Taming Your Money Monster Doug Lynam, 2025-07-08 Finance expert Doug Lynam offers a groundbreaking exploration of our complex relationship with money, budgeting, and finances through the transformative lens of the Enneagram. Confront financial fears, engage with money habits and behaviors, and develop a personal understanding of how the mind and personality affect money decisions. With compassion, wisdom, and humor, Lynam will guide readers on a journey to financial health and personal growth. Drawing from his diverse experiences as a marine, monk, and money manager, Lynam introduces readers to our money monsters, which correspond to our Enneagram type and attachment style to money. With sharp wit and profound understanding, he shows you how to: recognize and understand your money monster's origins in your childhood experiences; identify and understand your ego addictions and their impact on your financial decisions; transform your financial vices into virtues, creating a foundation for lasting abundance; discover your unique sacred gift and how to use it to build wealth and create positive change in the world; and adjust how you earn, save, and invest to become a money master. *Taming Your Money Monster* isn't just about improving your bank balance—it's about healing your relationship with money on a deep, spiritual level. Friendship Can Save the World Carrie Stephens, Morgan Stephens, 2023-09-26 God uses diverse friendships to fulfill his miraculous will in the world. In an increasingly polarized world, our collective ability to navigate friendships with people whose backgrounds, experiences, and views differ from our own has diminished. Along the way, valuing diversity has come to be seen by many Christians as a secular pursuit. However, we love and serve a diverse God (being three unique persons himself) who taught us to love those we tend to have a hard time loving: outsiders, enemies, foreigners, the poor, and the weak. In *Friendship Can Save the World*, Carrie and Morgan Stephens offer an invigorating retelling of Ruth, Boaz, and Naomi to help us love people unlike us. Weaving in real life stories from their multiethnic, multigenerational, and socioeconomically diverse church, they highlight the power of unique friendships in God's greater missional story. Readers will find inspiration to love and be loved more courageously as we all forge a path into a more redemptive future.

Farming and Homesteading with the Saints Andie Andrews Eisenberg, 2023-07-11 CULTIVATE YOUR FAITH WHILE CULTIVATING THE LAND Everyone who works the soil, whether on a prairie, the outskirts of a small town, in a city garden,

The White Chapel BROTHER "BERNARD FRANCIS", 2011-08-25 This book resulted from the requests of family care givers for a talk about death and dying. They were losing a loved and wanted to know what to expect. As nurse practitioner I gained insights from Oncology Nurses, Hospice Nurses and Critical Care Nurses on how to help terminal patients obtain the most out of their remaining time. I went from a fear of talking with those dying, to feeling blessed to share this intimate time with them. After 41 years of nursing, research and lecturing on this subject I began to understand, as I applied my own suffering from a disabling illness, of the comfort available from the Communion of Saints. Especially from those who said yes to God's request they suffer and join this suffering to that of His Son to help other souls, out of love for Him. Through my experiences with loved ones, patients and myself, I found tremendous help in turning to the Bible and the writings of Saints. This book is a blending of spiritual hope & frank facts regarding suffering & dying that it is my prayer will bring strength to patients & care givers, be they physicians, nurses, aides or family.

Vita Nova Dante Alighieri,2012-03-14 Receptient, 2013 Guggenheim Fellowship Dante's *Vita Nova* (circa 1292-1295) depicts the joys and sorrows, the discoveries and conflicts of Dante's early love for Beatrice—who would achieve later and even greater fame in *Commedia*—starting with his first sighting of her and culminating in his prevision of Beatrice among the beatified in heaven. Award-winning translator and poet Andrew Frisardi channels the vigor and nuance of Dante's first masterpiece for a modern audience. The "little book," as Dante calls it, consists of thirty-one lyric poems—mostly sonnets—embedded in a prose narrative, which both recounts an apparently autobiographical set of events also evoked in the poems and offers analysis of the poems' construction in the medieval critical tradition of *divisio textus*, or division of the text. Dante selected poetry he had written before age twenty-eight or so and wrote the prose to shape it into a story. The poems anthologize Dante's growth as a poet, from the influence of his earliest mentors to the stylistic and thematic breakthroughs of his poetic coming-of-age. The interplay of poetry and prose in *Vita Nova*, along with the further distinction in the latter between autobiography and critical *divisioni*, presents a particular challenge for any translator. Frisardi faithfully voices the complex meter and rhyme schemes of the poetry while capturing the tone of each of the prose styles. His introduction and in-depth annotations provide additional context for the twenty-first-century reader.
