*Why was "Spook" a slur used to refer to African Americans?* Jul 29, 2023 · I understand that the word spook is a racial slur that rose in usage during WWII; I also know Germans called black gunners Spookwaffe. What I don't understand is why. Spook seems to also mean 'ghos... *Reason for different pronunciations of "lieutenant"* Dec 6, 2014 · While Americans (and possibly others) pronounce this as "loo-tenant", folks from the UK pronounce it as "lef-tenant". Why? *Where does the use of "why" as an interjection come from?* Mar 18, 2011 · "why" can be compared to an old Latin form qui, an ablative form, meaning how. Today "why" is used as a question word to ask the reason or purpose of something. Do you need the "why" in "That's the reason why"? [duplicate] Relative why can be freely substituted with that, like any restrictive relative marker. I.e, substituting that for why in the sentences above produces exactly the same pattern of grammaticality and ungrammaticality: the reason that he did it \* the cause that he did it \* the intention that he did it \* the effect that he did it \* the thing that ... etymology - Why is B.C. (Before Christ) in English, but A.D. (anno ... May 7, 2015 · Why the terminology changed from Latin to English is a matter of speculation. In non-English speaking countries, they tended to use the local language: in French, "avant J.C." (before Jesus Christ); in German, "v. Chr. Geb.", an abbreviation of ... **"Why ...?" vs. "Why is it that ... ?" - English Language & Usage ...** Why is it that everybody wants to help me whenever I need someone's help? Why does everybody want to help me whenever I need someone's help? Can you please explain to me the difference in mean... **indefinite articles - Is it 'a usual' or 'an usual'? Why? - English ...** As Jimi Oke points out, it doesn't matter what letter the word starts with, but what sound it starts with. Since "usual" starts with a 'y' sound, it should take 'a' instead of 'an'. Also, If you say "today was an usual day", unless your pronunciation is extremely clear, you risk being misunderstood as "today was unusual day", which will only confuse your listeners. Why is 'c\*nt' so much more derogatory in the US than the UK? 5 That's a very good question. It certainly is offensive here in the US, and I'm not sure why it's considered so much worse than other "Anglo-Saxon" words. I've used all of the other ones on occasion. But in 52 years, I've used "cunt" anatomically only a handful of times, and I can't recall ever using it as a slang reference for a woman. Contextual difference between "That is why" vs "Which is why"? Thus we say: You never know, which is why... but You never know. That is why... And goes on to

explain: There is a subtle but important difference between the use of that and which in a sentence, and it has to do primarily with relevance. Grammarians often use the terms "restrictive" and "non-restrictive" when it comes to relative clauses.
