Trashfilm Roadshows Johannes Schönherr, 2002 For author Johannes Schönherr, no place is too distant or strange that he cannot screen or hunt down obscure underground trash movies. From the bowels of New York's Lower East Side and punk clubs in San Francisco, to Moscow on a fake visa and Pyongyang, North Korea, Schönherr is a cineaste on a mission. Plus extra features such as Nick Zedd being attacked by German feminists, advice on how to run a no-budget rathouse of a cinema, GG Allin's final gig and discovering wild cinematic treats at New York's cheapest film-to-video store.

Girlfriends Patrick Sanchez, 2014-06-04 This wickedly witty, urbane novel tackles the ups and downs of female friendship, and the ultimate question for every young woman searching for the perfect job, apartment, and man--or woman--in the big city: What's a nice girl like you doing with a life like this? Gina knows there are worse things than being dateless for her ten-year high school reunion--for example, being dateless at yet another wedding. But after witnessing one lavish nuptial too many, she wonders if it's time to give up on Mr. Right, and settle for Mr. Maybe. . . . A chic, African-American woman, Cheryl loves the diversity of city life. But despite her open mind and free spirit, she still longs for a husband. And she's willing to break every rule of online dating to find him. . . . When Linda meets Rosa, she's sure the beautiful Latina is her future--even though she's soon reminded that everyone has a past. . . . Between personal misadventures and professional mishaps, all three women will find that when the going gets tough what you need most is your sense of humor--and your girlfriends. . . . Clearly taking his cue from Candace Bushnell (*Sex and the City*) and Helen Fielding (of *Bridget Jones* fame), Sanchez's style is light and entertaining. --Publishers Weekly

Street Smarts and Critical Theory Thomas McLaughlin, 1996-11-01 Everybody's got a theory . . . or do they? Thomas McLaughlin argues that critical theory—raising serious, sustained questions about cultural practice and ideology—is practiced not only by an academic elite but also by savvy viewers of sitcoms and TV news, by Elvis fans and Trekkies, by labor organizers and school teachers, by the average person in the street. Like academic theorists, who are trained in a tradition of philosophical and political skepticism that challenges all orthodoxies, the vernacular theorists McLaughlin identifies display a lively and healthy alertness to contradiction and propaganda. They are not passive victims of ideology but active questioners of the belief systems that have power over their lives. Their theoretical work arises from the circumstances they confront on the job, in the family, in popular culture. And their questioning of established institutions,

McLaughlin contends, is essential and healthy, for it energizes other theorists who clarify the purpose and strategies of institutions and justify the existence of cultural practices. Street Smarts and Critical Theory leads us through eye-opening explorations of social activism in the Southern Christian anti-pornography movement, fan critiques in the 'zine scene, New Age narratives of healing and transformation, the methodical manipulations of the advertising profession, and vernacular theory in the whole-language movement. Emphasizing that theory is itself a pervasive cultural practice, McLaughlin calls on academic institutions to recognize and develop the theoretical strategies that students bring into the classroom. "This book demystifies the idea of theory, taking it out of the hands of a priestly caste and showing it as the democratic endowment of the people."—Daniel T. O'Hara, Temple University, author of *Radical Parody: American Culture and Critical Agency after Foucault and Lionel Trilling: The Work of Liberation*. "McLaughlin takes seriously the critical and theoretical activity of everyday people and does so in a way that will empower these very populations to take seriously their own activities as theorists. . . . A manifesto that is sure to be heard by the younger generation of thinkers in American cultural studies."—Henry Jenkins, MIT, author of *Textual Poachers: Television Fans and Participatory Culture*

Somebody with a Little Hammer Mary Gaitskill, 2017 Engaging, unusual essays written over the last two decades, on matters literary, social, cultural, and personal--from the explosive date rape debates of the '90s to the ubiquitous political adultery of the '00s, from Anton Chekhov to Celine Dion. Here is Mary Gaitskill the essayist: witty, direct, penetrating to the core of each issue, personality, or literary trope (On Updike: It is as if [he] has entered a tiny window marked 'Rabbit,' and, by some inverse law, passed into a universe of energies both light and dark, expanded and contracted, infinite and workaday. On Elizabeth Wurtzell: If this kooky, foot-stamping, self-loathing screed is meant to be, as it claims, a defense of 'difficult women,' i.e. women who 'write their own operating manuals' . . . all I can say is, bitches best duck and run for cover.) Gaitskill writes about the ridiculous and poetic ambition of Norman Mailer, about the socio-sexual cataclysm embodied by porn star Linda Lovelace, and, in the deceptively titled *Lost Cat*, about how power and race can warp the most innocent and intimate of relationships. Appearing in chronological order, the essays offer their thoughts and reactions, always with the heat-seeking, revelatory understanding for which we value the author's fiction

Auto da Fay Fay Weldon, 2018-11-20 A New York Times Notable Book: The wise and haunting memoir from one of England's most witty and beloved writers is from first to last a wonder (Jonathan Yardley, *The Washington Post*). From life as a poor unwed mother in London to becoming one of England's bestselling authors, Fay Weldon has crammed more than most into her years. Wife, lover, playwright, novelist, feminist, antifeminist, winer and diner—Fay leads us through her peripatetic life with barely a role she can't illuminate. Born Franklin Birkinshaw in 1931, Fay spent most of her youth in New Zealand. With her glamorous father, a philandering doctor, generally absent, Fay's intrepid mother and bohemian grandmother raised her along with her sister, Jane. Brought up among women, Fay found men a mystery until the swinging sixties in London where she became a central figure in the literary scene. She scraped along penning winning advertising slogans before she began to write fiction. As this memoir comes to a close, we witness the stirring of her first novel. Riddled with Weldon's

fierce opinions, as well as her stinging wit, jaunty prose, memorable bon mots, this frank and absorbing memoir is vintage Fay. An icon to many, a thorn in the flesh to others, she has never failed to excite, madden, or interest. And now she has finally turned her authorial wit and keen eye on . . . herself (Publishers Weekly, starred review).

Heroic Fraternities Anthony B. Bradley, 2023-02-28 An original vision for redefining American manhood in an age of anxiety and an era of socioeconomic change, *Heroic Fraternities* examines the impact of the “frat film” genre (invented by Animal House) on ideas about “real” men and “real” fraternities that permeate the culture, and led the news media to increasingly equate the supermajority of fraternity men with the outrages of a few. The ugliest cases have sparked a drive to Abolish Greek Life, even though studies show rates of misconduct don’t change when fraternities disappear. Common sense suggests that young men are struggling to build balanced adult male identities in a world where campus leaders call for them to be “less bad” and activists acknowledge male allies with #notallmen. The irony of the abolition movement is what they seek to destroy is also one of the more certain routes to save America’s men from the alienation of a society in crisis. Fraternities are uniquely positioned to address soaring rates of substance abuse, anger, and despair by providing men with the support, friendship, and multiple role models they need. Examining fraternity life in the SEC, ACC, and Big Ten conferences, this book presents reasons for hope—and heroism—at all colleges.

To Catch a Predator Chris Hansen, 2007-03-15 An urgently needed primer on how to protect kids from the increasing threat of online predators Over 40 million Americans have seen Dateline’s ongoing popular series To Catch a Predator, which has caught over two hundred potential child predators. Here, Hansen shares the true stories of families who have been targeted by predators, revealing the tactics predators use to manipulate their victims and why even cautious families can be vulnerable to their attacks. He also offers suggestions from police officers, therapists, and child predators on the best approaches for preventing these crimes. Most critically, he provides parents with concrete steps they can take to protect their kids today, including how to initiate meaningful conversations with their children. To Catch a Predator teaches parents and children what they need to know before the next predator strikes.

Road to Rouen Ben Hatch, 2013-05-23 Ben Hatch is on the road again. Commissioned to write a guidebook about France (despite not speaking any French) he sets off with visions of relaxing chateaux and refined dining. Ten thousand miles later his family's been attacked by a donkey, had a run-in with a death-cult and, after a near drowning and a calamitous wedding experience involving a British spy, his own marriage is in jeopardy. A combination of obsessions about mosquitoes, French gravel and vegetable theme parks mean it's a bumpy ride as Ben takes a stand against tyrannical French pool attendants, finds himself running with the bulls in Pamplona and almost starring in a snuff movie after a near fatal decision to climb into a millionaire's Chevrolet Blazer. Funny and poignant, Road to Rouen asks important questions about life, marriage and whether it's ever acceptable to tape baguette to your children's legs to smuggle lunch into Disneyland Paris.

Fantasies of Femininity Jane M. Ussher, 1997 In *Fantasies of Femininity*, Jane Ussher focuses on unraveling the contradictory visions of feminine sexuality: the fact that representations of the definition of woman seethe with sexuality yet for centuries women have been condemned for exploring their own sexual desires. In her quest for the sources of feminine representation, Ussher interviewed dozens of women - as well as some men - and combed popular media - from *Seventeen* to *Cosmopolitan* and *Dallas* to *Donahue* - to identify what shapes women's symbolic images of sex and femininity. Ussher argues that women have effectively resisted and subverted these archetypal fantasies of femininity, and in the process of so doing, reframed the very boundaries of sex. In this way, she exposes as myth much of what we think we know about woman and about sex.

Killer Fiction G. J. Schaefer, 2011-02 G.J. Schaefer, described as a textbook case of the classic serial killer, gives clues to his personality in this chilling selection of writings, which are from before and during his prison term. They include stories, fantasies, plans, and poetry. Perverted, horrifying, filled with hatred and violence, they clearly reveal both Schaefer's own pathology and that of various prison inmates with whom he was on intimate terms. Not for the faint of heart, *Killer Fiction* will appeal to fans of true crime and those interested in criminal psychology. Photos and illustrations.
