**Best Recipes of the Maritime Provinces** ,2012-09-25 Maritime cooking starts with great local produce--lobster, scallops, oysters, blueberries, apples, cranberries, maple syrup, and more. There are treasured traditional dishes--hodge podge, baked beans, gingerbread, blueberry grunt--as well as the simple but delicious lobster boil. Leading chefs like Craig Flinn of Halifax's Chives restaurant, Michael Howell of The Tempest in Wolfville, and many others have come up with wonderful new ways of cooking with fresh, local ingredients. *Best Recipes of the Maritime Provinces* brings the traditional and the contemporary together in one great collection. During her many years as Canadian Living magazine's food editor,

Elizabeth Baird was a great fan of Maritime cooking. She has visited every corner of the region to research and write about great local producers and cooks and their recipes. To prepare this collection, she started with well over 1,000 recipes published in cookbooks over the past three decades. From those, she has selected 400+ recipes by over fifty of the region's leading chefs, including Elaine Elliot and Virginia Lee, whose bestselling *Maritime Flavours* has sold more than 30,000 copies. Also included are tasty recipes from healthy eating champions Maureen Tilley and Sandra Nowlan. This is the book that every Maritime cook will want--and that visitors will take home so they can explore the region's rich culinary traditions.

**Hot regressive cuisine - English edition** Paul Delrez, 2023-11-22 Opening a fine bottle of wine. The delight of the guests, their mingling chatter and laughter. And then, sharing. A feast. Recipes. A hundred of them. Cooking has always been for me a resourcing experience during which I allow myself to take my time and where time often seems to stand still. Cooking allows me to focus, to explore every aspect of my creativity, to innovate... Thinking about and assembling various recipes at once, adjusting them. Working with beautiful products from the land and sea. Enjoying the diversity of ingredients as seasons change, sensing their scents and tasting their flavors, capable of taking one on a journey through time. In this book, you will find the recipes that have shaped my childhood, those that were passed on to me, and others that came to me later, which I have refined and re-refined, alternating between rigor and lightness. Some dishes are very simple, others more elaborate, but I hope all are delicate and delectable. Always with the same guiding principle: the desire to bring joy to others and to myself. Let these recipes guide you and adapt the ingredients to your own desires.
