We may encounter many defeats but we must not be defeated. You are the sum total of everything you've ever seen, heard, eaten, smelled, been told, forgot - it's all there. Everything influences each of us, and because of that I try to make sure that my experiences are positive. Through the use of true stories and hands-on exercises, Susan helps us understand that the conversation is the relationship; identify and dispel five relationship myths that mislead and derail us; learn eight conversations that are critical to enriching relationships; and stop fighting or ignoring issues and start connecting in a deep and meaningful way. The 'Ism' Dilemma George I. Bailey, 2020-11-09 My wife and I have been born again saved Christians for over 20 years. We do have a non-denominational church home and we study The Holy Bible together regularly at home. We have a blended family with 3 adult children and 2 grandchildren. I have worked for 20 years in electric operations and transportation. I have a Bachelor's Degree in Psychology and am currently pursuing a Master's Degree in Christian Apologetics. The book is primarily about relationship issues that result from illegitimate people groupings in modern day society. The book has an overwhelming focus on the spiritual impact on people, when pride based problems are not properly addressed with a biblical relationship with Jesus Christ. I have personally struggled with many of the people grouping issues discussed in this book; pride has been one such stumbling block for me. Creating this book has in part been a personal journey for me, helping me to heal some of the wounds inflicted upon me by others, as well as heal wounds I've caused others. It is my sincere hope and prayer that your journey through this book will heal you and your loved ones, as it has done for me and my family. With God's help, Christians and Non-Christians alike can all benefit from the experiences, tools, and methods in this book by improving

themselves spiritually, and by improving the quality of their relationships with others

Love Is the Resistance Ashley Abercrombie,2021-08-31 When it comes to disagreement, we are in perpetual fight-or-flight mode. Rather than respond with a posture of compassion and connection, we are encouraged to resist others personally and politically. Either we engage in fruitless arguments with people who refuse to see things our way or we retreat to our echo chambers where everyone agrees with us. But the real resistance, the kind that helps us grow, is learning to love others--especially those who disagree with us. If you're tired of seeing your real-life and online communities in turmoil and you long to be an agent of peace, understanding, and reconciliation, it's time to join a new kind of resistance movement--one that pushes us toward personal transformation. Grounded in Scripture and illustrated with compelling true stories, this new book from Ashley Abercrombie will help you gain the confidence to communicate and connect with others, stop avoiding necessary tension, and resolve your internal and external conflicts. When we make love our habitual reaction to the conflicts and divisions in our lives, we'll find that we can stay true to our convictions without sacrificing our relationships.

Fight Like a Girl Laura Barcella,2019-08-01 Nearly every day there's another news story or pop cultural anecdote related to feminism and women's rights. #YesAllWomen, conversations around consent, equal pay, access to contraception, and a host of other issues are foremost topics of conversation in American (and worldwide) media right now. Today's teens are encountering these issues from a different perspective than any generation has had before, but what's often missing from the current discussion is an understanding of how we've gotten to this place. Fight Like a Girl will familiarize readers with the history of feminist activism, in an effort to celebrate those who paved the way and draw attention to those who are working hard to further the cause of women's rights. Profiles of both famous and lesser-known feminists will be featured alongside descriptions of how their actions affected the overall feminist cause, and unique portraits (artist's renderings) of the feminists themselves. This artistic addition will take the book beyond simply an informational text, and make it a treasure of a book.
