros libros sobre este tópico escrito desde el punto de vista de experimentados investigadores científicos. Brand y Chadwick, de profesión investigadores y docentes en biología y paleontología, traen a este muy bien ilustrado libro una rica variedad de ejemplos científicos prácticos. Esta presentación reflexiva, rigurosa, y exhaustivamente actualizada, hace que esta obra clásica sea altamente provechosa tanto como un texto para educación de nivel superior, como también un tratado de fácil acceso para aquellos con educación pero no expertos.

Salim Japas Edgardo D Iuorno, 2020-09-22 Todos dejamos un legado en este mundo. Algunos son recordados por dejar un legado que ha ayudado a muchos a encontrar un mejor vivir, una esperanza. Otros por todo lo contrario. En este libro se describe a alguien que ha encontrado un camino a seguir, una misión, que trajo esperanza para vivir mejor a muchas personas a lo largo de su vida. Es la vida de Salim Japas. El autor, Edgardo D. Iuorno suma a sus escritos esta biografía que registra la vida y la obra de este pastor y evangelista, pero, ante todo, un cristiano cuyas creencias adventistas marcaron su vida abnegada y de entrega al prójimo. El registro de vida se inicia contando brevemente sobre sus orígenes. Su nacimiento, juventud, y cómo conoció las creencias cristianas adventistas. Debido al interés de Japas por estudiar para ser ministro del evangelio, los siguientes capítulos detallan su extensa actividad en diferentes lugares comenzando con Argentina y luego extendiendo su labor de evangelista a otras partes del mundo. Las fotos que ilustran el texto dan cuenta de momentos importantes de la vida de Salim Japas. Edgardo Iuorno nació en Motevideo, Uruguay, en 1975, en el seno de una familia adventista. Creció en Buenos Aires, y se formó en instituciones de la iglesia. En 1998 percibe el llamado al ministerio, y comienza sus estudios en la Universidad Adventista del Plata. Desde 2004 ha sido pastor en Uruguay, Mendoza, Rosario, Paraná, y actualmente se desempeña en uno de los distritos de Libertador San Martín, Entre Ríos. Es el sexto pastor en su familia. Se graduó como Licenciado en Teología en 2005, completó su Maestría en esa especialidad en 2018, y actualmente cursa el Doctorado en Teología Sistemática en su alma máter. Esta casado con Victoria Martínez desde 2001 y tienen dos hijos varones: Franco, de quince años, y Santiago, de doce.

Hasta el fin del mundo Francisco Westphal, 2020-11-24 La vida y el legado de quienes vivieron antes que nosotros se vinculan con el entorno cultural y religioso en el que vivimos. Este libro es el fruto de la visión de su autor, basado en sus registros personales y en el recuerdo de sus experiencias. La editorial incorporó fotos e ilustraciones porque la historia se comprende mejor cuando se lee y se contempla. Recomendamos la lectura de esta obra. Su contenido iluminará la visión de la labor de los pioneros y en particular de la misión que desarrolló el autor de este libro. Que el esfuerzo realizado en la difusión del evangelio en épocas remotas sirva de inspiración para cada lector en nuestros días.

África, tierra de milagros Yolanda Jacobi Mangold, 2020-07-10 ¿Qué hizo que una familia latinoamericana abandonara su tierra natal para partir con sus tres hijos, de diez, trece y quince años, a tierras del continente africano? Siga las peripecias y aventuras de la familia Jacobi Mangold durante quince años de servicio misionero en el Hospital de Leprosos de Masanga, Sierra Leona; el Hospital Scheer Memorial en Nepal, al norte de la India; y el Hospital Misionero de Yuka, Zambia. Comparta su período de adaptación a una vida sin electricidad, televisión ni otras comodidades básicas, y su angustia al sufrir un ataque al hospital por fuerzas guerrilleras. Experimente con ellos las maravillosas evidencias de la mano de Dios en su ministerio médico-misionero, y aprenda usted también a confiar en el Todopoderoso.
