Superstar in a Masquerade William Sargent, 2021-07-27 Superstar in a Masquerade tells the story about Leon Russell, an award-winning Rock and Roll Hall of Fame inductee, who was born with cerebral palsy, and learned to master the piano. He became an in-demand session man in Hollywood, contributing to thousands of songs by hundreds of artists, during his seven-decade career. He was called the Rainbow Minister & Ringleader for the Hippie Generation, and although most people can say they never heard of him, few can say they've never heard him. After reading this book, you can play Three Degrees of Leon, just like the game Six Degrees of Kevin Bacon, linking him to anyone, from B.B. King to ZZ Top. As an emigre from Oklahoma to California, he invited David Gates and J. J. Cale to join him in the music mecca known as Tinseltown, where the Tulsa Trio made untold contributions to America's popular music. Read about over five hundred artists, and their songs that Leon, David, and J. J. helped create, as well as... When seventeen-year-old Leon replaced Jerry Lee Lewis on stage in 1959. How Frank Sinatra caused Leon to let his hair grow. How J. J. Cale played a role in the formation of the band Bread. How Leon saved Joe Cocker's career and created Willie Nelson's famous image. When Elton John was Leon's opening act on tour. Why DC Comics sued Leon's record label for \$2 million. When David Gates's band backed Chuck Berry on stage in 1961. When Leon brazenly threw the F-bomb at Phil Spector. When Leon called organized Christianity the single most harmful force in history. What Broadway song Leon borrowed from for This Masquerade.

Chasing an Illusive Dream Frankie Valens, 2011-11-01 Frankie Valens autobiography, Chasing An Illusive Dream, is a story that contains the drama and pathos that inspired the old cliché, Truth is stranger than fiction. This story of a pop-singer is about fame and the loss of it, separation from family and children, and a dramatic return to the Lord. Frankies story is a story of rags to riches to rags that started back in 1967 but left him with an enduring celebrity status. Linda Stinnett, Derby, KS Informer. This book will help give the reader his family history, and the story of the mistakes and accomplishments he made, and the incredible journey he took. His feelings of rejection at every turn, the constant fear of never being accepted or good enough to make a difference, and yet he experienced fame and fortune, later becoming a gospel recording artist, and traveling with his concert pianist wife Phyllis nationwide for over 18 years in a full-time music ministry. This book attempts to answer such questions such as: Is Frankie related to the famous Mallory/Duracell battery family? Is Frankie related to the singer Richie Valens? Was Daniel Boone Frankies cousin? Does Frankie share a grandmother with the famous Lucille Ball? What about Frankie being related to the Piper Cub airplane family? Because Frankie never became a major recording artist,

it took years of hard work and dedication for him to try and become a household name. Frankie has decided to become very transparent in his desire to reveal his heart to his readers on every page.

Stirrings in the Black House Ambrose Ibsen, 2019-03-22 Fear is a place. When struggling concert pianist Emil inherits a house from his late uncle, he thinks all of his problems are solved. Absconding to the mysterious Weatherby House in the suburbs of Portland where his famous uncle composed many classical masterpieces, Emil finds the place completely empty, save for one thing: His uncle's grand piano. But Weatherby House is not the ideal getaway it appears at first glance. It has a dark past and is shunned by the locals. As the days pass, strange things occur on the property, leaving Emil to wonder if he isn't losing his mind. Unplaceable footsteps resound in the upstairs; dark figures peer into the windows at night despite the empty acreage that surrounds the old house, and that blasted piano can't seem to keep quiet, losing music at turns beautiful and terrifying even as no one sits before it. In time, Emil discovers that there's something else living in Weatherby House. And it refuses to let him leave.
