

La La Land Another Day In The Sun

Emily J. Hogg, Peter Simonsen

La La Land Hannah Lewis, 2024 This book offers a new look at the development, style, and reception of the 2016 film musical La La Land. Drawing on extensive personal interviews with the film's creators, it explores La La Land's aesthetic approach to the film musical genre, its simultaneous engagement with and subversion of the classic Hollywood musical's stylistic and narrative expectations, the film's depiction of jazz, and the reception of the film.

Identity Mediations in Latin American Cinema and Beyond Cecilia Nuria Gil Mariño, Laura Miranda, 2019-09-12 The appearance of sound film boosted entertainment circuits around the world, drawing cultural cartographies that forged images of spaces, nations and regions. By the late 1920s and early '30s, film played a key role in the configuration of national and regional cultural identities in incipient mass markets. Over the course of the twentieth and early twenty-first centuries, this transmedia logic not only went unthreatened, but also intensified with the arrival of new media and the development of new technologies. In this respect, this book strikes a dialogue between analyses that reflect the flows and transits of music, films and artists, mainly in the Ibero-American space, although it also features essays on Soviet and Asian cinema, with a view to exploring the processes of configuration of cultural identities. As such, this work views national borders as flexible spaces that permit an exploration of the appearance of transversal relations that are part of broader networks of circulation, as well as economic, social and political models beyond the domestic sphere.

EXO Adrian Besley, 2019-04-04 A K-pop band like no other, EXO have been dominating charts and stealing hearts since they debuted in 2012. For the first time, this unofficial biography will tell their extraordinary story.

Rise of the Spectacular John Hannigan, 2021-08-29 In this prequel to *Fantasy City: Pleasure and Profit in the Postmodern Metropolis* (1998), his acclaimed book about the post-industrial city as a site of theming, branding and simulated spaces, sociologist John Hannigan travels back in time to the 1950s. Unfairly stereotyped as 'the tranquillized decade', America at mid-century hosted an escalating proliferation and conjunction of 'spectacular' events, spaces, and technologies. Spectacularization was collectively defined by five features. It reflected and legitimated a dramatic increase in scale from the local/regional to the national. It was mediated by the increasingly popular medium of television. It exploited middle-class tension between comfortable conformity and desire for safe adventure. It celebrated technological progress, boosterism and military power. It was orchestrated and marketed by a constellation, sometimes a coalition, of entrepreneurs and dream merchants, most prominently Walt Disney. In this wide-ranging odyssey across mid-century America, Hannigan visits leisure parks (Cypress Gardens), parades (Tournament of Roses), mega-events (Squaw Valley Olympics, Century 21 Exposition), architectural styles (desert modernism), innovations (underwater photography, circular film projection) and everyday wonders (chemistry sets). Collectively, these fashioned the 'spectacular gaze', a prism through which Americans in the 1950s were acculturated to and conscripted into a vision of a progressive, technology-based future. *Rise of the Spectacular* will appeal to architects, landscape designers, geographers, sociologists, historians, and leisure/tourism researchers, as well as non-academic readers who are by a fascinating era in history.

La La Land Songbook (Piano/Voice/Guitar) Benj Pasek, 2017-02-10 The romantic musical comedy-drama film *La La Land* is the winner of a record seven Golden Globe awards, including Best Score, Best Director for Damien Chazelle and Best Actor awards for Ryan Gosling and Emma Stone. With music written by Justin Hurwitz, Benj Pasek and Justin Paul, this selection of 10 songs has been transcribed for piano and voice with guitar chords and follows the original music and keys as closely as possible. This is the eBook version of the original artist approved edition. Contents: Another Day of Sun Someone in the Crowd Mia & Sebastian's Theme A Lovely Night City of Stars Planetarium Start a Fire Engagement Party Audition (The Fools Who Dream) Epilogue.

Precarity in Contemporary Literature and Culture Emily J. Hogg, Peter Simonsen, 2021-04-22 The contemporary moment is characterized by precarity – an expanding and intensifying vulnerability conditioned by political and economic structures. Using literary and cultural texts to develop a nuanced and critical exploration of the concept of precarity that emphasizes its contemporary manifestations while also attending to its historical roots and existential dimensions, this book examines the vulnerabilities which characterize our anxious existence, including unemployment, environmental crisis, temporary contracts and patterns of migration. Broken down into three key themes of feelings, bodies and time, *Precarity in Contemporary Literature and Culture* asks whether precarity can be considered a new phenomenon; explores the relationship between precarity and traditional class politics; analyses precarity's global dimensions; and reflects on the links between

contemporary crisis and underlying existential human vulnerability. With reference to a wide range of forms such as contemporary, realist, science fiction and modernist novels, film, theatre, and the lyric poem, this book goes beyond one national context to consider texts from the US, UK, Germany and South Africa.

Broadway and Economics Matthew C. Rousu, 2018-06-27 Economics has often been described as the dismal science, with TV and movies reinforcing this description. However, economics is a powerful tool that can be used to understand how the world works, helping to answer confusing puzzles and solve the world's problems. Surprisingly, Broadway musicals are an excellent way to show this. Musicals tell engaging stories through song and many are rich with economic concepts. This book analyzes 161 songs from 90 musicals to explore what they can teach us about supply and demand, monetary policy and numerous other core economic concepts. While some songs have an obvious connection to economics, other connections may seem less apparent. When you hear Let it Go from Frozen, does your mind think about a firm's production decisions? After reading this book, it will. Whether showing how Hamilton can illustrate concepts of central banking, or how Stars from Les Misérables provides a perfect example of inelastic demand, the author presents complicated topics in an understandable and entertaining way. Featuring classic songs from some of the most popular shows ever produced, along with some hidden gems, *Broadway and Economics* will be of interest to anybody studying an introductory economics course as well as theatre aficionados.

Hollywood Musicals Steven Cohan, 2019-09-16 Hollywood Musicals offers an insightful account of a genre that was once a mainstay of twentieth-century film production and continues to draw audiences today. What is a film musical? How do musicals work, formally and culturally? Why have they endured since the introduction of sound in the late 1920s? What makes them more than glittery surfaces or escapist fare? In answering such questions, this guidebook by Steven Cohan takes new and familiar viewers on a tour of Hollywood musicals. Chapters discuss definitions of the genre, its long history, different modes of analyzing it, the great stars of the classic era, and auteur directors. Highlights include extended discussions of such celebrated musicals from the studio era as *The Love Parade*, *Top Hat*, *Holiday Inn*, *Stormy Weather*, *The Gang's All Here*, *Meet Me in St. Louis*, *Cover Girl*, *Mother Wore Tights*, *Singin' in the Rain*, *Gentlemen Prefer Blondes*, *The Band Wagon*, *Seven Brides for Seven Brothers*, and *Jailhouse Rock* as well as later films such as *Cabaret*, *All that Jazz*, *Beauty and the Beast*, and *La La Land*. Cohan brings in numerous other examples that amplify and extend to the present day his claims about the musical, its generic coherence and flexibility, its long and distinguished history, its special appeal, and its cultural significance. Clear and accessible, this guide provides students of film and culture with a succinct but substantial overview that provides both analysis and intersectional context to one of Hollywood's most beloved genres.

It's Only Words Bob Burrows A.I.B., 2025-01-03 Most of us can hum, whistle, or tap out a favourite tune but not too many of us can recall the lyrics, the words. Yet it is the skill of the wordsmith, the lyricist who at the stroke of a pen can transport

us, if only for a moment, into our own world recalling cathartic events, romantic moments and nostalgic longings for times gone by. In just a few short strokes of his pen the skilled lyricist can move us to tears or anger or is able to stimulate pride or joy. Popular music is at an all-time high and I would defy anyone reading this book not to be able to find a song that they could not identify with or indeed have been emotionally associated with at some point in their formative years or indeed in their twilight years! During the writing of this book, I admit to many moments, good and bad, when the words of skilled lyricists left their songs stimulating incidents and memories long since relegated to the back of my mind!

Not the End of the World Christopher Brookmyre,2012-05-01 Death threats rock a Hollywood film festival in a thriller that reads like “Day of the Locust updated and rewritten by Carl Hiaasen” (Kirkus Reviews). After a family tragedy, LAPD cop Larry Freeman gets back to work with what he thinks is a simple assignment: Keep a rabid group of right-wing evangelical protestors as far as possible from a celluloid celebration of ex—and very X—adult film actors. But when a vessel is discovered off the West Coast with its crew vanished, Freeman finds himself caught in a far more twisted and dangerous game than he imagined. The players include the voluptuous daughter of a conservative US senator, a Glaswegian photographer with a mysterious agenda, a yacht-load of Hollywood producers, a throng of faded porn stars feeling more exposed than ever, and a band of self-righteous extremists bent on a glittering apocalypse. Set on the near side of the millennium, at a point when the world is about to spin out of control, this witty thriller delivers “a crazy off-the-wall roller coaster of a book that throws in not only the kitchen sink but the dresser, the best china, and the cook herself” (The Irish Times). “A wild, no-punches-pulled ride.” —Philadelphia Weekly

I'm Just Ryan Orange Hippo!,2024-11-07 To his millions of fans worldwide, Ryan Gosling is not just a handsome face that can say Hey girl! in a way that makes them go weak at the knees (though he can and does), he is the defining icon of the new Golden Age of cinema, a 21st-century Cary Grant, as macho as he is feminine, with a total of 11 Oscar, Golden Globe and BAFTA nominations under his belt, and a Golden Globe victory for Best Actor. Since his tenure as a leading man, 20 years ago in The Notebook, Ryan's films have grossed more than \$2 billion dollars, and his next few projects will certainly add to that figure, with Project Hail Mary, Wolf Man, Gray Man 2, and Margot Robbie's Ocean Eleven reboot keeping him in the La La Land limelight for many years to come. I'm Just Ryan throws a bright spotlight on the actor's playful and positive sense of humour and philosophy and revels in his ridiculous charm and sexiness with a wealth of iconic quotes and facts about the man - the legend - himself. I did doubt my Kenenergy in the beginning. I just wasn't sure I could do it but I just decided I was

going to Ken as hard as I can. I Kenned in the morning; I Kenned at night. If I'm honest, I'm Kenning a little right now. Ryan, on channeling his Kenergy. Eva's the dream mother, and they're dream babies, and it's like a dream that I'm having right now. I'm dreaming it all. Ryan, on his wife Eva Mendes. Ryan Gosling's live performance of I'm Just Ken at the 2024 Academy Awards is already considered one of the most iconic moments in Oscars history. Dressed head-to-toe in pink, Ryan stole the show with Guns & Rose guitarist Slash and Mark Ronson, alongside 65 other Ken's, and his Barbie co-stars. More than 20 million people tuned in to watch and sales of the song jumped by 900 per cent during the performance.
