Caught Between Two Blue Aliens (A Threesome Scifi Alien Romance) Celia Kyle, Michele Mills, It was just supposed to be a job—a well-paying job, but just a job. And it is... until it isn't and suddenly Jenna's facing two blue aliens who want her to leave Earth behind... forever. Da fuq was in that wine? Jenna is working her butt off at three different jobs in order to provide for her younger siblings. And tonight's high-profile catering gig (hazard pay bay-bee!) at Drokten Main is going to give her not only dollahz, but also the perfect opportunity to check out the shirtless blue alien heroes who saved Earth from near destruction. Whoo Hoo! At the party, she overhears a crazy plot to destroy the Drokten and kick them off the planet. Holy crap! And the next thing she knows she's standing in front of the Commander of the entire Drokten fleet, as well as the Drokten Ambassador, trying to warn them both of the eminent threat to their safety. And just like that they want her on their battleship and in their bed. Both of them. Together. W...what? Uh...no? Yes? NO. No matter how hot they are, the answer is no. Right? Being an alien booty call—no matter how hot the males are—isn't on Jenna's to do list. Plus, she can't leave her siblings behind! But darn it, these guys should be in sales, because they're so freaking persuasive. And every time they hold her in their possessive embrace, pressed between their hard bodies...well, her heart goes pitter-patter and her body lights on fire. How is a girl supposed to say no? But, on the other hand, how can she say yes when the lives of her brother and sister are at stake?

Taken to Voraxia: an alien monster romance Elizabeth Stephens, 2020-04-08 Dark, diverse and scorching hot, Taken to Voraxia is an unforgettable experience spanning quadrants and cosmos. Perfect for fans of dark fantasy, scifi and monster romance, don't wait another solar – start your next series addiction today. The Voraxian king has come again and this time, he's come for me. I've got no desire to be claimed by the alien king. Blue skin, seven feet and strapped with muscle, I've seen what his kind does to humans. And I don't care that he watches me with hunger. I'm a hybrid and an inventor and I know that

I can engineer my way out of this one. Even though our human colony is a scary, desperate place, I'm willing to meet it head on if it means escape. So I run... ..I don't expect him to give chase. _____ Taken to Voraxia is book 1 in the Amazon SciFi romance bestselling Xiveri Mates series! Each book features a new couple that always gets their HEA. Expect inhuman heroes with horns, fangs, claws, ridges, and otherworldly forms paired with strong human or hybrid heroines. A darker read, sensitive readers should be aware that this book contains violent battles, epic spice, and early themes of subjugation of women (that end spectacularly). Additional content information can be found on my website.

Deceived: An Alien Brides Romance Sophie Stern, One alien princess + one Malum warrior = an unforgettable alien romance. I never should have flown this close to Malum. If I had stayed away, maybe it wouldn't have come to this. Maybe I wouldn't have crashed into the planet's ocean and maybe I wouldn't have climbed right into the cliff-side home of a creature so big, so wild, and so terrifying that I'm both horrified and aroused at our close proximity. Now that I'm deep in the heart of Malum, a planet both forbidden and feared by the people of mine, but something is wrong. Malum is nothing like I was promised. It's not the horror-filled wasteland I was told that it was. In fact, it's not nearly as scary as it should be, and the realization that my father lied to me is horrifying. There's a big problem on Malum. It's bigger than the ship I crashed. It's bigger than the dreams I threw away. It's bigger than the hopelessly handsome alien who is trying to guide me home. And I'm the only one who might be able to save everything.

Taken to Kor: An Alien Monster Romance Elizabeth Stephens, 2021-04-17 Roses are red, violets are blue, Rhork's a psycho and he's a space pirate, too. I thought he liked me. He's been my only source of company for the past rotation that I've been held captive. But when he rejects me in front of everyone, I get the shrov out, determined to find humans on another satellite far, far away from this mess that is my life. Except I don't exactly receive the warm homecoming I expect. Instead, this homecoming is more of the dangerous, stabby, stabby variety...and to get out of the new mess I've found myself in, I might just need a space pirate's help. But what will I have to trade him for it? _____ Taken to Kor is book 5 in the Xiveri Mates series! This is an adrenaline-filled romp through space with a four-armed alien and plus sized human heroine. Best read after book 4, this is a romance with lots of blasters and battles, and one where the villain gets the girl.

Taken to Nobu: An Alien Monster Romance Elizabeth Stephens, 2020-06-16 My aim is to kill him. His aim? Make me his. I'm trapped on a harsh, snow-covered planet waiting to be hunted, with no way of escape. I know that the alien warrior chief with purple skin and a cutting tail is coming for me, but I've got no intention of letting him take me. I'll fight him with hands and fists, knives and teeth. I'll fight the rising heat between us. I'll fight the ache in my chest where an empty hole beats, serving as a painful reminder that once, before his kind took from me, I had a heart. It's a heart that the warrior thinks is his. And unfortunately, he's unafraid to fight for what he wants. _____ Taken to Nobu is book 2 in the Xiveri Mates series! While it features a new couple with their own HEA, it is best enjoyed after book 1. This book contains violent battles, epic

steam and references the human heroine's past trauma. Additional content information can be found on my website.

Taken to Evernor: An Alien Monster Romance Elizabeth Stephens, 2022-09-13 The alien gladiator is going to win...and I'm the prize. What's got four arms, huge spikes shooting out of his spine, and is utterly insane? Oh yeah, that's right. It's the freaking alien gladiator who's fighting in the games – for me – because I'm the prize he's geared to win. How I ended up here is just as much of a mystery as is how I lost my memory. I've got no idea who I am, where I'm from, or why no other species on this diverse and chaotic planet look anything like me. But as the gladiator and I spend more time together, I'm starting to realize...yeah, he might be crazy, but so am I. And we may just need to put our crazies together if we've got any shot at getting off of this rock and out of this arena alive. _____ Welcome to the gladiator games of Evernor in Xiveri Mates book 8! This alien romance contains brutal battles and a lot of spice – including a full shekurr – before reaching its HEA. With crazy world-building abounding, it is also best enjoyed after previous books in the series.

Taken to Sky: An Alien Monster Romance Elizabeth Stephens, 2023-03-23 The anticipated final, full-length installment in the Xiveri Mates saga awaits, along with the Eshmiri reaver you love to hate and the assassin her soul is bound to. He's been hunting me for rotations. Now, it's time to return the favor. I knows things have gone ecking south when the Sky sends its full army to hunt me down. Now, I'm stranded on an adorably violent little planet with only Jerrock to rely on — and he hates me. Jerrock. Sky assassin. The Quadrants' most renowned killer. He wasn't always, though. I remember who he used to be before and I want him to remember, too, but he wants eck all to do with me. He thinks I'm just an addict, a fool, a reaver with no instincts for self preservation. He says that reavers like me can't be trusted. He says that assassins like him can't love. But as we crash through the cosmos together with an army on our trail, I'm going crack through his armored flesh if it kills me – and it just might – but I'll prove him wrong. Ashmara, you really think I could forget? My soul remembers who you are.

_____ Taken to Sky is final full-length book 9 in the Xiveri Mates series and features two damaged antiheroes finding each other and their place in the cosmos. Look out for darker themes, including overcoming addiction, battles and spice as well as a dub/CNC scene. This book can be read as a standalone and will feature familiar faces from previous books before ending with an HEA.

Prisoner of the Alien Prince (A Scifi Alien Romance Novel) Celia Kyle, Anne Hale, 2024-03-28 It's supposed to be another quick and easy job: steal the PulXar—an antique spaceship—and make gobs of money. That's assuming nothing goes wrong. And of course, something always goes wrong. As a pirate, Willow Jackson has stolen hundreds of ships, if not thousands, but this ship is the first with someone on board. Trigg Lorrz, brother of the ship's owner and son of the king of Lorr, a powerful alien race, is... her hostage? He also happens to be Willow's one-night stand from the night before, the hottest lay she's ever had, and pretty much the epitome of her type. But they're both about to become hostages of Jorvlen attackers, who have a grudge against them both: Willow, for stealing massive amounts of currency, and Trigg—or rather Trigg's brother—for snubbing a Jorvlen princess by choosing a human mate instead. They're placed in the middle of one of the most diabolical trafficking rings in the galaxy. The ship where they're taken hostage has a huge cache of the deadly drug Motley. Now, they have an opportunity to take down the evil Umbrosis Corporation if they can manage to stay alive long enough to intercept them and deliver them on a credit-plated platter. Their success or failure all depends on whether they can trust each other enough to work together and whether they can keep their hands off each other long enough to get the job done.
