**Phil Jackson** Peter Richmond, 2013-12-26 With eleven championship rings to his name, Phil Jackson is internationally recognized as one of the greatest coaches in the history of the NBA. Known as a defensive disrupter and a master fouler during his early days as a New York Knick and later celebrated as the “Zen Master” for his inspirational tactics as a leader, Jackson has had a long and storied career marked by constant self-reflection and reinvention. This is the man who led Michael Jordan and the Chicago Bulls to six championships, Kobe Bryant and the Los Angeles Lakers to five; who was inducted into the Basketball Hall of Fame; and who retired in 2011, an official legend—and the most sought-after free-agent coach in history. As befits a legend, Jackson has written several candid, insightful books about his life and career, but now one of America’s most respected sportswriters turns an unvarnished light on Jackson’s strange and remarkable journey, from his sheltered childhood and adolescence in Montana and North Dakota, through his years playing at Madison Square Garden, to his experiences coaching Jordan, Bryant, and more of the greatest players of our time. New York Times-bestselling author Peter Richmond has written a personal, definitive, revealing biography of a veritable sports genius, and an American classic.

**The Gospel According to Phil** Phil Jackson, Dave Whitaker, 1997 He's coached the Chicago Bulls to six NBA Championships and led his team to the best regular season record in league history. Still, the spiritual hoop leader known as Phil Jackson operates in the shadow of his superstar students. But that doesn't mean he has little to say. **Extreme Winning** Pat Williams, 2015-11-03 Extreme winners are not content with being second. That's equivalent to being the first loser. 'Anybody can live life when things are going well; the real test comes when adversity strikes and setbacks nail you. When that happens, how are you going to respond?' It's been five years since Pat Williams learned firsthand what an oncologist was. Five years since he had to actually prove that he bought into his own message in order to beat the cancer attacking the plasma cells in his bone marrow. Five years since he responded to the diagnosis with a new mission for remission and determined to face his mission with one goal - winning! Now, Williams and Kerasotis share that same focus and passion with readers by identifying 12 qualities of extreme winners and by providing all of the tools they need to implement each one. When put into practice - which readers can do right away - there is no telling what can happen. And there is no telling what they can accomplish.

Red Holzman Mort Zachter, 2020-02-04 The Definitive Biography of a Coaching Legend Hanging high atop the world's most famous arena, Madison Square Garden, is the name "Holzman" and the number "613." That is the total number of wins by former New York Knicks head coach Red Holzman, which is the most in franchise history. While he spent six years as a player and another six as an executive, he's most famous for his time at the helm of the Knickerbockers, where he led the team to their only two championships: the first in 1969-70 and the second in 1972-73. He coached the team for fourteen seasons during his illustrious career, was named one of the top ten coaches in NBA history, and was elected to the Basketball Hall of Fame in 1986. Former MSG president Dave Checketts once said, "Red was the finest human being I've ever known." But not much is known about the soft-spoken and private Holzman, as he was the type of person to downplay his own accomplishments. In *Red Holzman: The Life and Legacy of a Hall of Fame Basketball Coach*, author Mort Zachter has taken on the challenge of sharing this coach's incredible story. From humble beginnings as the son of immigrant parents growing up in Brooklyn, Holzman paved a path of excellence at every level. From his time in the Navy to breaking into the NBA and his rise through the coaching channels, author Zachter leaves no stone unturned. With interviews with those who played with, against, and for Red, including Bill Bradley, Phil Jackson, Bob Cousy, and Walt Clyde Frazier to name a few, the life of a basketball pioneer—one that has since been held quiet—is shared for the first time.

**Peernovation Second Edition** Leo Bottary, 2025-03-25 Peer•no•va•tion (pir-n-v-shn) combines the words peer (people of equal standing) and innovation (creativity realized). It is the act of working together to create something larger than ourselves. This second edition of Peernovation stands on the shoulders of Leo Bottary's award-winning books, *The Power of Peers* (2016), *What Anyone Can Do* (2018), and *Peernovation* (2020). It is informed by the wisdom and experiences of dedicated forum leaders, group members, and team leaders during more than 700 facilitated programs. Beyond that, the content leans heavily on the disciplines of social learning theory, psychological safety, group dynamics, accountability, organizational culture, and systems thinking – building a bridge between the proven practices that have emerged from CEO Forums and what it will take to lead higher-performing, happier teams in today's workplace. Whether you are a team leader or team member, learn how to:

- select the right people for your team
- create psychological safety and inspire greater

productivity • build a positive culture of accountability • become a better team leader • foster a culture of continuous improvement You'll find updates to the original narrative and six new chapters – all of which will help you leverage the power of Peernovation among the several generations who comprise your workforce.
