

La Última Nota

Sebastián de Albero

Obras para clavicordio o piano forte Sebastián de Albero, Las Obras para clavicordio o piano forte es una de las dos colecciones de música para tecla que se conservan de Sebastián de Albero (1722-1756), organista de la Real Capilla desde 1746 hasta su muerte. Las Obras están dedicadas al rey Fernando VI y Albero las concibió tanto como un regalo de agradecimiento por haber sido nombrado organista como una prueba de que merecía el puesto. Están estructuradas en seis “trípticos”, formado cada uno de ellos por tres movimientos: una Recercata (preludio de medida libre), una Fuga y una Sonata. Como complemento a la edición, se incluye una colección de seis intentos o fugas que aparece copiada en algunos manuscritos de finales del siglo XVIII. Esta colección presenta versiones de cinco de las fugas de Albero incluidas en las Obras, junto a un intento o fuga de José Teixidor (1751-ca. 1814).

Quintetos Vol. 1 Cayetano Brunetti,2022 Con el presente volumen comenzamos la edición de los quintetos completos de Cayetano Brunetti. Son un total de sesenta y seis quintetos, distribuidos en once opere que siguen un orden cronológico y que fueron numeradas por el propio compositor. La Opera I son quintetos para dos violines, viola y dos violonchelos, la Opera II son quintetos para dos violines, viola, fagot y violonchelo y el resto de colecciones son para dos violines, dos violas y violonchelo. La Opera I está fechada en 1771, justo el año en que Brunetti fue nombrado violín de cámara del Príncipe de Asturias, futuro Carlos IV.

Somos nuestra memoria Iván Izquierdo,2021 La memoria tiene sus matices, sus vaivenes, sus luces y sombras. En esa intermitencia -entre olvidos y recuerdos- conformamos nuestra identidad individual, social e histórica, porque después de todo, somos nuestra memoria. Esa idea subyace a la constelación de textos presentes en este libro, uniendo diferentes temas como un hilo conductor, sin prescindir de cierta renovación permanente que instala al lector en un lugar activo: el lugar de quien piensa y establece relaciones. Con un lenguaje sencillo y agradable, y al mismo tiempo con lucidez y agudeza, Iván Izquierdo nos acerca sus reflexiones con una idea clara: “No espero, y en verdad no deseo, desencadenar el mimetismo de que alguien decida pensar igual que yo”, pero “habrá sin duda numerosos puntos de contacto entre lo que yo digo aquí y lo que piensa cada uno de los lectores. A esos puntos me dirijo, y a cada uno de ellos lo celebro”. Se celebra, entonces, la

diversidad y la comunión de pensamiento. Un pensamiento que incluye cuestiones cotidianas, aspectos propios de la ciencia, temas existenciales, y material relativo a la política, la historia o la actividad literaria. Un pensamiento sensible, en definitiva, acerca de lo que recordamos, lo que olvidamos, lo que somos y lo que pretendemos ser.

Cantadas sacras Vol. 3 Antonio Literes, 2022 Antonio Literes es una figura esencial dentro de la historia de la música española. Nacido en la localidad mallorquina de Artá, se trasladó a Madrid hacia 1686 para estudiar en el Real Colegio de Niños Cantores, donde aprendió a tocar el violón (=violonchelo) con Manuel de Soba. En 1693 fue nombrado violón de la Real Capilla, puesto que ocupó hasta su muerte en 1747. Aunque conocido sobre todo por su música escénica, sabemos que Antonio Literes compuso música sacra de forma habitual para la Real Capilla, si bien la cantidad de obras que ha llegado hasta nuestros días es muy inferior a la que compuso el músico mallorquín. Se publican en estos volúmenes las cantadas sacras de Literes, dedicadas en su mayoría al Santísimo Sacramento. Este tercer y último volumen incluye las cantadas para tiple.

Sonatas para violín y bajo Vol. 7 Cayetano Brunetti, En el presente volumen continuamos la edición de las sonatas para violín y bajo de Cayetano Brunetti. Se publica, en concreto, la primera parte de la colección de sonatas que Brunetti hizo expresamente para uso del Príncipe de Asturias (futuro Carlos IV). Aunque la colección consistía en veinticuatro sonatas, lamentablemente se han perdido dos de ellas (la VI y la XXIII), llegando hasta nosotros veintidós. Se han conservado tanto partituras autógrafas de Brunetti (doce) como partituras copiadas por Francisco Mencía (veintidós), un copista que trabajó para el cuarto del príncipe. La colección de sonatas hechas expresamente para uso del Príncipe de Asturias debió de componerse en los años 1781 y 1782.

Master School of Modern Piano Playing & Virtuosity Alberto Jonás, 1927

Vísperas a 12. Misa a 12 Et exultavit spiritus meus Carlos Patiño, En el presente volumen se publica una colección de vísperas a 12 voces en tres coros, compuesta por Carlos Patiño, maestro de la Real Capilla de Madrid entre 1634 y 1675. La colección reúne los salmos que debían cantarse «a papeles» tanto en las vísperas del común de Santos como en las vísperas de la Virgen. Además de los salmos, la colección incluye el cántico Magnificat y el himno mariano Ave maris stella. Junto a las vísperas, se publica la Misa a 12 Et exultavit spiritus meus, que forma también parte de la colección. Además de estar copiada por el mismo copista, esta obra es una «misa parodia» o «misa de imitación» que utiliza los materiales del Magnificat de las vísperas.

Las amazonas de España Jaime Facco, En el presente volumen publicamos la ópera Las amazonas de España, con texto de José de Cañizares y música de Jaime Facco. La obra fue promovida por el Ayuntamiento de Madrid para celebrar el nacimiento del infante Felipe, cuarto hijo de Felipe V y de su segunda esposa, Isabel de Farnesio. Se representó por primera vez en abril-mayo de 1720 en el Coliseo del Buen Retiro a cargo de las dos compañías teatrales de Madrid: la de José de

Prado y la de Juan Álvarez. Se volvió a representar en julio-agosto de 1724 en el Corral de la Cruz de Madrid a cargo de la compañía de Manuel de San Miguel y, años después, el 8 de enero de 1728 en Lisboa durante la embajada extraordinaria del V Marqués de los Balbases. El compositor, Jaime Facco, había llegado a la Península Ibérica a comienzos de 1720 y, además de Las amazonas de España (1720), compuso otras obras escénicas durante sus primeros años en Madrid: Amor es todo invención, Júpiter y Anfitrión (1721), La hazaña mayor de Alcides (1723) y Fieras afemina amor (1724). El dramaturgo José de Cañizares fue uno de los más importantes poetas de su época, autor de las letras de los villancicos que se cantaban en la Real Capilla y de más de 30 zarzuelas, óperas y serenatas, además de algunas de las comedias que gozaron de mayor éxito durante el siglo XVIII.

Sonatas para violín y bajo Vol. 1 Cayetano Brunetti, Cayetano (o Gaetano) Brunetti es uno de los compositores más importantes de la segunda mitad del siglo XVIII en España. Su obra comprende abundante música de cámara (sonatas para violín solo, dúos, tríos, cuartetos, quintetos, sextetos) y música sinfónica. Trabajó para las más importantes casas nobiliarias españolas (los duques de Osuna y los duques de Alba). Compuso sobre todo para el Príncipe de Asturias, futuro Carlos IV, siendo su maestro de violín, músico de su cámara y, finalmente, director de la orquesta de la Real Cámara. Este primer volumen de las sonatas para violín y bajo se publican las sonatas de la Serie 1, conservadas en el Archivo de Música del Palacio Real de Madrid (junto a los Adagios glosados) y en el Nederlands Muziek Instituut de La Haya.

Guadalajara Eduardo A. Gibbon, 1893

The Alsop Claim. Appendix United States, 1910

Tres sonatas para violín y bajo Jaime Rosquellas, 2017 Jaime Rosquellas [o Rosquillas] nació en Barcelona el 14 de febrero de 1738. Fue miembro de una importante familia de músicos del siglo XVIII. En octubre de 1774 Jaime Rosquellas fue elegido violinista de la Real Capilla por muerte de Esteban Isern. Tocó en la cámara del Príncipe de Asturias, futuro Carlos IV y trabajó para las principales casas de la nobleza madrileña. También fue violinista de los teatros públicos madrileños. Falleció en Madrid el 20 de marzo de 1806. La fama de Jaime Rosquellas debió ser muy grande en su tiempo. Manuel Alonso Ortega publicó en Salamanca en 1791 un escrito titulado Disertación sobre la estimación que se debe dar a la música y sus profesores donde dice: “ Si a Apolo le colocó la gentilidad entre los dioses porque tañía bien la lira, ¿qué haría si en nuestros días viera al célebre don Antonio de Lolli, don Manuel Carreras, don Melchor Ronci, don Jaime Rosquillas?”

El manuscrito Pombalino de cantatas humanas VV. AA., En el presente volumen publicamos las cantatas humanas recogidas en el manuscrito Pombalino (Biblioteca Nacional de Portugal, Pba-82). Este manuscrito, copiado por el poeta y dramaturgo Alexandre António de Lima (1699-1760) hacia 1715-1725, contiene diez y seis cantatas profanas con texto en español. Los autores de estas cantatas son algunos de los compositores españoles y portugueses más famosos de su época: Sebastián Durón, Jaime de la Te y Sagau, André da Costa, Francisco José Coutinho, Antonio Literes y Pedro Rabassa.

Lamentablemente, la copia presenta numerosos y graves errores, tanto en la música como en el texto. Gracias al cotejo con otras fuentes, se ha conseguido corregir errores y ofrecer, así, un instrumento útil a los intérpretes que deseen adentrarse en el repertorio de la cantata humana.

Sonatas para violín y bajo Vol. 8 Cayetano Brunetti, Cayetano (o Gaetano) Brunetti es uno de los compositores más importantes de la segunda mitad del siglo XVIII en España. Su obra comprende abundante música de cámara (sonatas para violín solo, dúos, tríos, cuartetos, quintetos, sextetos) y música sinfónica. Trabajó para las más importantes casas nobiliarias españolas (los duques de Osuna y los duques de Alba). Compuso sobre todo para el Príncipe de Asturias, futuro Carlos IV, siendo su maestro de violín, músico de su cámara y, finalmente, director de la orquesta de la Real Cámara. En el presente volumen publicamos las once últimas sonatas para violín y bajo que Cayetano Brunetti hizo expresamente para uso del Príncipe de Asturias (futuro Carlos IV). Aunque la colección consistía en veinticuatro sonatas, lamentablemente se han perdido dos de ellas (la VI y la XXIII), llegando hasta nosotros veintidós. Se han conservado tanto partituras autógrafas de Brunetti (doce) como partituras copiadas por Francisco Mencía (veintidós), un copista que trabajó para el cuarto del Príncipe de Asturias. La colección de sonatas hechas expresamente para uso del Príncipe de Asturias debió de componerse en los años 1781 y 1782.

Misa a 7 Sebastián Durón, En el presente volumen se publica la Misa a 7 de Sebastián Durón. La única fuente que nos ha llegado de esta obra se conserva en el Archivo de Música de la Catedral de Burgos. Se trata de una copia tardía, elaborada en 1800. Lamentablemente, la fuente presenta numerosos y graves errores. En esta edición se han procurado enmendar los errores, con el fin de ofrecer a los músicos una partitura que pueda interpretarse de manera satisfactoria.

Antonio Jose de Sucre Guillermo Antonio Sherwell,1924

Antonio Jose de Sucre, Gran Mariscal de Ayacucho Guillermo Antonio Sherwell,1924

Lamentaciones de Semana Santa Vol. 1 José de Torres,2020 Con el presente volumen iniciamos la edición de las lamentaciones de Semana Santa de José de Torres (ca. 1670-1738), organista y luego maestro de la Real Capilla de Madrid. Entre estas lamentaciones se encuentran algunas de las obras más ambiciosas del compositor. En este primer volumen reunimos las dos lamentaciones de Torres fechadas en 1720. Ambas se custodian actualmente en el Archivo de música del Palacio Real de Madrid, procedentes del fondo de la Real Capilla.

La Ultima Nota Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks.

These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free La Ultima Nota PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and

effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free La Ultima Nota PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of La Ultima Nota free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About La Ultima Nota Books

1. Where can I buy La Ultima Nota books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
